In the senate, Tuesday, Mr. Depew made a speech, supporting the presi dent's Philippine policy. Mr. Turley continued his speech, in opposition to seating Quay. It was agreed to vote on the Hawaiian bill Wednesday. The Porto Ricon tariff bill debate continued in the house.

The speech of Mr. Bailey, devoted, as t was almost exclusively, to the legal phases of the controversy, was profound and impressive. Mr. Dolliver (In.), who spoke, was at his best, and his wit, eloquence and sarcasm in turn drew salvos of applause from his Republican associates. Before these closing speeches were made. Mr. Cannon (Ills.), chairman of the appropriations committee, and one of the veterans on the Republican side, um/le an exceptionally effective speech in support of the bill. Messrs.
