

IT IS GOVERNOR STONE NOW.

Col. Wm. A. Stone was inducted into the office of Governor of Pennsylvania yesterday with all the dignity and ceremony befitting the occasion.

Senator Quay Confident of Re-Election.

HARRISBURG, Jan. 17.—There was a showing of hands in the contest for State Senator today and Senator Quay came to the front with the number claimed for him by his friends, 112, or a gain of three over the vote he received in caucus.

In the House there were four absentees, three Democrats who are said to be ill, and one Republican, Harold of Beaver, who went into caucus and voted for Quay and has since grown weak-kneed and does not know how he will vote.

Senator Quay is quoted as elated over the outlook. He regards the scattering of votes of his opponents as evidence that they cannot agree upon a candidate and must eventually come to him.

WHEN the Spanish peace commission made a request for arbitration Judge Day's reply was: "Arbitration comes before war to avert its evils; not after war to escape its results."

ADMIRAL DEWEY's two brothers and his nephew at Montpelier can affirm the statement that he is a Republican. The Admiral himself said so in an interview published in former years.

Divorce Notice.

It is said that Admiral Dewey is anxious to come home from Manila for a little rest. He has had an arduous task on his hands and now that peace has been declared and the situation in the Philippines is improving, it is possible that he could be spared from his post.

THE death of Congressman Nelson Dingley at his Washington home on Friday night last removes one of America's most notable public men. As chairman of the Ways and Means Committee of the House, the now famous tariff law passed at the extra session of Congress in the Summer of '97 was in his charge, and became known throughout the world as the "Dingley Bill."

good boiler and engine, new belts, pulleys, etc. A brand new planer, can do all kinds of work on it. Also a good team of horses, weight thirty-one hundred (3100). This above will be sold cheap. For further information call on or address, C. J. GROLL, St. Marys, Pa.

An exchange remarks with more truth than fiction that an editor who can read, write and argue politics, and at the same time be religious, funny, scientific and historical at will, write to please everybody, know everything without asking or being told, always have something good to say about everybody else, live on wind and make more money than enemies—for such a man a good opening will be made—in a graveyard.

Horrible agony is caused by piles, burns and skin diseases. These are immediately relieved and quickly cured by DeWitt's Witch Hazel Salve. Beware of worthless imitations. Head & Killmer.

Hopkins sells the clothing and shoes. Mr. S. A. Facker, editor of the Micanopy (Fla.) Hustler, with his wife and children, suffered terribly from a gripple. One Minute Cough Cure was the only remedy that helped them. It acted quickly. Thousands of others use this remedy as a specific for the gripple, and its exhausting after effects. Head & Killmer.

To insure a happy new year, keep the liver clear and the body vigorous by using DeWitt's Little Early Risers, the famous little pills for constipation and liver troubles. Head & Killmer.

These are dangerous times for the health. Croup, colds, and sore throat troubles lead rapidly to consumption. A small bottle of One Minute Cough Cure used at the right time will preserve life, health and a large amount of money. Head & Killmer.

La Grippe Successfully Treated. "I have just recovered from the second attack of the gripple this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexico, Texas. "In the latter case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days against ten days for the former attack. The second attack would have been equally as bad as the first had it not been for the remedy. I had to go to bed in about six hours after having been 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down.'" For sale by all druggists.

You can get it at Hopkins' store. If the smallest things may exert the greatest influence, DeWitt's Little Early Risers are unequalled for promoting constipation and liver troubles. Head & Killmer.

Paul Perry of Columbus, Ga., suffered agony for thirty years, and then cured his piles by using DeWitt's Witch Hazel Salve. It heals injuries and skin diseases like magic. Head & Killmer.

La Grippe is again epidemic. Every precaution should be taken to avoid it. Its specific cure is One Minute Cough Cure. A. J. Siewper, publisher Agricultural Journal and Farmer, Remedy, Mo., says: "No one will be disappointed in using One Minute Cough Cure for the gripple." Pleasant to take, quick to act. Head & Killmer.

Coughing injures and inflames sore lungs. One Minute Cough Cure loosens the cold, always coughing and heals quickly. The best cough cure for children. Head & Killmer.

How to Prevent Pneumonia. You are perhaps aware that pneumonia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, I was observed that the attack was never followed by that disease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or la grippe to result in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Every bottle warranted. For sale by all druggists.
