NOW IT'S A NATIONAL ISSUE.

Campaign literature under the "frank" of National Democratic Chairman, Senator Jones, is being mailed all over this State, and is being distributed in this county. If this is not a campaign of national issues why does the National Democratic Committee take a hand in it? Let us Republican be hoodwinked by the wiles of the Democracy. The arch enemy is trying to sneak in under the canvas. Don't be caught napping, but get out and vote the ticket straight from Col. Stone down.

GET OUT the vote.

KEEP in mind that next Tuesday is the day of all days for the Republicans to get out, and do their duty.

The Republican ticket is going to win by handsome majorities all round. Keep this in mind. Get out the vote.

REPUBLICANS, do your duty next Tuesday, and then be on hand when the shouting begins. It's coming our way by a large majority.

COL. STONE will have a clean hundred thousand plurality in Pennsylvania. Get out and vote and share in the glory of a magnificent victory.

REPUBLICANS will not stay at home next Tuesday. Lies and slanders will not win in this campaign and the whole Republican ticket will land with good majorities.

MAJOR BROWN, the gallant veteran, will go to the State Senate from this district if the Republicans do their duty. He is forging to the front at a great rate, and will come in a winner. Get out the vote.

VOTE the straight Republican ticket, as follows: Stone, Gobin, Latta, William W. Porter, William D. Porter, Grow, Davenport, Arnold, Brown, Towler, Lindsey, Henry. And you will feel better after having done so.

HALL and his friends are offering to trade any part of the Democratic ticket for a vote for Hall. This is the same old gag, and won't catch any honest voter. The entire Republican ticket is going to be elected. Don't trade.

THERE are no State issues that the Republican party cannot handle much better than the Democratic party, and there are no National issues that the Democratic party can handle at all without bringing bankruptcy in its train.

BOODLE will not elect Hall to Congress. The people of this district are not of the purchasable kind. Congressman Arnold has made a most brilliant record and the people are not going to turn him down simply because his opponent has great wealth.

MR. JENKS captured Philadelphia last Tuesday evening, shouts a Democratic exchange. Col. Stone will capture the staid old city next Tuesday evening by about 100,000 majority. The Democrats, like the average "pot hunter," always do their "capturing" before the season is open.

LET no Republican absent himself from the polls next Tuesday. Make every vote count. The traiducers of the party should be taught a lesson for their treachery, and given to understand that Republicans are united against their wily old Democratic enemy, whose cloven hoof is plainly visible in all these slanders.

THE Hall blatherskites of this district are still circulating the exploded lie that there is a Republican paper in Elk county supporting that candidate for congress. The paper referred to is the rankest of Bourbon sheets; never made any pretention toward Republicanism, and is controlled, body and breeches by the Hall ring. On the principal that a true, they will likely keep it up till Hall is politically wiped off the earth, which will be on the 8th inst. Money won't buy this district, and outside of Elk county, coercion and bulldozing don't go.

MAJOR J. Z. BROWN. Republican Nominee and Next State Senator From This District.

HALL's paid agents are sneaking through the district attempting to sow seeds of discord, and telling at the same time what good Republicans they have always been. The "thing" who will lend himself to such dirty work is not a Republican; no, not even a decent magwump. Give him the run wherever you meet him.

DISAPPOINTED office-seekers, who are traveling over the county telling what good Republicans they have been and asking you to join them in knifing the party should be given the run wherever they stick up their nose. Give them to understand that the party of Lincoln, Grant, Garfield and the great hearted McKimley has no use for rnegades.

THE Democratic leaders all over the district are said to have plenty of Hall money, and it is just likely they'll hold onto it. Money won't buy the 25th district. It will give Mr. Arnold, the champion of the laborer and pensioner, a larger majority than ever. Hall and his methods are booked for a sound thrashing by the honest voters. Get out the vote.

J. K. P. HALL may be able to get a majority of the votes in little Elk—his own county and the county he owns, but outside of that, where nobody has a string to the voters, Hon. W. C. Arnold will beat him out of sight. We cannot afford to give President McKimley a Congress whose chief ambition would be to embarrass the administration.—Clarion Rep. Gazette.

SAMUEL HENRY is one of the clean-handed, capable and honorable candidates on the Republican ticket this fall. Mr. Henry will make a most efficient, obliging and careful County Treasurer, who will be the same after election as he was before, courteous and pleasant to all. Sam is the right man for the place. Give him your support and you will never have occasion to regret it.

LET every voter remember on election day that the Democrats opposed the issuing of interest-bearing bonds to prosecute the war.—Clarion Democrat.

But let every voter remember that it was the Democratic party which issued \$22,000,000 interest-bearing bonds in time of peace, and then vote to keep the reins of government in the hands of the party which has never made such a consummate ass of itself.

'TWOULD be laughable if it were not so ridiculous to hear how friendly are candidates George A. Jenks and James K. Polk Hall to the pensioners these days. Where were these great patriots when the old soldier was earning his pension? and where were their sympathies then? Better trust these matters in the hands of those who have always shown their friendliness to the veteran and not to those who have never shown anything but scorn for the veteran except about election time.

DR. TOWLER has an excellent record to his credit as a legislator. None better. In every sense he is a moral, upright, and honorable citizen, who stands highest in the estimation of the people where best known. Hundreds will testify to his liberality to the needy poor, to whom he has given thousands of dollars worth of medical attention without receiving or even asking or expecting pay. Dr. Towler has been a large employer of labor during his residence in this county, having at one time been largely engaged in the lumbering business. Not one of the men that ever worked for him will now go back on him. This shows what they think of him as a friend of the laborer. A vote for him is a vote for an intelligent, careful, and conscientious representative in the legislature; one who can and will take a leading part in all matters that come before the House.
