List of letters remaining uncalled for in the Tionesta, Pa., post office, for the week ending May 11, 1898: Archie Blakeslee, Miss Susie Tipton, Miss Renie Winger. D. S. Knox, P. M. WANTED.—Homes for boys of 10, 17 and 5 years of age, and for girls of 15, 13, 10 and 7 years of age. Apply to Mrs. H. L. Lay, Pres. Children's Aid Society, Oil City, Pa. W. A. Grove is the first to plank down a new walk this season. Many other good citizens of the town might show his patriotism in this way to good advantage. Heath & Killmer are now receiving daily consignments of the celebrated I. X. L. ice cream made at Warren, Pa., and will furnish the same to families or for entertainments in any quantity from a pint up. The Tionesta World is publishing a very entertaining evening edition these days, giving nice service of the crispest war news. The enterprising publishers deserve the success with which their efforts seem to be meeting. Mrs. Ellinger will open an ice cream parlor over the Herman store room, today, Wednesday, and will serve cream every day and evening of the week except Sundays. Families and entertainments furnished in any quantity desired. Dora Carson of Stewart's Run had the misfortune to lose one of his valuable team horses Monday. The animal is thought to have become tangled in his stall and so seriously sprained his back as to make the shooting of him an act of mercy. The Collins & Hardison well at the head of Fork Run, in the vicinity of Whig Hill, Kingsley township, was finished last week, and is thoroughly dry. The Tionesta Gas Co.'s venture on Hunter Run, Tionesta twp., is worthless either for gas or oil. Very few towns of the size can boast of as well stocked grocery as Tionesta has. F. P. Amster puts forth every effort to keep the best line of fruits and vegetables the market affords. His stock of cigars, tobacco and confectionery is the best in town. There are a few sidewalk bicycle scooters in town with more gall than gumption, who will be the means of bringing about an ordinance by the council forbidding the use of sidewalks altogether for riding. The authorities and citizens generally have been very patient with this nuisance, but forbearance has ceased to be a virtue in this instance. The annual convention of the W. H. M. Society of the Franklin District convenes at Tidoute Wednesday and Thursday, May 11 and 12. Mrs. Angus Carson represents the Tionesta auxiliary. Miss Mand Hepler and Miss Mamie Fitzgerald represent the Queen Ester Circle. Mrs. Frances Wynan is to read a paper on Sabbath Observance.

The Republican very gratefully acknowledges a serenade by the Hickory martial band last Friday evening under the leadership of "Commodore" Etn. Withler, who marks time on the big bass drum. The boys play well, and just at this time no music is in it with the life and drum, especially when the former is manipulated by such a veteran as Henry Miller. Miss Mary, daughter of Asa Lovejoy, who lives at the Robinson & Gaston mill, had a narrow escape from drowning yesterday afternoon. She was in a boat in the pond near the boat scaffold, with another young girl, when she was suddenly overcome by dizziness and fell into the water. The shock and fright rendered her practically helpless, and her mother seeing her ran to her relief. The young lady was unable to speak for some time, and Dr. Bovard was called, who reported her improving when he left her.

YOU AND YOUR FRIENDS.

Miss Alice Hassey of Oil City is attending Prof. Speer's summer school at this place. Born to Mr. and Mrs. Daniel Salsgiver, of the township, May 6, 1898, a daughter. Mrs. H. C. Giering and Miss Nettie Giering of Pleasantville are visiting relatives in town. Miss Edna Clark was over from Tidoute on a visit to her parents a couple of days last week. Mrs. H. G. McKnight and daughter Kittie, of Oil City, visited her parents, Mr. and Mrs. S. J. Campbell last Saturday. Mr. and Mrs. M. L. Amann and two children, of North Clarendon, spent Sunday with Mr. and Mrs. Chas. Amann, of this place. Mr. E. R. Conway, and sister, Miss Mame, were guests of their aunt and uncle, Mr. and Mrs. S. S. Canfield for the past week. Rev. Wm. Richards, of Mayburg, Pa., will occupy Rev. Mr. McAninch's pulpit in the Presbyterian church next Sabbath evening. Miss Ida Keeler, of New Matamoras, O., after a visit of six months with relatives and friends on German Hill, has returned home. Dr. J. C. Dunn has brought his family and household effects on an now occupies the cottage just vacated by Prof. Armstrong, who has moved temporarily into a part of the Davis house until his own is completed. William Blocher, so long in the Gettysburg machine shop, left Tuesday for Philadelphia to look over the prospects for a berth in the U. S. Navy. Billy would make an excellent man anywhere between decks.—Tidoute News. Mr. A. O. Morso, representing the Philadelphia Press, was in town yesterday arranging for the circulation of that leading journal in this place. He appointed an agent here, Master George Carson, who will serve the public promptly every day. The venerable Benj. May, Esq., of Tionesta, spent Saturday and Sunday with Franklin friends, the guest of his niece, Mrs. W. J. Bleakley. Although he has now entered upon the last decade of a century of life, Mr. May retains his physical and mental faculties to a remarkable degree, and his visits are a pleasure to the old acquaintances of Franklin, of which place he was a resident more than 74 years ago.—Franklin News. Rev. J. V. McAninch departed yesterday for Missouri, taking with him his aged mother, who will spend the summer in that country with relatives. On his return he will stop at Winona, Ind., to attend the General Assembly of the Presbyterian church of the U. S., as the Commissioner from the Clarion Presbytery. Elder A. B. Kelly is the lay delegate from this presbytery and will be with Rev. Mr. McAninch when the assembly meets next week.

