LONDON, Jan. 16.—A dispatch to The Daily Mail, dated Saturday, Jan. 13, from Lourenzo Marques, said:

DURBAN, Friday, Jan. 12.—The entire absence of news from Chieveley or Frence Camp continues, but there is a persistent rumor here that Ladysmith has been relieved.

LONDON, Jan. 15.—A dispatch to The Daily Mail, dated January 12, from Frenzenburg, said:
"Sir Charles Warren marched with 11,000 men eastward from Frence by way of Weenen. His scouts found no sign of the enemy at Grobler's kloof and

Colons was ascertained to be deserts.
"Here are rumors that the Boers are preparing to leave Natal, discouraged by their failure to reduce Ladysmith. All the Colonials and irregulars have been placed under General Warren's command.

"Among the Free Staters killed in the attack on Ladysmith on Jan. 6 was Commandant De Villiers, who, but for his well-known friendliness for England, would have been commander-in-chief of the Free State forces."

TO FIGHT BULLER'S MEN.

BOER HEADQUARTERS AT COLENSO, Thursday, Jan. 11.—Via Pretoria Via Lourenzo Marques, Friday, Jan. 12.—Everything points to a great battle within the next few days.

LADYSMITH, Friday, Jan. 12.—(By telegraph)—The besiegers have been quiet for two days, but can be seen in active movement on the distant hills.

We have perceived two small bodies galloping with two machine guns. The Boer heavy piece on Bulwana hill has not been fired for two days. More Boer dead have been found at the base of Caesar's camp.

Peyton Pleads For Money to Help Religious Work in Philippines.

DETROIT, Jan. 15.—Sergeant John Howe Peyton, who spent several months in the Philippines as the authorized agent of the Protestant Episcopal church, and of the Brotherhood of St. Andrew, addressed two large audiences in Detroit churches.

The speaker reiterated his denial of radical statements attributed to him as to the alleged excess of evil influences in Manila, but he made an urgent plea for financial aid for the work of improving the religious opportunities of the soldiers, while fighting the battles of the republic, are, he said, practically outside of moral influences, aside from military restraint.

AGRICULTURAL EXPORTS.

Great Britain, Germany and France Took Nearly 75 Per Cent of Total Amount.

WASHINGTON, Jan. 15.—Mr. Frank H. Hitchcock, chief of the foreign markets division of the agricultural department, has prepared an interesting collation of figures showing the respective amounts of our agricultural exports which go to the several countries of Europe and of the other continents. The period covered is 1894 to 1898. The statement shows that the agricultural products exported from the United States during the five years had an average value of \$693,530,301. Of these enormous exports, about 60 per cent found a market in the United Kingdom and its various dependencies.

The sum paid by the British people for the American farm produce purchased during the period mentioned reached as high as \$403,953,854 a year. Great Britain alone took more than one-half of all our agricultural exports, the consignments credited to that country forming about 55 per cent of the total shipments, and having an average annual value of \$392,407,701.

Germany, which ranks next to the United Kingdom as a market for the products of American agriculture, received about 13 per cent of the exports for 1894-1898, the average yearly value amounting to \$86,330,374.

France, with purchases that averaged \$43,988,790 a year, or about 6.3 per cent of the total, was the third country in importance. These three countries and the United Kingdom, Germany and France—received together nearly 75 per cent of the total agricultural exports.

After the three countries just mentioned, the Netherlands, Belgium, Canada, Italy and Spain afforded the most important markets.

WILL MAKE PRISONERS SUICIDE.

Threats of Boers if Food Embargo Is Not Lifted.

PRETORIA, Thursday, Jan. 11, via Lourenzo Marques.—President Kruger, in the course of a stirring address just issued to the Burgers affirms that Providence is on their side, that their cause is just and that they must succeed.

Reports from Coloberg represent the position there as favorable to the Republicans, but that the British are concentrating for operations on a large scale.

The official list of the Boer casualties in what is called the "Plat-Rand fight," on Saturday, Jan. 6 (the attack upon Ladysmith), shows 26 killed and 77 wounded. These figures are described as the "first return."

The embargo at Delagoa bay upon Transvaal imports is the question of the hour with the Burgers. If this is not removed it is asserted that steps will be taken prejudicial to prisoners and aliens.

