The outlook in Cape Colony is dark for the British. That General Gatacre has no easy task is proved by the latest dispatches from Queenstown and elsewhere showing that the majority of the population on the frontier have openly declared themselves on the side of the Boers. NEW NAVAL STATION.

Admiral Dewey Favors Establishing One Near Manila.

WASHINGTON, Nov. 28 .- Admiral Dewey called at the navy department in response to a request from Secretary Long to discuss the question of establishing a naval station at Cavite or other points near Manila. Such a station is now in operation at Cavite, but it is foreseen that the requirements of the navy may be much greater than those which are temporarily attended to at Cavite.

The admiral brought with him portions of his report to be incorporated in the full report of a permanent naval station for the Philippines and recommends Subig bay, about 60 miles from Manila, as preferable to Cavite. as there is a fine harbor, ample depth of water and many natural advantages for making this a strong naval estabishment.

While Admiral Dewey's view will doubtless prevail when a permanent station is established, this will be for congress to deal with and the present purpose is to utilize the Cavite station for the current work on the warships. Rear Admiral Gillis' name has been mentioned as commandant of the Cavite station. He was at the department and conferred with Secretary Long on the subject, but the impression prevails that one of the young officers will be chosen,

NEW YORK, Nov. 27.-William F. Miller and his secretary and chief boomer, Cecil Leslie of the Franklin syndicate, the 10 per cent a week concern of 144 Floyd street, Brooklyn, have not yet been arrested.

The extensive operations of the Franklin syndicate and the exhaustless credulity of the American people are shown by the number of dividend drafts which are held by the different city banks.

These drafts were sent through the mails by Miller to subscribers living at distant points, and they deposited them in their local banks for collection. The local banks in turn sent them to the New York banks, which act as their agents here

Governor Names a Successor to Judge

Mestrezat. HARRISBURG, Nov. 24.-Samuel E. Ewing, of Uniontown, has been appointed by Governor Stone to the vacancy on the Fayette county bench created by the resignation of Supreme Judge-elect Mestrezat and the promotion of Judge Reppert as president judge. The appointment takes effect immediately and expires the first Monday of next January, when Judge-elect Robert E. Umbel assumes the duties

of additional law judge. Judge Ewing is a brother of ex-Judge Nathaniel E. Ewing, the Republican candidate who was defeated at the recent election by Judge Umbel and who threatened to contest the seat of his successful competitor. No reason is assigned by the governor for appointing Ewing to this vacancy, when Judge Umbel holds a certificate of election from the executive beginning the first Monday of next January and running for the full term of ten years. For months he trav eled over the country, being accorded the honors of a hero. When his leave of absence was ended Anthony was promoted to be a sergeant of marines and was detailed at the Brooklyn navy yard. Soon afterwards he was married. In one of Anthony's coat pockets was found a letter written by him to his aunt, which read that he was discouraged and disconsolate and was going to end it ail.