Attention, Volunteers!

All members of the recently organized military company at Tionesta are hereby urged to be in attendance at the meeting called for next Saturday evening, May 14, as important papers have been received from Washington, to which the signature of each member of the company must be attached. J. D. DAVIS, Secretary.

A Grievous Find.

Dr. Detar, of Kellettsville notified Coroner J. W. Morrow on Wednesday last week, of the discovery of the dead body of an infant in an unoccupied building at Porkey, about a mile above Balltown, Howe township. The coroner authorized Squire R. Z. Gillespie of Kellettsville, to make a legal investigation of the case. If an inquest was held the acting coroner has not yet filed the jury's report with the clerk of the courts. The withered body of the child is understood to have been found in a box inside of an old trunk on which was piled a quantity of corn fodder. Whether the body had ever had life or not is not at present known, but this may be developed later. The gruesome find has caused considerable wonder among the people of that section.

Forest County's First Recruit.

A personal letter from our patriotic young friend, George Birtell, states that when he reported at League Island Navy Yard for enlistment last week he was informed that he would have to take his place on the receiving ship and await orders; that it was not likely he would get away from there for a month or two. This was too slow for George, and he returned to Mt. Gretna and enlisted with the N. G. P. boys who expect to be called out at any moment. Of his experience thus far in camp, George says: "I was out on drill for the first time today, the 6th. It rained very hard all of yesterday, and the camp being located on a large bed of bog-ore everything was as red as our battlefield will be after we get through with the Dons. If any of our boys could have seen our camp yesterday they would doubtless have felt like staying at home. It was a very gloomy camp. There are quite a number of the boys in the hospital. Letters addressed as follows will reach me: Co. I, 26th Reg't, Camp Hastings, Mt. Gretna, Pa. Regards to all. G. A. BIRTELL."

To The Public.

Having purchased the stock of general merchandise of F. E. Suttley, of West Hickory, Pa., we desire to state to the public of that vicinity that we are prepared to furnish the best line of groceries, gent's furnishings, hardware, tinware, flour, feed, etc., that can be procured in the market, and at the lowest possible prices. We will also handle coal and sell it in any quantity. We will pay the highest market prices for hides, pelts, wool, butter, eggs, ginsing. We will endeavor to treat you fairly. Come and see us. No trouble to show goods, and we will quote you prices that will astonish you. TITUSVILLE SUPPLY CO., M. O'LEAN, Manager. 4-27-98.

Memorial Day Program of Berlin Post.

Ell Berlin Post of Hickory have made ample provision for observance of Decoration day at Whig Hill this year. Other cemeteries will be visited in the early morning by details from the Post. Post and friends will meet at the M. E. church at 9 o'clock a. m. sharp, and march to the cemetery, where the G. A. R. service will be held in memory of our honored dead. On returning to the camp at the church the following program will be carried out, being interspersed with songs and music by the choir and band: Addresses will be made by Revs. Buzza of Tionesta, Hillard of East Hickory and Vahn of Whig Hill; followed by recitations and other patriotic efforts. A lunch will be enjoyed on the grounds at the proper time. A cordial invitation is extended to the different societies and Sabbath schools to join us in celebrating the 30th day of May. Let us join in honoring our hero dead, while our guns are smoking under our glorious stars and stripes. Come all. By the Post, W. E. WITTELL, J. ALBAUGH, Committee.

Notice.

There will be a meeting of the stock holders of the Tionesta Water Supply company at the office of the company on Monday, May 16, 1898, at 3 o'clock for the purpose of determining whether or not the company will sell their plant and to fix a price on the same. G. W. ROBINSON, President.

Rousing Meeting of Patriots.

Never in the history of the county has a more enthusiastic audience assembled in our town than was gathered at the court house last Friday evening in response to the call for a meeting to organize a company for the war with Spain. The large court room was early packed with the patriotic citizens of this place and the surrounding country. Old men and young, gray haired veterans, ladies and children were there and vied with each other in efforts to show their loyalty to the flag. The meeting was called to order and C. A. Randall was made President, with the following Vice-Presidents: Jonas Shunk, Lemuel Wolf, J. C. Miller, Kingsley township; L. E. Osgood, Hickory; C. W. Clark and J. B. Agnew, Tionesta. J. B. Muse was elected Secretary. Rev. R. A. Buzza invoked the Divine blessing on the meeting. On assuming the chair Mr. Randall expressed his thanks for the distinguished honor of having been chosen to preside at a meeting of this character. Berlin Post martial band was present, and the good old fife and drum were very frequently called into requisition during the evening, and the cheers and shouts of the crowd knew no bounds. Rev. Mr. Buzza was called for and made the speech of the evening, and for over half an hour fired the audience with greatest enthusiasm by his eloquence. Jonathan Albaugh also made a short speech in which he recalled many incidents of the late war and warned the boys that it was no mere boys' play. The rolls were then opened, and an opportunity given to all who wished to enroll their names for the impending war. A large number came to the front and added their names to those already on the list. After singing America by all present the audience was dismissed to allow the company to effect a temporary organization. The audience having filed out, a temporary organization was effected as follows: President, John Swanson; Vice President, J. C. Scowden, Secretary, J. D. Davis; Treasurer, K. C. Heath. A committee was appointed to look up a suitable place for holding company drills. Upward of 90 names were on the roll at this time, which number has since increased to nearly if not quite 100. A resolution was adopted naming Saturday as training day, and a meeting will be held next Saturday for that purpose, at the old rink building, which has been secured and will answer the purpose admirably. Look for a crack company from this section. No better material is to be found in the world. Remember the Maine.

