LOCAL AND MISCELLANEOUS.

The shirt waist girl with the fric iron curl, And the straw hat weird and queer, Now walks the street with a smile that's sweet, And her necktie under her ear.

Oil market \$57. Milk shake at Amster's. You can get it at Hopkins' store. Headquarters for underwear at Miles & Armstrong's.

Lanson, the flour and feed man, has an ad. in this issue. Read it. W. J. Roberts has built a fine new sidewalk in front of his residence.

Woman's reason may not convince, but it often puts an end to the discussion. The State Convention of the Great Hive, L. O. T. M., will be held at Oil City July 8th and 9th.

This might be called shirt waist weather, but we advise our lady friends not to get too gay. Chas. Haskell and Miss Almada Gillilan of Clarion drove over to Tionesta on a pleasure trip last Sunday.

An exchange remarks that "the new woman who wears bloomers and rides a man's wheel is no gentleman." Do you appreciate good laundry work? If so patronize the Dunkirk Steam Laundry. Miles & Armstrong, agents.

The next meeting of the Oil City and vicinity Christian Endeavor Local Union will be held at Pleasantville on Friday evening, June 25. For shoes that wear and are sold direct from factory to foot, see the new lines at Miles & Armstrong's. Men's fine shoes, \$1.25 and up.

J. C. Bowman has laid out the foundation for his new residence, corner Elm and May streets, and excavations will soon be commenced. Quite a large crowd of the young folks of this place and of Hunter Station, had a jolly good time at a picnic up Hunter Run last Friday.

Another lot of hats this week. That is why we sell so many hats. They are always new and of the best styles and prices. Miles & Armstrong. Boys who kill robins with air guns and sling-shots will do well to remember that there is a penalty of not less than \$10 for killing these birds. Robins have as good a right to live as boys have.

Although the bass season is on we have seen very few bass, so far. Bass don't seem to "bite" very well hereabouts, although one would think there was not a more favorable place on the river. The swimming season has been inaugurated, the first bathers coming under our observation being two little girls who were having a chilly time in the water last Friday, but they seemed to enjoy it even if the water was a little icy.

The strawberry crop this year is a very light one on account of the rainy weather, and they are not going to be as cheap as usual, but Amster sells at the lowest possible price and handles the best berries in the market. Order early. Don't forget the Orphans' Court sale of the H. O. Davis property, corner Bridge and River streets, which occurs to-morrow, Thursday, June 10. This is an excellent opportunity to secure a very desirable piece of property at your own price.

Statistics show that it costs the American boys and girls just \$30,000,000 a year to get married and then the next year they pay their share of the \$23,000,000, annually, that it costs for kids of America to be born, but the disconsolate daddies get drunk at the annual cost of \$900,000,000 and the undertakers of the United States do the rest for \$75,000,000 a year.

—Franklin has an ordinance that compels all dog owners to pay a tax on their dogs and place a tag on them showing that the tax has been paid. All dogs found running at large without tags are placed in the pound for three days and if the owner does not show up in that time and pay a stipulated fine the dogs are killed. Such an ordinance in Tionesta would be a good thing, as it would be the means of ridding our streets of about 'steen hundred of the worthless curs that are prowling about both night and day.

—Tionesta's new industries are being rushed forward as rapidly as possible and the buildings for the mantle works would have been a great deal further advanced had it not been for the unfavorable weather of the past few days. The carpenters have commenced work on the first building and the stone masons are about half through on the foundation of the second. Just let us have favorable weather for a few weeks and the wheels will be turning "to beat the cars," for Manager Swanson is a hustler and evidently knows where he is at. The machinery in the cob pipe factory is all in place and everything in readiness to grind out cob pipes "for the million," as soon as the cobs are in the factory. And still the chronic croakers say that there is no improvement in the times, and that prosperity is not returning. You can't find an idle man in town who wants to work.

Chamberlain's Cough Remedy the Best and Most Powerful.

"We sell more of Chamberlain's Cough Remedy than of all others combined," write Messrs. Kerr & Sons, druggists, of Mars, Pa. They also say: "The sale of it is something phenomenal. We have sold two gross this winter, selling as high as six bottles in one morning to as many different customers. This remedy has proved particularly successful in croupy affections. Our customers invariably pronounce it the best they can find, and we know of no case where it has failed to give satisfaction." For sale at 25 and 50 cents per bottle by G. W. Bovard.

TERRIBLE ACCIDENT.—It is a terrible accident to be burned or scalded; but the pain and agony and the frightful disfigurement can be quickly overcome without leaving a scar by using DeWitt's Witch Hazel Salve. Heath & Killmer.

Not only piles of the very worst kind can be cured by DeWitt's Witch Hazel Salve, but eczema, scalds, burns, bruises, boils, ulcers and all other skin troubles can be instantly relieved by the same remedy. Heath & Killmer.
