LOCAL AND MISCELLANEOUS.

SHORT HISTORY OF THE WAR. Uncle Sam—"Git!" Sagasta—"Nit!" And then they fit, And Spain quit.

Oil market \$7.1. You can get it at Hopkins' store. It falls in! Forward march! to Miles & Armstrong's.

Get a bullet proof suit of Hopkins before you start for Cuba. Now is the time to buy wall paper cheap at Heath & Killmer's.

Another lot of fine shoes at Hopkins' this week. They are sellers. Yesterday, April 26, marked the 76th anniversary of Odd Fellowship in this county.

Let war come. We will fight to the finish against high prices. Miles & Armstrong. The river was full again the first of the week. Too much water in this instance.

Wall paper in any quantity at Heath & Killmer's, and at prices that defy competition. Early strawberries are bringing war prices in other markets. The fish hasn't struck us yet.

The W. R. C.'s social at G. W. Boward's residence last Friday evening was a pleasant affair as usual. The Cooper, Reck & Co. well on Cropp hill was finished yesterday and shows up for a fair pumper.

"Spring weather," says the sprightly lad as he smillingly emerges from the smothering fogs of winter quarters. Rev. J. T. Brennan will preach in the M. E. church next Sabbath evening on "Sabbath observance," under the auspices of the W. C. T. U.

The river was fairly alive with sea gulls last Saturday, and some of the boys were out with their shot guns, but didn't succeed in bringing down very many. Before you buy your spring suit look through the assortment at Hopkins' store. You get into a stock there where you have something to select from.

The W. C. T. U. will hold a "mothers' meeting" at the home of Mrs. S. D. Irwin next Friday evening, April 29, at 8 o'clock. A large attendance is requested. List of letters remaining uncalled for in Tionesta, Pa., Postoffice for the week ending April 27, 1898: G. W. Paterson, Esq., Mr. Andro Arch.

A few cans of trout fry have been received here by some of our sportsmen and have been deposited in the surrounding trout streams. They were the finest lot ever shipped to this section. There will be no services in the Presbyterian church next Sabbath, the pastor, Rev. McAninch, having gone to Indiana county to assist his friend, Rev. Mr. Bell, and will not return until some time next week.

Heath & Killmer have been making some decided improvements about their soda fountain and everything is new not only neat, but handy, and they are ready to turn on the "fizz" as soon as "Old Sol" goes down to business. They have also made room near the fountain to put in a table for serving ice cream at any time of day.

An exchange well says: No man is too poor to take a local newspaper, and it is false economy to get along without it. Hardly a week passes that something does not appear in the columns that will be of financial benefit to the subscriber, and by the end of the year he has saved from one to twenty times its subscription price. The city papers do not take the place of the country paper, but some people seem to think they do. The city papers are all right in their way, but they don't give what you are mostly interested in—your home news.

The close of another very successful school term for this borough came with the exercises of "commencement" at the court house on Monday evening, when the "Class of '98" was graduated with honors, and the members, Mr. Jay Bankhead, Miss Ruth Clark & Miss Lillie Bradbury, were presented with diplomas from the high school. The program rendered was sufficiently varied to entertain and please all, and each part was so well taken that the exercises glided smoothly and seemed quite short though lasting full two hours. Prof. Speer and his able corps of assistants deserve much credit for the success of the schools during the past three years. In that time the high school grade has been established, and the greatest progress ever achieved in school work in our borough has been attained, all of which is very largely due to the ability and energy of the Principal. As an educator and all round expert in every department of school work, Prof. Speer easily stands with the first in the State, and our town is indeed fortunate in having one such at the head of its schools.

Miles & Armstrong's shoes wear well. Try them.

All members of W. R. C. No. 137, who have not paid their contribution to the Memorial Home fund are requested to do so not later than Saturday, April 30. By order of KATE B. CRAIG, Pres.

J. C. Bowman has finished grading and seeding his lawn and has just completed new board walks around his new residence. When the lawn has donned its garb of green it will be a beautiful place.

Chas. Amann, our up-to-date tinner and plumber, has recently added a new lot of material to his bicycle repairing department and is better prepared than ever to make your old wheel good as new. Wheels to sell or trade.

