True Clothing Economy

Is the buying of good clothes. It pays in the better service you get and in the satisfaction of wearing them. Some people never learn this and they do not trade here. We commenced building this business from the bottom up, according to our best notions and ideas. We supplied your wants well and the business grew. We have now the best clothing store in Oil City, or the county for that matter-and when we say best we mean exactly what we say-best store-best stock. You have made us this because our goods are attractive and really and truly low priced. There is nothing mysterious about our growth.

OUR NEW FALL CLOTHING

For men and boys is making its appearance. Every detail has been looked into, every stitch examined, and we are ready for you. We waste no time and waste no opportunity. Our proposition to you is, clothing to you at less than elsewhere It adds power to this business and makes money for
