LOCAL AND MISCELLANEOUS.

Oil market \$1. You can get it at Hopkins' store. Cash is king at Miles & Armstrong's. See how we humble the mighty dollar at Miles & Armstrong's. Get registered to-day if you want to vote at the November election. Don't take worry with you on your travels; you will find it on tap everywhere.—Ez. We pride ourselves on advertising exactly what we intend to do. Miles & Armstrong. A good house and lot on Elm street for sale cheap. For particulars inquire of P. M. Clark. The gas office and Dr. Hunter's dental office have been brightened up by a new coat of paint. Don't go it blind. Compare our prices with any other store in town. Miles & Armstrong. The Barnett Block is being painted and when finished will make a very decent looking building. New hats, neckwear, collars and cuffs, up-to-date, 10 per cent. off for cash at Miles & Armstrong's. Joseph E. Matt, the piano tuner of Buffalo, N. Y., will be in town in a short time to do piano tuning. Kansas this year produced one bushel of wheat for each man, woman and child in the United States. The Corbett-McCoy scrap will be pulled off at Buffalo on October 14—if nothing happens to prevent. The famous "Bucktail" veterans of the civil war will hold a reunion at Gettysburg on Sept. 9, 10 and 11. The peach season is now in full blast and you should leave your order early with Amisler and get the finest fruit. The Bradford Era predicts that Pennsylvania Republicans will kill two birds with one Stone, this year, and one of the birds is a Swallow. Quite a large crowd of the younger people had a jolly good time at a corn roast on the Kelly farm at Old Town last Friday evening. There is more prose than poetry in the statement that a year of joy fades like the crystal rain, but a day of sorow seems like an age of pain.—Ez. Owing to the fact that Rev. Buzza did not meet his appointment at Cropp Hill last Sabbath he will preach there next Sabbath p. m. at 3 o'clock. Have you seen the fine catalogue that the Clarion Normal puts out this year. If you have not, send for one and read it, noting well the advantages offered. You can be fairly well dressed with a skirt and a necktie," is the laconic way a fashion writer begins an article. We trust it will not become fashionable. Chas. Leech, one of Marienville's hustling business men, has erected a large grain elevator and feed mill and the machinery is now being put in place. Men's clothes made to order, as they should be made, for one-third less than inferior goods are purchased for elsewhere. Coats tried on before finishing. J. G. BROWN, Agent, Tionesta, Pa. Do not be afraid to inform your local paper of any little events at your home. They are just the facts that go toward making a local newspaper interesting and will be always acceptable, if you only sign your name to the communication. Building improvements are still going on. H. M. Foreman is rushing his new dwelling house on May street, and P. M. Clark has built an addition to his office building next to the primary school, which will be occupied as a residence by Mr. Cunningham. P. M. Clark, Esq., has a peach tree next his kitchen door which this year yielded by far the finest fruit that has for many years touched this market. The editor had the pleasure of sampling a few of them the other day, and can vouch for their excellence to the fullest extent. Peaches, pears, plums, in fact anything in the fruit line and in any quantity desired at Amisler's. He always has the biggest stock, the best stock and the lowest prices. Leave your order early for fruit for canning. The season is short and the prices are lowest just now. A two-year-old child of Mr. and Mrs. John Dodge fell through a stovepipe hole in the second floor of their dwelling at Lamona Friday, lighting on a hot cooking stove below. The little one was badly burned, and has since been under the care of C. C. Yingling.—Marienville Express. The Democratic conferees of this judicial district met in Warren on Tuesday, Aug. 30. W. J. Knupp, who received the Democratic nomination from Warren county, declined, and the resignation was accepted. J. W. Landers of this place and W. P. Siggins of West Hickory represented this county at the conference. It was decided by the conference not to place a candidate in nomination, thus leaving the field to Judge Lindsey the Republican candidate, who will be elected by a unanimous vote.

At a meeting of the military company held last Saturday night it was decided to erect a stage in the armory for the company of home talent who are rehearsing the drama entitled "The Cuban Spy." The play will be produced in a short time and indications are that it will be well rendered.

The man who deliberately hitches a horse to a shade tree upon which has been bestowed much time and care by the property owner should be taught a lesson, says an exchange. A shade tree in front of a residence is a much appreciated blessing, and a person with a grain of common sense will not injure it.

Several exchanges note the fact that gunners are getting ready for squirrel shooting. It is all right if they continue getting ready for some time yet, but hunters should bear in mind that the Pennsylvania game laws for 1898 permits the shooting of black, grey or fox squirrels only from October 15 to December 15.

The shingle mill belonging to Collins, Watson & Co. at Golenza was destroyed by fire Saturday night at 12 o'clock. There had been a slight fire on the roof of the mill on Saturday evening and it is supposed that sparks from that had ignited some other part of the building. The loss on the mill and machinery will be about \$1,000, with no insurance.

