F. Walters & Co.'s Easter Opening.

In spite of the inclement weather a large number of ladies braved the storms of Friday and Saturday to attend this always interesting event. When this popular firm undertakes anything in this line it is thoroughly done, every detail is carefully looked after and not the slightest point that would in any manner add to the attractiveness of the store is mitted, and on this occasion we believe the store never presented a more pleas-ing appearance, the decorations being elaborate and beautiful. The display of trimmed hats was a treat which the ladies all appreciated, judging from the excia-mations of admiration as one creation after another was presented for inspec-tion. The ladies of the firm have far surpassed themselves in the millinery line this year and as the writer was shown
