It is with much regret this week that we were compelled to announce the death of Mr. C. F. Gillespie, one of the most respected residents of Forest county. He died at his home on Whig Hill on Tuesday, May 4, 1897, aged 70 years, 1 mo. and 4 days. The funeral will be held at his late home Thursday afternoon. We are without further particulars.

The editor of an exchange wonders when we got to heaven whether there will be any distinction made between the fellows who make long prayers, but conveniently close their eyes when the contribution box is passed, and the chaps who wear a little once in a while but never forget a friend in need, and try to help a man when he is down.

A Morning Wedding. Burgess Kory C. Heath of Tionesta, and Miss Alice Gierling of Pleasantville, were united in marriage at the home of the bride's parents, Mr. and Mrs. Jacob Gierling, corner of May and Second Sts., Wednesday morning, April 28th, at 11 o'clock, by Rev. J. A. Cunningham. The wedding was a very quiet one only members of the family being present. After a sumptuous collation the happy couple started on a bridal trip to Buffalo, N. Y., and other places, after which they will return to Tionesta and go to house-keeping at once in their newly furnished home. We wish for them zephyrs and not cyclones in the breeze of the journey of life.—Pleasantville Record.

Mr. and Mrs. Heath arrived in Tionesta last Saturday evening on their return from their wedding tour and were welcomed by a large number of their admiring friends.

To no one would it afford the REPUBLICAN more pleasure to offer congratulations than it does to Mr. and Mrs. Heath. Mr. Heath is one of our bustling young business men and besides being burgess of our thriving borough is the senior member of the well known drug and grocery firm of Heath & Killmer, and also president of the Tionesta Cob Pipe company.

The bride is also well known in Tionesta, her parents having just recently removed from this place to Pleasantville. While a resident of Tionesta she was considered one of the most popular and accomplished young ladies and had a host of friends who will be delighted to welcome her to Tionesta once more.

We know of no two young people who could start out in life with brighter prospects for a happy future than Mr. and Mrs. Heath and we join their many friends in extending most hearty congratulations.

Forest County Students at Clarion. The attendance at the Clarion State Normal School this spring is very large, numbering about 450 students. Many of the counties of the state are represented, and our little county of Forest claims her share of the representatives. At a meeting of the Forest Co. students twenty-two were present, and three of those expect to graduate in July. This shows that Forest Co. is not behind in the educational line. The following officers were elected: Mr. S. M. Whitmore, President; Miss Emma Thompson, Vice President; Miss Laura Smith, Sec. Following is a list of the students: S. M. Whitmore, Emma Thompson, Laura Smith, Beulah Gilliland, Margaret McCarthy, Emma Klinefelter, Mary Joyce, Cora Williams, Laura Dunkle, Florence Bowman, Forest Hill, Clarion, Wm. A. E. Sinton, Anna Anderson, Bessie Glass, Mr. Caughy, Ellen Alt, Mr. Covert, Miss Fitzgerald, Miss Williams, Miss Sutton.

NEW INDUSTRIES.

Two New Factories for Tionesta, Which Will Employ From 75 to 100 Men.

Through the efforts of a number of our bustling business men arrangements have been made with certain outside parties to erect a wood manufacturing plant in this place. Negotiations have been quietly going on for some time and matters were finally brought to a "focus" on Monday evening and arrangements made to erect a \$20,000 plant on the right now used as a driving park. Plans are now being drawn and the laying of the foundation will commence in two or three days, and the work will be rapidly pushed to completion. This plant will start up with a crew of forty-five skilled laborers and expects before fall to employ 75 or 100 men, and that means a great deal to Tionesta, as the lumbering industry which has been our main stay in the past is gradually going away from us, and our citizens have come to realize the fact that we must have manufactories of some kind here. Now that the ice has been broken let the good work go on. Don't lay down, now that we have got a start, but keep the boom a going, and lets have a "Greater Tionesta" that will take in Pittsburg and Buffalo.

