LOCAL AND MISCELLANEOUS. Oil market \$7.1. Labor Day next Monday. Only 5 cents a day will do it. You can get it at Hopkins' store. ff. Prices are the lowest at Miles & Armstrong's. Answer sells fruit cans cheaper than anybody else. You can get a pair of \$4.00 pants at Hopkins' for \$1.95. This year's crop of rubbers now on sale at Miles & Armstrong's. Fall opening at Smith's Business College, Warren, Pa., Aug. 30. The Warren fair begins Sept. 14, and continues over the 17th. Don't miss it. Flour has advanced \$2.25 on the car load but the farmer is paying off his mortgages, just the same. It is expected that there will be one of the largest buckwheat crops this fall that we have had in years. The Epworth League will hold their regular business meeting next Monday evening at 7:30. All are requested to be present. Mrs. J. T. Carson, Rec. Sec. You are invited to call at Hopkins' store and inspect their stock of clothing, shoes and dry goods before you buy. Then make your purchase where you can do the best. Remember that you must pay a State or county tax 30 days before the election if you desire to vote; and you must pay it in person or give some one a written order to pay it for you. A Warren woman fell from her wheel the other day and hit off an inch of her tongue. The local papers report that the accident caused some of the meanest men in town to buy wheels for their wives. While crossing the road to borrow his neighbor's paper, an Erie county, N. Y., man was run over by a wagon and his doctor bill for repairs was \$15, and even then he didn't get his paper. The moral is obvious. Hon. J. B. Agnew has received word from the pension bureau to the effect that the widow of Andrew McCoy, a very worthy lad, Harmony township, this county, has been granted a pension through his efforts, of eight dollars per month. About 30 of our young people drove up to the Kelly farm at Oldtown last Friday evening and enjoyed an old-fashioned corn roast. Other refreshments were of course taken along and a bounteous feast spread. A "howling" good time is reported by all who were in attendance. Mr. and Mrs. Henry Giering were called upon to mourn the death of their infant daughter, aged three months and ten days, which occurred on Friday of last week. The funeral was held on Saturday afternoon last, Rev. Mr. McAninch officiating. The bereaved parents have their sympathy of all our citizens in their sorrow. For years past it has been legal to shoot squirrels in Pennsylvania after September 1. Such is not the case this year. Under the new law no game can be legally shot until October 15th, at which time partridge, woodcock and squirrel shooting opens. Rabbit shooting begins November 1st. The only exception to the above is that woodcock may also be shot from July 1st to August 1st. The Tionesta Public High School opened Monday, August 30, with the following corps of teachers: Room No. 1, Miss Kathleen Joyce; Room No. 2, Miss Martha Morrow; Room No. 3, Miss Mary L. Lamb; Room No. 4, Miss Ida Paup; Room No. 5, Prof. R. N. Spear, Principal. The same teachers were employed last year, and a very successful term was the result, consequently the school need have no fear of the success of the coming term. Hopkins still has a few of those 46c. pants left. Only 5 cents a day will do it.

Miss Blanche Peck returned yesterday to Duke Centre, McKean county, where she again takes charge of the intermediate department of the schools of that place for the coming winter. Capt. J. M. Kepler of Pine Grove Mills, Centre county, is up this week on a short visit to his daughter, Mrs. J. D. Davis, and is meeting many of his old Forest county friends who are attending court.

—Mrs. Anna E. Swales and grand daughter, Eva Kightlinger, who have been visiting relatives and friends in Tionesta and vicinity for the past three weeks, returned home to Pittsburg yesterday. Frank E. Mable stopped a few hours in town last Saturday. Archie Rowan Esq., one of Pittsburg's prominent lawyers, is attending court this week. Mr. Rowan was one of Gen. Sheridan's famous scouts during the late war, and is spoken of in Gen. Porter's "Campaigning with Grant," in the August Century. The REPUBLICAN acknowledges pleasant calls from the following gentlemen attending court this week: A. M. Lyon, Cooksburg; E. A. Yetter, P. V. Marcellotti, Marienville; Judge Nash, Pigeon; Bernard McCloskey, Golezza; H. A. Lynch, Endeavor. T. J. VanGieson Esq., of Leechburg, Pa., stopped in town a few hours last Saturday on his return from Buffalo, of a visit he had been enjoying the delights of a reunion with old comrades of the war. He was looking well and met with a hearty welcome by his many former Tionesta friends. Our staunch old Republican friend, James Graham, of Cooksburg, gave us a visit yesterday morning. James is upward of 78 years of age, yet he walked the entire distance from Cooksburg to Tionesta the day before, and stood the fatigue without flinching. He is still quite hale and hearty for one of his years. Try Miles & Armstrong for rubbers that wear well. All styles now ready. Buy goods at Miles & Armstrong's and get a premium free. Hats and shirts sold fast at Miles & Armstrong's.

NEWSY NOTES. The smart young man approached the body water counter and said with a wink, "Just give me something with a stick in it." "Certainly," replied the quick witted attendant, as he handed him an "all day sucker."—Ex. At last the pacing record has been brought below the two-minute gait. "Star Pointer" is the wonderful horse that has accomplished this remarkable feat. At Rosenville, Mass., on Saturday last he paced a mile in 1:59. What next? General J. P. S. Gobin of Lebanon, Pa., was selected as the new Commander-in-Chief at the National Encampment of the G. A. R. at Buffalo last week. The selection is a most creditable one as General Gobin is every inch a soldier, and has a splendid war record. The encampment for next year went to Cincinnati, Ohio. At its last session the Pennsylvania Legislature passed a law for the protection of the fruit interests of the State. It is a law against infectious disease among fruit trees, and directed against such afflictions as peach yellows, pear blight and the black knot among plums, also the peach rosette or any contagious disease among cherry trees. In each township or borough there will be a board to see that the provisions of the law are executed, in case the owner of the infected fruit or fruit trees has not the sense and public spirit to destroy such trees or fruit himself. It is expected that the law will in time stamp out peach yellows, black knot and pear blight in the State. To heal the broken and diseased tissues, to soothe the irritated surfaces, to instantly relieve and to permanently cure is the mission of DeWitt's Witch Hazel Salve. Heath & Kullmer.