The Late Dr. T. D. Dunn.

Dr. Thomas D. Dunn, well known to many of our citizens, died in West Chester, Pa., May 6, 1898. His death was the result of injuries received from being thrown from his carriage some two months ago. His sufferings were intense. Last Sabbath Dr. Martin, of the 1st Reg't, Philadelphia, stationed at Mt. Gretna, having been summoned, he, with others, performed an operation which was only satisfactory as concerning the cause. His life could not be saved and he lingered until Friday noon, when he passed away, leaving a wife and daughter, and a large connection of his own to mourn his departure. He died beloved by all who knew him. He had a very extensive practice and was so kind and sympathetic to all. His funeral took place on Monday afternoon of this week. His wife will be remembered as Kate Cobb, who lived in this place from childhood until her marriage. He was a cousin of Mrs. Irwin of this place. He was aged about 45 years. M. T. I.

Nebraska Notes.

Mr. and Mrs. Leon Watson and children spent Sunday at Fryburg with Mrs. W.'s parents. Dannie Small, who is not much larger than a big fish himself, caught a trout Saturday that was twelve inches long and two and one-half inches wide. The Epworth League of this place, a chapter of 45 members, will celebrate the ninth anniversary of the League on the evening of May 15th. Everybody invited to be present. Nebraska Tent No. 298, Knights of the Maccabees, has reduced its initiation fee from \$5.00 to \$2.50 during the months of May and June, giving those interested a chance to join at a very low figure. Geo. Klinefelter, Jr., spent Sunday with his parents at this place. George has a good position at Buck Mills as yard boss. Mr. and Mrs. E. S. Roddy visited friends at Gollitz Saturday and Sunday. Since the war the daily papers are in great demand. As they reach Tionesta too late for our mail, our enterprising agent sometimes walks to Tionesta and back to get them. NEWSY NOTES.

The State treasurer has paid out all the public school appropriations for 1897. The payments for 1898 will be commenced in June. The appropriation amounts to \$6,500,000 per year. Hats at 50c a head at Miles & Armstrong's. As naval powers Great Britain ranks first, France second, Russia third, Italy fourth, United States fifth, Germany sixth, Spain seventh, Japan eighth, Austria ninth and Netherlands tenth. Breeches of promise only \$2.00 at Miles & Armstrong's. The city of Manila is made up of low buildings, as the people are in constant dread of earthquakes. One of these convulsions killed 300 people, and the last one, in 1880, wrecked most of the town. There are six daily papers, three banks, a mint, and complete electric light and telephone plants. Luzon, the island on which Manila is situated, has a population of 5,000,000, and in area is somewhat larger than New York and Massachusetts combined. T. H. Lawry, great commander of the Knights of the Maccabees, has by special dispensation granted full protection to all members of the order engaging in the services of the United States during the impending conflict with Spain. Such enlistment and service will in no wise prejudice, change or injure any member's certificate or standing in the Great Camp of the Maccabees. He says: "One of the cardinal principles of our organization is loyalty to our country's laws."

A late flat of fashion, as reported by a New York paper, decries that there shall be no more gold in teeth. Gold in the midst of a "row of pearls," the leaders say, is too conspicuous to be in good form; that none of the yellow metal should show when a society ball or beau laughs. In place of gold the fashionable dentists are now using a white metal that hardens very quickly and when hard looks precisely like the tooth itself. Gold may still be used where it doesn't show.

Not one person in a thousand in reading the dispatches from the Philippines gives a thought as to how the news comes to New York a distance by cables and land of 14,311 miles. The message goes from Manila to Hong Kong; from Hong Kong to Saigon, Ceehin China; from Saigon to Singapore, on the west coast of lower Siam; from Penang to Madras; from Madras by land to Bombay; from Bombay to Aden; from Aden to Suez by land to Alexandria; from Alexandria to the Island of Malta; from Malta to Gibraltar; from Gibraltar to Caracool near Lisbon; from Lisbon to Portland on the cable station at Land's End, England; from Land's End to Dover Bay, Nova Scotia, and from there to New York. And yet in thirty five minutes actual time after the operator at Manila opened his key the news was at New York.
