"CAPE TOWN, June 10.—(Sunday).—The following telegram has been received from Charles Knox:

"Kronstad—The following casualties, reported from Rooodeval, June 7, received from Stoneham, commanding the Imperial Yeomanry hospital, dated Rhenoster River, June 5, received here by flag of truce, June 10: The Fourth battalion of the Derbyshire regiment (the Sherwood Foresters), killed: Lieutenant Colonel Baird-Douglas and Lieutenant Hawley and 15 of the rank and file; wounded, Colonel Wilkinson, Captain Bailey, Lieutenants Hall, Lavender and Blanchard, and 50 of the rank and file; the Shropshire Light Infantry, 1; Cape Pioneer Battalion regiment, 7; Ammunition Park, Royal Marines and Imperial Telegraphs, 1 each; Postoffice corps, 1.

"Stoneham reports that many were severely wounded and the remaining of the Fourth Derbyshire and details of prisoners, except six of the rank and file are in his camp. All the wounded are in his camp, lately occupied by the Fourth Derbyshire. Inquiries are being made as to the names."

Another dispatch from General Forester-Walker contained the following:

"CAPE TOWN, June 10, (Sunday).—Kelly-Kenny reports from Bloemfontein this morning that Methuen, with the greater part of his division, was fighting early in the morning of June 8, ten miles south of Heilbron, where Colville was reported to be with the Highland brigade. Methuen left Lindley June 5 with ample supplies for himself and Colville, leaving Paget to hold Lindley with a sufficient force and supplies.

"Kelly-Kenny has ordered Knox to press in the enemy's outpost, believing the enemy's strength to be exaggerated. 'All is quiet and there is no anxiety as regards the district to the south. Communications north of Kronstad have been cut since June 6.'"

LONDON, June 12.—The viceroy of India, Lord Curzon, of Kedleston, has cabled to the secretary of state for India, Lord George Hamilton, announcing that a good rain has fallen in Southern India, that there have been scattered showers elsewhere, and that the meteorological reporter forecasted a good but late monsoon.

The hot weather, however, still prevailed and the famine relief situation had not altered. There were about 5,802,000 persons receiving relief.

Three Also Injured in Mine Explosion at Ellsworth, Pa.

MONROEVILLE, Pa., June 11.—A terrible gas explosion occurred at the Ellsworth mines, at Ellsworth, 12 miles west of this place, in which two men were killed and three injured. The dead were:

Thomas Forsythe, driver. William Rodgers, miner. The injured, Alex. Patrick, mine foreman. W. C. Pay, miner. Thompson, miner.

Two Negroes Lynched.

BILOXI, Miss., June 11.—The negroes Askow and Russ, who were believed to have murdered Miss Winterstein, near here, one week ago, were hanged to the same tree by a mob, who had been watching them for several days.

TEMPERANCE CONGRESS.

Delegates Gather at the World's Meeting in London—Philadelphia Elected One of the Vice Presidents.

LONDON, June 12.—The Temperance congress was opened under the presidency of Mr. Thomas Wallace Russell, M. P. Delegates from all parts of the world were present. J. L. Bailey, of Philadelphia, was elected one of the vice presidents. He read a paper on "The United States and South America," by the Rev. J. B. Dunn.

Mrs. J. H. Barney, of Providence, R. I., superintendent of the Women's Christian Temperance union and charitable reformatory work, read a paper at a session at which Lady Biddulph presided, on "Intemperance in Relation to the Dependent Delinquent Classes," describing the work of the leading American institutions.

Canon Barker, presiding over the religious and moral section, said that when strained relations occurred between Great Britain and the United States a few years ago the whole American press favored war, but the following Sunday a majority of the ministers preached against such a calamity successfully and averted it.

The archbishop of Canterbury, Most Rev. Dr. Frederick Temple, delivered the annual address before the temperance congress last evening, recalling the triumphs the cause had attained in science, religion, politics and public opinion. He added that there still remained one enemy to encounter, the more difficult of all, namely, the life force of men in general, even very good men, to the duty of helping one another as they are yielding to temptation.

J. L. Bailey moved the adoption of the address which, he said, would encourage workers of both sides of the Atlantic.

AT GRAVE OF MOODY.

Services Held on Round Top—Young Moody Elected to the School Faculty.

