Three Doctors in Consultation. From Benjamin Franklin. "When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best to be chosen in the second place; what reason (i. e. theory) says is best is to be chosen in the last place. But if you can get Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. A HAPPY HOME.

Without doubt the desire to have a Happy Home is one of the dearest wishes of every human heart, especially in this free America, which is proverbially a Land of Homes. The first requisite for a Happy Home is Love and Affection, for without these a gilded palace is but a prison cell to aching hearts starved for human sympathy and love. The next great desideratum is to make the home (however humble it may be) as comfortable as possible. In these days of low priced household goods, it is comparatively an easy thing to have A WELL FURNISHED HOUSE, even for the man whose daily wages are small. It only needs a well directed effort. To make this effort still easier, the system of selling goods on the EASY PAYMENT PLAN has within a few years been inaugurated, and has proved a blessing to many thousands of families.

What is the EASY PAYMENT PLAN?

1st. It enables people of small means to procure those needed articles which they could not get if Required to Pay Cash Down. 2d. It gives the use of the articles While you are Paying for Them. 3d. It Leads to Habits of Economy, for knowing that you have certain payments to meet at a certain time, you are more disposed to deny yourselves of some unnecessary expenditures in order to meet these payments promptly.

And What is there that gives more solid, every day comfort and happiness than a well furnished house? And now one word in conclusion, I want it distinctly understood that my prices for goods on the easy payment plan are fully as low as you would have to pay cash down at other stores.

Look over the catalogue of goods for sale at my Mammoth Store, and you will see that it contains Everything Essential to Comfortable Housekeeping. It is my intention to keep on hand a full assortment of every article which a housekeeper may need. My stock is indeed enormous.

At my store you may always rest assured that you will receive kind and polite attention and every accommodation that it is in my power to give. LET ME KNOW BY LETTER IF YOU NEED SOME GOODS, AND MY AGENT WILL CALL ON YOU. I remain, very truly yours

PROPRIETOR OF HALL'S MAMMOTH FURNITURE AND HOUSE-FURNISHING ESTABLISHMENT, TITUSVILLE, Pa.