Progress is the watch-word at the Clarion Normal. Some of the new features of the past year are a new Chemical Laboratory, \$4,000 worth of free textbooks, electric lights, a new system of telephones, iron bedsteads and superior mattresses in all the students' rooms, improved laundry with expert laundress as manager, new typewriters, a business department, etc.

Last Friday while they were threshing on the farm of Henry Sibbe, Newton Zahniser, who was helping with the work, jumped from the scaffold around the machine into what he supposed was a pile of straw, but there was not much straw there and he lit astride one of the wheels of a horse rack. He was very painfully but not seriously injured and is getting along nicely.

The twelfth annual convention of the W. C. T. U. commences at Endeavor this morning. A very interesting program has been prepared and among the speakers is Madame Laylah Barakat, a converted heathen who is making a tour of this country. She will lecture this evening and a large attendance is expected. All are cordially invited.

The East Hickory public school began its session Monday morning last with a good attendance and the following corps of teachers: Prof. E. L. Hays, principal and teacher of room No. 4; Mrs. E. L. Hays, No. 3; Miss Edith Jackson, No. 2; Mrs. Marie F. Henderson, No. 1. This school will soon rank with any in Forest county.

The Tionesta ball team crossed bats with the Fagundus team at Hickory for the third time last Saturday afternoon and our boys "dinged" them again, the score standing 32 to 13. It was a hot day and taking both the weather and the score into consideration it must have been a "hot" game. Let's have some more of 'em, but keep the score down—the "bleachers" can't stand it.

All records for fast drilling were probably broken by the well known drillers, Haslet & Welch, on the well recently finished for the Proper Oil Co., on Little Tionesta. The well was drilled 1,015 feet, cased and the casing removed again in just eight and one-half days. The drillers are justly proud of their achievement, and if anyone can beat this record they want to hear of it.

Here is a straight tip from a newspaper called Brains. It says: "There is but one right way to advertise and that is to hammer your name, your occupation, your business, so thoroughly into the people's heads that if they walk in their sleep they will constantly turn their step toward your store. The newspaper is your friend. It helps to build up the community that supports you."

Sheriff Walker is now the proud possessor of the best pacing horse in Forest county (say he and "Hat" Horner). The Sheriff has "swapped bosses" with Mr. Horner, and while both had good goers the Sheriff had to put up good "boot" in the deal, but he has a beauty now and a steed which he need not be ashamed to take his best girl or anybody else's best girl riding behind. This is not a "tip" to the girls.

T. L. Hill received a very severe cut from glass in the Sheriff's office last Friday. He accidentally fell backward through one of the glass doors of the Forest county banner case receiving a cut in the fleshy part of the right hip that was three inches long and four and one-half inches deep. Dr. Dunn dressed the wound and Mr. Hill is able to move around again. Had the cut been three inches higher it might have proved serious.

A very pleasant affair was the reunion of the Church family held at the home of Nathaniel Brewster on Fleming Hill, on Saturday last, the 3d inst. Quite a number of the family were present and enjoyed a very pleasant time. Dinner—a royal good one—was served in the orchard under the trees. There was nothing of any kind to mar the pleasure of anyone, and all present voted the gathering a complete success. Some friends were present by invitation.

The Derrick's oil report for August shows 47 new wells completed. There are 735 rigs and drilling wells, and the wells completed increased 26; new production, 2,705 barrels; there was a net increase of 63 in New York. In North-western Ohio and Indiana 378 wells were completed in August. The new production was 7,810 barrels, and there were 47 dry holes. At the close of August there were 490 rigs and drilling wells under way, a net decrease of 5 in new operations.

The prospects for a good attendance at Oil City's first annual fair from this section are good. The management has arranged with the railroad officials and a special train will leave Warren in the morning of Thursday and Friday Sept. 15 and 16, returning in the evening of the same days. This will give practically the whole day at the fair, and at such nominal cost that no one can well afford to miss it. The fair will be worth going a long way to see, as our Oil City friends are bound to eclipse all former efforts in the fair line in this part of the State.

Excursion Rates. Only one-half fare will be charged on any of the railroads during the great Oil City Fair.

Egbert Walters Dead.

Egbert B. Walters, son of Mr. and Mrs. Peter Walters, well known residents of West Tionesta, who was injured by being hit on the head with a stone while attending a dance at West Hickory on the night of August 19th, died as a result of his injuries, on Wednesday evening, Aug. 31st, at 9:30, aged about 21 years. Rev. Buzza conducted services at his late home on Friday afternoon at 4 o'clock, after which the body was laid to rest in Riverside cemetery. A wreath of beautiful flowers, the gift of admiring friends, was placed on the casket and borne with the body to its last resting place. Coroner J. W. Morrow empaneled a jury on Thursday, and so far, although upwards of twenty-five witnesses have been examined, all efforts to find out who the guilty party is that threw the stone, causing the unfortunate boy's death, have thus far failed. A post mortem held by Dr. L. D. Bowman on Thursday evening resulted in finding a fracture of the petrous portion of the temporal bone, and an abscess at the base of the brain. The doctor gave it as his opinion that deceased came by his death by reason of injuries caused by being hit on the back of the head with some blunt instrument. The parents of the unfortunate boy, who are thus bereft of one very near and dear to them, have the sympathy of all in their bereavement.

