STARS AND STRIPES OVER SANTIAGO.

Unconditional Surrender of Gen. Toral. Ten Thousand People See Old Glory Hoisted Over the Palace, Gen. McKibben Temporary Military Governor.

The American Army in Cuba has won another glorious victory, and Santiago de Cuba is now under American rule. Gen. Toral has surrendered to General Shafter, the only condition being that the Spanish troops are to be taken to Spain and not kept as prisoners of war in the United States.

The American flag is floating in triumph over the Governor's palace at Santiago de Cuba. General McKibben has been appointed temporary Military Governor.

The ceremony of hoisting the Stars and Stripes was worth all the blood and treasure it cost. A vast concourse of 10,000 people witnessed the stirring and thrilling scene that will live forever in the minds of all the American people.

Across the plaza was drawn the Ninth Infantry, headed by the Sixth Cavalry Band. In the street facing the palace stood a picked troop of the Second Cavalry, with drawn sabers, under command of Captain Brett.

Massed on the stone flagging, between the band and the line of horsemen, were the brigade commanders of Gen. Shafter's division, with their staffs.

On the red tiled roof of the palace stood Captain McKittick, Lieutenant Milay and Lieutenant Wheeler; immediately above them, upon the flagstaff, the illuminated Spanish arms and the legend "Vive Alfonso XIII."

All about, pressing against the veranda rails, crowding the windows and doors and lining the roofs, were the people of the town, principally women and noncombatants. The chimes of the old cathedral rang out the hour of 12; the infantry and cavalry presented arms. Every American uncovered, and Capt. McKittick hoisted the Stars and Stripes.

As the brilliant folds unfurled in a gentle breeze against a freckless sky, the cavalry band broke into the strains of "The Star Spangled Banner," making the American pulse leap and the American heart thrill with joy. At the same instant the sound of the distant booming of Capt. Capron's battery, firing a salute of twenty-one guns, drifted in.

The ceremony over Gen. Shafter and his staff returned to the American lines, leaving the city in the possession of the municipal authorities, subject to the control of Gen. McKibben.

Amid impressive ceremonies the Spanish troops laid down their arms between the lines of the Spanish and American forces.

General Shafter returned to General Toral the latter's sword after it had been handed to the American commander.

Our troops, lined up at the trenches, were eye witnesses to the ceremony. Gen. Shafter and his escort, accompanied by Gen. Toral, rode through the city, taking formal possession.

The work of loading the Spanish prisoners on transports preparatory to sending them back to Spain will be commenced as soon as ships are provided. The authorities at Washington have been urged to use haste in the matter.

Since the surrender a stream of refugees has been pouring into the city, some naked, and all hungry, skeletons and footsore. Many had fallen by the wayside.

The entrance of the refugee was quiet and peaceful, they viewed their wrecked homes philosophically as the fortune of war. Admiral Sampson's last bombardment of Santiago

wrecked fifty seven houses in the city causing heavy damage.

LATEST NOTES.

The next point of attack will be Porto Rico, and seventy thousand troops will be thrown against the island without delay.

Formal demand of the surrender of Manila has been refused by the Governor General and it is reported that treachery is on foot there and that the insurgent leader has proposed to Augustus that he and his forces unite with the natives in establishing a republic and repelling the American forces bound for the Philippines.

The Monterey will capture the Caroline Islands on her way to Manila.

It is estimated that it will cost this country \$1,125,000 to transport Toral's army to Spain.

When the German cruiser Irene was passing Mariveles off Manila the other day the U. S. Gunboat Hugh McCulloch was sent after her to ask her to stop. The Irene refused to obey and a shell was sent across her bows and a small boat went to discover what she was doing. The German admiral protested and insisted that German ships had a right to enter the harbor without being searched, a claim which Admiral Dewey declined to recognize. Following this and in view of the recent annoyances caused by the German warships at Manila it is reported that Admiral Dewey asked Admiral Deidrichs of the German squadron if he was to understand that Germany was at war with the United States.

The world is beginning to discover what the American navy really is.

HAWAII comes near enough to be counted in as one of the tropics of the great Fourth of July, 1898.

SPAIN'S navy is substantially crushed. All the ships that remain could not last two hours under the fire of American marksmen.

A British ship has been annexing some more islands in the South Pacific. The English language has a future on the other side of the globe.

THE Fourth of July next year promises to be more than ordinarily interesting, especially in Cuba, Hawaii, Porto Rico, the Philippines and the Ladroneas.

It is said that the war costs Spain \$1,000,000 a day. But some days are more expensive than others. A \$15,000,000 fleet was smashed out of existence July 3.

THE government is going to establish a hurricane bureau in Cuba, and if it wishes to indulge its philanthropic tendencies it will add a cyclone cellar for the Spaniards.

THERE does not seem to be any very great rush from the Republican ranks to the support of Hon. George A. Jenks. Even Dr. Swallow seems to be against him. This is not a Democratic year.

