

Republican County Committee Meeting.

The members of the Republican Committee of Forest County are requested to meet at the Sheriff's office, Tionesta, on Monday evening, February 25, 1900, (court week), at 7:30 o'clock.

F. P. WALKER, Chairman. J. T. DALE, Secretary.

THERE are 10,345,152 American citizens eligible for military duty, and Mr. Bull wishes he was Uncle Sam when he thinks of the Boer problem.

It is time to clear away the mist that has enveloped the Clayton-Bulwer treaty for more than a generation.

EVERY soldier who has reached the age of 62 years is entitled to the minimum pension of \$6, whether he is disabled or not, and every soldier who has reached the age of 75 is entitled to the maximum pension under the law which is \$12 a month, says an exchange.

THE canal question is simply whether the United States is big enough and brave enough to trust its own ability to meet any emergency that may rise in the future, or whether it prefers to refuse to pluck unless it is allowed to line the canal with fortresses and look askance at all the nations of the world.

THE January exports were the largest shown by any January in the history of our foreign commerce—amounting to \$17,620,580. And yet this happened under the protective Dingley law, which was branded by Democratic orators as one which must injure the foreign trade of the United States by reason of the fact that it was intended to exclude foreign products coming into competition with those of the United States.

IN its official report the Philippine Commission has outlined a territorial form of government similar to that proposed and adopted by Jefferson for Louisiana, and the Commission quotes from the words of Jefferson on the subject.

THE silver Democrats in the House are greatly disgusted over Sibley's recent stand for prosperity. The Pennsylvania Statesman was a tower of strength in the Democratic camp during the 1896 campaign, consequently his present turnabout is keenly felt by his erstwhile colleagues.

IT is a significant fact that nobody thought it worth while to mention that the gold reserve in the treasury in the past few weeks was going downward, and that it had dropped more than \$20,000,000 below its previous high water mark.

STATE TREASURER BEACON has completed the distribution of the school appropriation for the current fiscal year, ending May 31 next. This is the first time the school districts have been paid before March 1 since the appropriation was increased to \$5,500,000.

THEY are always making wonderful medical discoveries in Paris. Lately they have been running to serums, and the very newest of these is one that will cure the cocktail habit and cause a man to suddenly cease to look upon the whisky while it is red or any other color.

Ex-Consul Macrum's Statement.

Ex-Consul Macrum's effort to pose as a martyr at the hands of the state department will not prove successful unless he has some better basis upon which to rest his claims for sympathy than his statement given to the public.

Here via a man assigned to a position in the consular service which suddenly became of the utmost importance through circumstances quite unforeseen at the time of the appointment.

Mr. Macrum left for the United States at once upon receipt of Secretary Hay's message and in due time arrived in Washington.

One effect of Mr. Macrum's statement will be to furnish the Democratic party with a little cheap campaign material, and it is plain to be seen from the resolutions introduced by Representative Wheeler of Kentucky that the opportunity to make the most of the incident will not be permitted to go unaccepted.

It would seem this man Macrum, when the war broke out, was in somewhat the same state of mind of the fellow who had enlisted for the war of the rebellion.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they do is ten fold in the long run.

"I had bronchitis every winter for years and no medicine gave me any relief until I began to take One Minute Cure. I know it is the best cough medicine made," says J. Koontz, Cory, Pa.

An Editor's Life Saved by Chamberlain's Cough Remedy.

During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state.

"I had dyspepsia for years. No medicine was so effective as Kodol Dyspepsia Cure. It gave immediate relief. Two bottles produced marvelous results," writes L. H. Warren, Albany, Wis.

Why Not Celebrate? Western Pennsylvania can reckon on being about 100 years of age. Eight of the counties of this end of the State were organized in 1800, and are therefore a century old.