If you have not already done so it will pay you to spend a day or two in your orchard cutting off the useless branches which do not produce, but only consume the substance that properly belongs to those branches that bear the fruit.

Commissioner Moody is already making great improvements in the streets. One good move was made on River street, along Riverside cemetery, and there is now a very respectable driveway clear around that beautiful burial place.

F. Walters & Co.'s Easter millinery opening is a thing of the past for '98, but don't think that the nice hats are all gone, for there are lots of them left and more to come. When you patronize this firm you not only get the best and most stylish millinery but the lowest in price.

Appreciating the thirst which the people have acquired for the latest news of the war, the Oil City Derrick has begun the issue of a Sunday edition, the first number being sent out last Sunday. The eagerness with which the supply for Tionesta was exhausted, shows that the enterprise is appreciated.

Prof. Speer's Summer School will commence next Tuesday, May 3, and will be a success, as a large class of students has been enrolled and several more are expected. Prospective students should endeavor to be in attendance the first day, so that there may be no drawback to the success of the school.

In addition to his always fresh stock of green groceries, Amann now has on hand onion sets, garden seeds, seed potatoes, etc. Also, an elegant display of fishing tackle, fish baskets, base balls, bats and gloves. Of course it is understood that his line of cigars, tobacco and confectionery is the best in town.

After wrestling with the license cases until Thursday evening of last week, the Court decided to grant no new applications. Those refused were: Hiram L. Bennett at Kellettville; John Gerow, West Hickory; W. J. Gillette, Tionesta Borough; The two hotels in this borough, the Central House and Hotel Agnew, against which remonstrances were made, were both granted license.

There was a beautiful present shipped to President McKinley from a stock farm at Franklin last week. It consisted of a team of beautiful black coach horses, especially selected and mated by Charles Marvin, and were presented to the President by his brother, Abner McKinley, of New York. For beauty, style and perfect training the team is unexcelled and pronounced by competent judges to be almost perfect.

Comrades Setley, Morrow and Irwin compose the committee of arrangements which is making preparation for the proper celebration of Memorial Day. The committee has assurances from Rev. Wm. Richards that he will preach the Memorial sermon at the Presbyterian on the Sabbath previous, being the 29th day of May. Also, Judge Lindsey has consented to deliver the Memorial address at the court house, where the ceremonies will be held.

There's a chance now to show your willingness if you want to. Notice has been posted that names will be received at Heath & Killmer's drug store of all who wish to enlist to fight the Spaniards. It is hoped that in the re-organization of the National Guard this vicinity will be given a chance to recruit a company. If this privilege can be had as fine a company as ever shouldered muskets can be raised here within a few days. "Remember the Maine."

The large hand saw mill of Collins & Watson at Golenza came near having a serious conflagration last Saturday about midnight. At that hour the watchman discovered the partition between the filing room and the mill proper to be on fire, and immediately blew the alarm whistle, bringing out the residents of the place, who soon extinguished the flames. The fire had ten minutes more of a start nothing could have saved the valuable mill plant.

Deputy Attorney General W. F. Reeder, at the request of the Center County Commissioners, has handed down an opinion regarding the right of tax assessors to assess one and other mineral rights to an individual or corporation when the land covered by the right is assessed to another party. General Reeder holds that the Commissioners have a right to do it and it is obligatory on them to have all such rights assessed, and that such taxes can be collected the same as any other tax on real estate.

The Falls Creek Sea is impertinent enough to ask why, if the Hon. John Wanamaker wants to raise a regiment, and be a sure enough Colonel, he doesn't go home and do it, and quit running around over the State talking about it, to which the Punxay Spirit replies: Why, bless you, if Mr. Wanamaker were to do that, the newspapers would not know that they are vernal and subsidized, the politicians would not realize to what depths of depravity they had sunk, and the people would not know how they are being fleeced and robbed, and ground into the very dust by State taxes. Mr. Wanamaker cannot be spared to fight Spain.