CONTINENTAL newspapers are now advising Spain to make peace. They would have shown their friendship for the derelict among nations much more effectively if they had urged her not to go to war at all.

CONGRESS has adjourned, and it was a good Congress, too, and still the people go on in the work of governing themselves. The fact is doubly interesting at this time, when, according to the dispatches, neither the Spanish Government nor the Spanish people themselves are able to govern themselves.

NOR many weeks ago the people of Havana gave a great celebration in honor of the arrival in the harbor of the Vizcaya and the Oquendo. Near the gaily decorated cruisers were the pathetic relics of the Maine. The beach at Santiago shows how well the Maine has been remembered, and the account is not yet satisfied.

THE Kennett Republican enjoys the distinction of being about the only Republican newspaper in the State that wants the Republican voters to bolt the Republican State ticket. "Join the Democrats for a season" is the cry. The Kennett Republican is welcome to its distinction. No one else seems to want it. The Pittsburg Times, Magee, the Bradford Star, the Kane Republican, the Doylestown Intelligencer, the Wilkes-Barre Record, the Warren Mail and Mirror, the Westchester Republican and a dozen other newspapers that apposed Colonel Stone ended their fight at the State convention and are supporting the ticket now. Because they couldn't rule the party they are not trying to ruin it. The number of Republicans that will "join the Democrats for a season" will not be large this season. A Congress year is not a good year in which to go to the party of free silver and free trade.—Phila. Inquirer.

Do American seamen bear charmed lives? One would think so to read the account given by Hobson of the terrible night he and his seven men passed on the deck of the Merrimac, while the Spanish artillery and small arms poured a murderous fire into the bulk. They were exposed to a fire from every side and from above, yet they lay quietly until the vessel sank and then clung to the life raft with their heads just above the water. A bullet nor a fragment of a shell touched them. This reads almost like a fairy story, yet it is true, and if the American seaman does not bear a charmed life, then he was born lucky, which is the next best thing.

Mr. Isaac Horner, proprietor of the Burton House, Burton, W. Va., and one of the most widely known men in the State was cured of rheumatism after three years of suffering. He says: "I have not sufficient command of language to convey any idea of what I suffered, my physicians told me that nothing could be done for me and my friends were fully convinced that nothing but death would relieve me of my suffering. In June, 1894, Mr. Evans, then salesman for the Wheeling Drug Co., recommended Chamberlain's Pain Balm. At this time my foot and limb were swollen to more than double their normal size and it seemed to me my leg would burst, but soon after I began using the Pain Balm the swelling began to decrease, the pain to leave, and now I consider that I am entirely cured. For sale by G. W. Bovard."

Bob Moore, of LaFayette, Ind., says that for constipation he has found DeWitt's Little Early Risers to be perfect. They never gripe. Try them for stomach and liver troubles. Heath & Killmer.

Hundreds of thousands have been induced to try Chamberlain's Cough Remedy by reading what it has done for others, and having tested its merits for themselves are to-day its warmest friends. For sale by G. W. Bovard.

Win your battles against disease by acting promptly. One Minute Cough Cure produces immediate results. When taken early it prevents consumption. And in later stages it furnishes prompt relief. Heath & Killmer.

Do you appreciate good laundry work? If so patronize the Dunkirk Steam Laundry. Miles & Armstrong, agents.

E. C. Blanks, of Lewisville, Texas, writes that one box of DeWitt's Witch Hazel Salve was worth \$50.00 to him. It cured his piles of ten years standing. He advises others to try it. It also cures eczema, skin diseases and obstinate sores. Heath & Killmer.

You can get it at Hopkins' store. If Sick headache, biliousness, constipation and all liver and stomach troubles can be quickly cured by using these famous little pills known as DeWitt's Little Early Risers. They are pleasant to take and never gripe. Heath & Killmer.

The editor of the Evans City, Pa., Globe writes, "One Minute Cough Cure is rightly named. It cured my children after all other remedies failed." It cures coughs, colds and all throat and lung troubles. Heath & Killmer.

Have you got \$25.00? Have you got \$50.00? Have you got \$100.00? If so, why don't you deposit it with the Conewango Building Loan Association of Warren, Pa. They will pay you 7 per cent per annum Cash Dividend, payable semi-annually, and you can withdraw your principal in full at any time after 6 months. 5-5-ly.

"I think DeWitt's Witch Hazel Salve is the finest preparation on the market for piles." So writes John C. Dunn, of Wheeling, W. Va. Try it and you will think the same. It also cures eczema and all skin diseases. Heath & Killmer.

are very effective when used in large rooms. In the average room, a rich design of solid color, with maybe a sprinkling of little figures in contrasting color, is the proper thing. This is not the place where you come in and say, "I've got a room, eight by ten feet and ten feet high. How much wall paper will I need, and how much will it cost?" Before we sell you a wall paper we want to find out several things. It is a more particular way, a better way and in the end a cheaper way.