INTERESTED IN NEGRO CAUSE.

Prominent Persons on Stage When Booker T. Washington Spoke.

CHICAGO, Jan. 15.—Hundreds of colored people of Chicago crowded into Bethel church to hear Booker T. Washington discuss the movement for a new fraternal insurance organization for colored people. Among those seated on the rostrum were the Rev. Jenkin Lloyd Jones, Rabbi Emil G. Hirsch, State Attorney Charles H. Deussen, Judge C. C. Kohlsaat, Judge Orrin C. Carter, Judge Richard Tathill, Hon. Patrick H. O'Donnell, and Miss Jane Adams.

Prof. Washington said in part: "A few days ago I was asked by a gentleman in the north in what manner could the negroes' interests in the south be protected. My answer was: 'Assist us in making the negro the most useful man in his community; usefulness will constitute our almost lasting and potent protection whether we live in the north or the south.'"

MINERS' NATIONAL CONVENTION.

INDIANAPOLIS, Jan. 15.—Nearly 500 delegates to the national convention of the United Mine Workers of America arrived for the opening today, and another hundred were expected on the early train.

The larger delegations here were: Ohio, 80; Pennsylvania, 15; Illinois, 130; Kentucky, 15; Iowa, 10; West Virginia, 20; Indiana, 60.

The convention represents 100,000 workmen in 37 states. Most of the delegates come instructed to demand an advance in the scale, but there is some difference as to how much will be demanded.

M'GIFPERT CASE.

HERESY CHAR'ES BEFORE NEW YORK PRESBYTERY.

They Were Brought by the Stated Clerk, Rev. Birch—The Accused Clerk to Appear for Trial at the Next Meeting of the Presbytery.

NEW YORK, Jan. 16.—The presbytery of New York listened to the formal charges of heresy made against Rev. Dr. Arthur C. M'Giffert, by the stated clerk, Rev. G. W. F. Birch, and thereupon cited Dr. M'Giffert to appear before it at the next meeting of the presbytery to be held on Feb. 12 and plead.

The charges brought by the stated clerk aver that Dr. M'Giffert being a minister of the Presbyterian church in the United States of America, and a member of the presbytery of New York, publicly denies the fundamental doctrines of the immediate inspiration by God, and the truthfulness and authority of the Holy Scripture, as set forth in the confession of faith and the Scripture itself; that said Dr. M'Giffert, in his book entitled "A History of Christianity in the Apostolic Age," denies the immediate inspiration by God and the infallible authority of Holy Scripture by discrediting or contradicting statements of its writings; by teaching that the authors of Holy Scripture contradict each other, or that Scripture contradicts Scripture, and by denying the genuineness, truthfulness and authority of portions of the Gospel according to John, and the discourses of O. F. Lord as they are contained in said Gospel.

After Dr. M'Giffert has been heard the presbytery, sitting as a court, may dismiss the charges. Whatever action they may take may be appealed from to the higher courts of the church.

It was said that Dr. Birch, by insisting on his charges, had offended many of his supporters in the presbytery, and that his clerkship might be taken from him at the annual meeting.

BOSTON, Jan. 16.—The chamber of commerce marine department believes the steamer wrecked at St. Mary's bay, N. F., with loss of life, was the Parana (Norwegian), Captain Henriksen, Baltimore, Jan. 5, for Sydney, C. B., and which passed Highland light Jan. 8. Captain Henriksen had his wife with him.

ST. LOUIS, Jan. 16.—Judge Thayer rendered a decision in the case of John P. Reese, a member of the executive committee of the United Mine Workers of America, who is now in jail at Fort Scott, Kan., for contempt of court, ordering his release.

SAID HOAR CAUSED REBELLION.

Barrett Declared a Speech by Him Was Labeled to Lincoln.

CHICAGO, Jan. 15.—John Barrett, ex-United States minister to Spain, for the first time publicly named Senator Hoar, at Lake Forest university, as the United States senator whose anti-expansion speech was cited to Hoangkong and subsequently put in the hands of the Filipino patriots, causing, as Mr. Barrett believed, the open insurrection.

It appears further from the ex-minister's speech that the government has discovered privately the stages by which