It is gratifying to know that Tionesta has at least one honest fisherman and strict observer of the law, and perhaps the only one to be found in the State. We refer to Charles Anderson, who, while fishing for suckers last week caught no less than five very fine bass, one of which it is thought would weigh at least four pounds, and every one was "returned to the waters from whence taken," as the law directs. Charles is an exceedingly lucky fisherman when the season is open, which is perhaps his reward for honesty. Others, who understand, have caught an occasional bass while fishing for suckers, and while they threw them back, it is to be noted that it was far enough "back" to insure their safety from getting back into the water.

The Hanging Postponed. Justice Sterrett, of the Supreme Court of Pennsylvania, having granted on Saturday a writ certiorari in the cases of Fred Rockwell and Patrick Banya, condemned to be hanged at Ridgway, the execution did not take place yesterday as was expected. To what date the stay of execution will extend is not stated.

TITUSVILLE SUPPLY CO., M. O'LEAH, Manager. 4-27-4t.

NEWS NOTES.

What's the use of buying ships when we can capture two or three in a day? Quick sales and small profits make big sales at Miles & Armstrong's.

Just as well buy your spring suit, hat and tie of Hopkins and save your money. When the flying squadron flaps its wings the Spanish vultures will be for moving on.

Shoes sell quickly because the prices are right and goods satisfactory at Miles & Armstrong's.

A Havana newspaper calls our handsome battle-ships Texas and Iowa "damaged barges." The quantity of shoes that Hopkins sells is what enables him to name prices so far below competitors.

The Miller & Sibley kite track property, including seventy-seven acres of land, a grand stand and a hotel building has been transferred to the Meadville Fair Exposition company.

Center county has been sued for 50 cents, the result of suspended payment on scalps, pending a decision on the legality of the scalp act. The county has been paying \$200 a month in bounties.

A new "lover's alarm clock" strikes loudly at 10 o'clock, and two little doors opening reveal the figure of a man in a dressing gown, holding in his hands a card bearing the words "Good night."

The New York Sun quotes an office boy as perpetrating an atrocious pun, which under the circumstances can be permitted. "To Spain: Cuba must be free; and C-U-B-A—A little quick about it, too!"

Easy fitting shoes for all at Miles & Armstrong's. A thoughtful clergyman in a near by town is quoted as saying that the most alarming signs of to-day, those which are the most deceitful in their influence and the most soul-destroying in their ultimate effects, are the love of money on the part of men, and the love of display on the part of women.

Latest style shoes at Miles & Armstrong's. The theft of 1000 pounds of nitro glycerine at two different times within the past two weeks from the factory of A. G. Harper, near Franklin, surpasses in boldness and daring any previous robbery in that section. The first robbery was committed about two weeks ago and the second Sunday night of last week. The stock wagon had been loaded with the deadly stuff and locked in a shed near the factory. The thieves broke into the building, hammered the locks off the wagon and stole every pound of material it contained. As the slightest jar often sets off this high explosive, the chances the thieves took can be appreciated.

It is a great leap from the old fashioned doses of blue-mass and nauseous physies to the pleasant little pills known as DeWitt's Little Early Risers. They cure constipation, sick headache and biliousness. Heath & Killmer.

Two years ago R. J. Warren, a druggist at Pleasant Brook, N. Y., bought a small supply of Chamberlain's Cough Remedy. He says of the result as follows: "At that time the goods were unknown in this section: to-day Chamberlain's Cough Remedy is a household word." It is the same in hundreds of communities. Wherever the good qualities of Chamberlain's Cough Remedy become known the people will have nothing else. For sale by G. W. Bovard.

The farmer, the mechanic, and the bicycle rider are liable to unexpected cuts and bruises. DeWitt's Witch Hazel Salve is the best thing to keep on hand. It heals quickly, and is a well known cure for piles. Heath & Killmer.

A little boy asked for a bottle of "get up in the morning as fast as you can," the druggist recognized a household name for "DeWitt's Little Early Risers," and gave him a bottle of those famous little pills for constipation, sick headache, liver and stomach troubles. Heath & Killmer.

M. L. Youcum, Cameron, Pa., says, "I was a sufferer for ten years, trying most all kinds of pills, remedies, but without success. DeWitt's Witch Hazel Salve was recommended to me. I used one box. It has effected a permanent cure." As a permanent cure for piles DeWitt's Witch Hazel Salve has no equal. Heath & Killmer.