Messrs. George Wagner and Harry R. Wilson, doing business as Wagner & Wilson at Marienville, have sold to the Penn Tanning Company the bark on the 1100 acre Samuel Miller tract they bought last winter at Gilfoyle, and have sold the timber on it to Messrs. Joseph B. Myers, Joseph A. Lutz and Simon Schmader, Jr. who are now putting a mill on it. Wagner & Wilson also have recently bought from Messrs. G. N. Parmlee, C. W. Stone, A. J. Hazeltine and Mrs. Frances Henry, of Warren, Pa., the twenty-two hundred acres of hemlock timber land on Millstone, formerly known as the Reid & McClosky tracts. They have sold all the bark on it also to the Penn Tanning Company. This week they bought from Dickey, Moors and Kelso of Brookville the J. B. Miller tract on Millstone, and will extend their Millstone Valley Railway to it, and will change their circular to a band saw mill and add another shingle mill. This gives them about ten years sawing to do at their present location at an annual cut of six million feet.—Clarion Democrat.

Nebraska Notes.

Fred Klimesiver, who has been ill for about two weeks with typhoid fever, though very weak, is doing as well as can be expected. John Hepler is also sick at his brother-in-law's, Bert Handhold, with the same disease. Meade McCann, a young man employed here during the summer, is seriously ill with the fever at his home near Newmanville.

Mr. F. X. Kreidler has gone to Cincinnati to attend the G. A. R. encampment. For some three years Joshua Thompson and some of his neighbors have been losing cattle by a mysterious disease. During the past week Mr. Thompson has lost 2 good cows. It is thought they ate some poisonous herb, but nothing definite is known as to cause of death.

Mr. and Mrs. Davis have been in Nebraska for the past 10 days taking photographs and groups. They have a tent on the picnic ground on the island and are doing quite a good business.

Owing to illness in this place the public school will not open for two weeks at least. Evered Collins has returned to Washington state. Geo. Silde is clerking in the store here in place of Fred Klimesiver.

Hungarian Row at Kellettsville.

Last Sunday a row occurred in one of the Hungarian boarding houses at Kellettsville which resulted rather disastrously for one of the boarders. He was late for dinner, but when he did come the landlady got up a meal for him, but he was not satisfied with the menu and he roundly abused her by hurling at her all the "pet" names in his vocabulary, both English and Hungarian. The woman retaliated by firing a stone at his head, but woman-like she missed her mark. At this stage of the game the woman's husband took a hand, and, pursuing the tactics of his better half, renewed the bombardment with better success as he landed a "six pounder" on the "conning tower" of the enemy and the battle ended. The enemy is in a critical condition and Drs. Detar and Bowman on Monday removed a piece of his skull two by two and one-half inches in size. At last accounts he was doing as well as could be expected.

Tribute to the Late Hon. J. B. Agnew.

At the afternoon session of the Court on Saturday the 3d inst. P. M. Clark, Esq., chairman of the committee on resolutions on the death of Hon. J. B. Agnew, reported the same to the court. After presenting them he paid a feeling tribute to the memory of his deceased friend and law partner. He was followed by Hon. O. C. Allen, S. D. Irwin, Esq., and Judge Linesey in the order named. All of whom spoke of the virtues of the deceased, and lamented his departure from our midst, reciting their pleasant memories of his useful life. The court directed that the resolutions be entered on the minutes of the court at length, and a copy be presented to the family, after which court adjourned to meet again the 3d Tuesday of Oct. next.

RESOLUTIONS.

WHEREAS—Death has once more entered our ranks and taken from our number another of our fellows. Therefore be it Resolved: That in the sudden and unexpected death of Hon. J. B. Agnew we recognize again the uncertainty of life.

That while we bow in submission to the Divine will, it is with the deep feeling that in his death each of us has suffered a personal loss.

That in the deceased, our fellow member, we can truly say we found those rare qualities which constitute the true friend, and though gone from us, he will yet be of us, in loving remembrance.

That our hearty sympathy is extended to his bereaved wife and family.

P. M. CLARK, S. D. IRWIN, T. F. RITCHEY, Committee.

We further report we find the road leading from Tionesta creek to Guitonville and Nebraska, in Green township, to be in bad condition, and recommend that it be repaired.

W. J. HUNTER, Foreman.