Another little industry that has quietly started is the Tionesta Cob Pipe Company. This has been a sure thing for some time past and it is expected that the factory will be ready for operation in a couple of weeks, as the machinery is all ordered and is expected to arrive every day. This company will manufacture cob pipes of all descriptions, and as there are only two other factories of the kind in the country, the industry is an assured success. The officers of the company are K. C. Heath, president; R. M. Herman, secretary and business manager, and Henry Ringbeck superintendent. This company will employ about fifteen hands the year round.

COMMENCEMENT. First Graduating Exercises of Tionesta Public High School.

The first graduating exercises of the Tionesta Public High School were held in the Court House last Friday evening, May 30, 1897, and they were a success in every particular, the entire program, with but one exception (the drill by pupils of primary department) being rendered.

The ending of the first term of a high school in Tionesta will long be remembered by those present as the entertainment was a very enjoyable one, and the teachers are deserving of great credit for the good that has been done during the term.

The vast court room was packed with the patrons of the school and their appreciation of the efforts of the pupils was plainly demonstrated by the hearty manner in which they applauded each number on the program. Space will not permit us to mention every number on the program as we would like, but of the graduating class, which was composed of only two, James D. Morrow and Minnie K. Reek, we must say that they "did themselves proud." The paper entitled "Character, Its Cost," which was read by Mr. Morrow was a masterpiece and was well read and received. Miss Reek's paper, "Olden Times," was excellently given up and her rendition of it was this and enthusiastically received by the audience, which shows that these two young people start out in life with the best wishes of their numerous friends, and if they are as successful in their battles with the world as they have been in their search for scholastic learning their friends will not be disappointed.

Those of the junior class who are deserving of special mention are Mr. Jay Bankhead, Miss Kittle Hepler, Ruth Clark and Lillie Bradbury. The essays and recitations of these young people were well rendered and the appreciation of the audience was shown in the applause, and we have no hesitancy in predicting a successful graduation for them all next year.

Misses Minnie Buzza and Eva Davis of the advanced intermediate department are both deserving of great praise for the wonderful elocutionary power which they displayed in their respective recitations, "How We Saved St. Michael," and "The Ride of Jennie McNeil."

The rainbow drill by the girls of the intermediate department was very pretty and well done. The vocal music by the school, which was under the direction of T. F. Ritchey, Esq., was very good.

Miss Kathleen Joyce, teacher of the primary department, favored the audience by rendering in her excellent manner that beautiful recitation, "The Legend of Bregens," which was so thoroughly enjoyed by the audience that she received an encore.

County Supt. E. E. Stitzinger gave a very entertaining and instructive talk to the patrons and pupils which was well received. He complimented the teachers and pupils very highly for the work accomplished in the past eight months of school and urgently requested all to lend every means in their power to the cause of education and to "make the Tionesta public high school not only the best school in Forest county, but in any county."

The finale of the evenings entertainment was the presentation of diplomas to the graduates by Prof. R. N. Speer, the presentation speech being given in verse, which was a history of the school since it has been under his charge, and in the masterly manner in which it was gotten up and rendered shows that Prof. Speer has considerable ability as a poet. The schools of Tionesta have certainly been wonderfully advanced under the management of Prof. Speer and it is very probable that he will be retained as principal next year if it is his desire.

Card of thanks. The undersigned wish to restate their sincere thanks to all the friends who aided them so kindly in time of trouble, sorrow and deep affliction.

Mrs. T. L. HELL, Mrs. A. L. WELLS, KATE GUENTHER.

There is some one in almost every neighborhood who is subject to attacks of pain in the stomach or bilious colic. Mr. J. D. Kinney, Warren County, Pa., used to be troubled in that way. He says: "The attacks were marked by terrible pains, diarrhea and fainting spells. At such times I suffered exceedingly until I began using Chamberlain's Colic, Cholera and Diarrhoea Remedy, two or three doses of which effected an immediate and lasting cure." For sale by G. W. Bovard.

UNCONDITIONAL SURRENDER.

Thirty years is a long time to fight so painful a trouble as piles, but Jacob Mitchell, of Unionville, Pa., struggled that long before he tried DeWitt's Which Hazel Salve, which quickly and permanently cured him. It is equally effective in eczema and all skin affections. Health & Killmer.
