WEDNESDAY, JANUARY, 24.

There are some things like drugs that you can get better and cheaper at a drug store than anywhere else. One of them is soap-we mean toilet soap, of course.

Do you remember the old original white castile so p that used to strike terror to our youthful hearts when Saturday evening came round, marking the time for the weekly "scrub." We've got that kind (the oldest and best castile) at 20c per lb-6 1 or 3 1-lb cakes for 25c.

A dozen different kinds of good toilet and bath soaps at 5 and 10 cents a cake.

Packers, Cuticura and other special purpose soaps-a full line.

Williams' famous Yankee Shaving Soaps-mug soap and shaving stick. The shaving stick, by the way makes shaving a pleasure, to those who are their own barbers.

Pear's-the kind Henry Ward Beecher used-unscented 15c, the scented costs 20c.

Those who know and want the highest priced sosps, can get White Rose Glycerine No. 4711, Cashmere Bo-

quet and Rogers & Gallets soaps. There are no better.
