THERE is an act in force in Western Australia prohibiting the landing of anyone who cannot write out a given passage in English. That act closes the doors of Australia against a large and hard-working contingent of reporters and editors in this part of the United States. In this country we are far more liberal, even to BRYAN thinks the government should the point of admitting foreigners to citizenship. We recall that in a naturaliza-This implies that trusts are all right, but tion court Judge Olmstead, of this State, asked a foreign applicant, "Who makes the laws?" and the fellow answered, 'William McKinley." To another seeker after the right to vote he put the question; "What does the President have to do with the bills sent to him by Congress?" After studying the matter over for a moment the man replied: "Pay them like any other honest man." Both applicants received the papers that qualified them to pass upon all national issues in America. -- Venango Spectator.

> THE Philadelphia Ledger, which has been opposed to Senator Quay's re-election praises in unstinted terms the ticket named by the Republican State Convention, and in speaking of the nomination of the gallant Lieut-Colonel Barnett for State Treasurer says:

When the Democrats begin their proposed investigation of the trusts of the country, will they demand information as to the amount which the silver trust has paid in behalf of Mr. Bryan during the last four years?

"Lieutenant-Colonel Barnett has proved himself a patriotic citizen and a gallant soldier, and before the opportunity to do so was afforded him he similarly proved himself to be a man of excellent repute, who was and is well esteemed by the neighbors among whom the last four years?

"Lieutenant-Colonel Barnett has proved to said P. A. Swangallant soldier, and before the opportunity to do so was afforded him he similarly proved himself to be a man of excellent repute, who was and is well esteemed by the neighbors among whom the last four years? administer the affairs of the Treasury in administer the affairs of the Treasury in such a manner as to achieve the best result of C. W. Amsler. sults to the advantages of the Commonwealth. * * * The probability is that in the Treasury as he has been ont of it, native republic at this time is a foolish he will continue a stalwart politician and partisan, although his personal character is above reproach and his competency unquestioned.'

THE close observer of oleaginous events must have noted that the two-barrel well from the Philippines?" The spirit of is no longer the poor, despised thing of a than a dry hole, but now all this has changed, and the search for the well of only two or three barrels capacity is as eager as was the hunt for those of as many hundred barrels' producing ability the first seven months of the present in the earlier days of the business. Even of the first year of the Wilson law they away from the territory of this class. were \$110,289,946, or about half a million They evidently need the oil in their business. As a result of this state of affairs scores of wells are now being drilled in THE Democrats of Ohio have nomina- territory which not so very long ago ted John R. McKean for Goveanor. This | was looked upon as worthless for oil purposes, and as there is an abundance of it comes to him at a time when there is no tends to increase the business activity in more chance of his election than there is this section. This all goes to advance town down,-Blizzard,

A Volume of Tariff Argument.

When the disastrous Gorman-Wilson tariff was enacted, in 1894, one of the claims which its sponsors set up in its behalf was that its reduced duties would will brighten the glorious record of American valor."—President McKinley on American soldiers in the Philippines, Pittsburg, August 28, 1899.

"improve the quality" of the clothing of the American people. As a matter of fact, as the trade statistics show, it had exactly the opposite effect. Instead of the property of the clothing of the property of the clothing of the matter of fact, as the trade statistics show, it had exactly the opposite effect. Instead of the property of the clothing of the property o THE distress of the fault-finders over the alleged shortage of revenue and their assertion that there will probably be which high duties had kent out.

improving the clothing of the people, it degraded it by admitting great quantities of cheap and worthless foreign fabrics assertion that there will probably be which high duties had kent out. improving the clothing of the people, it assertion that there will probably be need for another public loan to carry on the war will be materially modified by the discovery that the receips of Governor the discovery the discovery that the receips of Governor the discovery the discove which high duties had kept out, and by 1800. on the war will be materially modified by use of firmsy substitutes of the discovery that the receips of Governor the discovery that the receips of Governor twenty-fold multiplication of our imports twenty-fold multiplication of our imports 4. H. J. Jennings, Committee of D. Langings, vs. W. J. Bloom-\$3,000,000 in excess of expenditures and of foreign shoddy was one of the first tanthat during the first two months of the fis- gible consequences of "tariff reform"cal year the receipts were only about \$5, and the Gorman-Wilson law rightfully goes down to history as the "shoddy tarthe fact that July expenditures are above iff." But it is significant that the re-establishment of protection in the Dingley the receipts are now averaging more than law has put a quick stop to these huge H. S. Goble, No. 10, May Term, 1899. purchases of foreign shoddy. In 1897, the much desired by the opponents of the last year of Gorman-Wilsonism, our imports of foreign shoddy, rags, etc., vere 49,913,732 pounds. In 1898 our purchases of these articles fell to 3,298,751 bounds, "PEACE brought us the Philippines by and in 1899 they fell to the mere nominal mount of 314,540 pounds. There is a States ratified the treaty. Every step whole volume of tariff argument in these

PROCLAMATION.

WHEREAS, The Hon. W. M. Lindsey, President Judge of the Court of Common Pleas and Quarter Sessions in and for the county of Forest, has issued his pre-cept for holding a Court of Common Pleas, Quarter Sessions of the Peace, Orphans' Court, Oyer and Terminer and General poses, and as there is an abundance of it in this vicinity, its further development tends to increase the business activity in this section. This all goes to advance the material inierests of Oil City. It would not be at all surprising if some of these seekers for small wells in Venango County should stumble upon a rich pool, in which much larger ones, were obtain, in which much larger ones were obtain. in which much larger ones were obtainable. And then there would be a circus. But in any event the revival in producing operations in this latitude helps business wonderfully. You can't keep a good town down.—Blizzard. against them as shall be just. Given under my hand and seal this 28th day of August, A. D. 1890.
FRANK P. WALKER, [L.S.] Sheriff.
