WEDNESDAY, DECEMBER 8, 1897.

PRESIDENT MCKINLEY'S MESSAGE.

The message of President McKinley to the Fifty-fourth Congress was read in both Houses Monday and is that is being paid the pensioner? touched up in a manner that inspires sixties and bared their breasts to the following the example which the message :

the Fifty-fifth Congress is the able, terrible contest you would be doing others for interest on indebtedness. strong, conservative and statesman. a successful business to-day in one of like document that the people had the most thriving small cities of the every reason to expect from such a State? The following article ap- Bryan to Mexico is now to begin. source. Most of the recomendations peared recently in the Pittsburg The Mexicans are to be told, presumcontain nothing new, as he made no Times and in this connection is quite ably in their native tangue, how much secret of his convictions on the public appropriate : questions of the day, and the Nation his views in regard to Cuba, Hawsii, and the currency question ever since he made his inaugaral address.

would only complicate matters with the railroad construction gang. Coban causa.

of that far-away little republic to gage on the Union at the start. the governments of the world.

shows the penificent workings of the pensioners is the man who uses for-Dingley tariff and the improved con- bar or at the tobacco store. And as dition of the National finances. He a rule, these are not the ones who are urges the adoption of a measure of doing most of the complaining. currency reform, and strongly endorses Secretary Gage's plan. This means pended upon to be its duty, but the election of 1896. Senate is likely to oppose Mr. Gage's scheme for currency reform with great vigor and obstinacy.

With the tariff question settled Mr. McKinley places next in importance this matter of currency reform. He recognizes that our presperity, to be permanent, must rest on a firm and substantial basis, and that the National credit must not again be exposed people are with the President, and willing and eager to see all his recommendations carried out by Con- year. gress and put in practical working oader.
