HAPPY HOME Without doubt the desire, to have Carpets. Furniture,

a Happy Home is one of the desrest wishes of every human heart, especially in this free America, which is proverbialy a Land of Homes. The first requisite for a Happy Home is Love and Affection, for without these a gilded palace is but a prison cell to aching hearts stary ing for human sympathy and love. The next great desideratum is t make the home (however humble it may be) as C mfortable as possible. In these days of low priced household goods, it is compara ively an