EAST NORTHFIELD, Mass., June 11.—The annual meeting of the board of trustees of the Northfield seminary was held here. The old board was re-elected, except that Mrs. J. H. Harris, of New London, wife of the late professor of the two new members elected to the board were Paul Dwight Moody, to fill the vacancy caused by the death of his father, Dwight L. Moody, and George E. Keith, of Brockton, Mass.

By the appointment of Mr. Moody's son to this position, Mr. Moody's last request from his deathbed is fulfilled. The treasurer's report was very encouraging.

The trustees resolved that the work should go on without any diminution. This body has already subscribed \$80,000 toward the endowment fund with several yet to hear from. The current expenses of the year have been practically met. However the outstanding debts at present amount to about \$10,000.

The first public meeting on Round Top since the burial of Mr. Moody occurred Sunday afternoon, as used to occur.

At the close of the service the entire company surrounded the grave of Mr. Moody and sang some of his favorite hymns.

TWO KILLED IN RIOTS.

Two Others May Die From Wounds at St. Louis—Another Man May Lose His Hand.

ST. LOUIS, June 11.—Four men in a party of 100 or more striking employes of the Transit company who were returning from a labor parade in East St. Louis, were shot by members of the sheriff's posse, in front of the temporary barracks on Washington avenue, between Broadway and Sixth street. One is dead, two others, wounded in the head and abdomen, it was thought would die, and the fourth it was thought would lose a hand. About in front of the barracks occupied by the posse combatants the paraders attempted to assault the crew of a passing street car.

A brick was thrown and several shots were fired by the street car men, when members of the posse appeared on the street with their shotguns and attempted to retrench the street car men. In the melee it was estimated about ten shots were fired by the posse men who surrounded the mob, and there were four casualties as far as now known. Twenty-one prisoners were captured by the posse and taken into the barracks. One other shooting by a deputy sheriff was reported at the sheds of the Bellefontaine line. Fred Boehm, 65 years old, was killed.

Catholic Church at West Point Opened, Secretary Root and Other Persons Were Present.

WEST POINT, June 11.—The dedication of the new Catholic chapel at West Point, over which there has been much controversy during the past three years, took place Sunday. The dedicatory sermon was by Rev. George Desbon, superior general of the Paulists of New York. Secretary of War Root and Paymaster General Bates, together with Colonel Mills, superintendent of the military academy, and his staff, were present.

HOT FIGHT IN OHIO.

DEMOCRATS TALK OF CONTESTING EVERY COUNTY IN THE STATE.

Move on Foot to Have the National Headquarters at Columbus—Ohio Convention Meets This Week—Some of the Candidates For Delegate.

COLUMBUS, O., June 11.—The Democratic state convention meets here tomorrow and Wednesday to select delegates-at-large and alternates to the Kansas City convention and to nominate candidates for electors-at-large, secretary of state, judge of the supreme court, dairy and food commissioner, commissioner of schools and members of the board of public works. There is the usual list of contestants for the state offices and the usual diversity of opinion as to the platform.

John McLean, proprietor of the Cincinnati Enquirer, headed the Democratic ticket for governor last year and probably would be selected as the head of the Ohio delegation to Kansas City this year, but he announced that other engagements will prevent him from attending the Kansas City convention.

Mr. McLean is expected to sail, with his family, for Europe next Saturday, to be out of the country for an indefinite period. There will be no effort to advance the Dewey candidacy for the presidency as some had expected would be the case here this week. It is conceded that the convention will unanimously endorse Bryan for president.

Among the most prominent names mentioned for delegates-at-large were Colonel James Kilbourne, of Columbus, the leading candidate against McLean last year; William S. Thomas, of Springfield, chairman of the committee; John C. Welby, of Canton; Charles N. Haskell, of Ottawa; George W. Hall, of Toledo; Abe Patrick, of Tuscarawas; Horace L. Chapman, of Jackson; John J. Lentz, of Columbus; Frank M. Merritt, of Delaware, and Herman Grossbeck, of Cincinnati.

There was a movement here to have the national Democratic headquarters located in Columbus during this campaign. It was claimed that the Democratic state committee of Kentucky had endorsed Columbus. The Democratic state convention of West Virginia last Thursday adopted a strong resolution endorsing Columbus and similar movements are on foot in other states. It is claimed that the Democrats should carry the war into McKinley's state and contest every county in Ohio. It was also argued that the border states of Indiana, Kentucky and West Virginia are the doubtful ones that might decide the result and that they were easily reached from Columbus.

REPUBLICANS IN PHILADELPHIA.

Some of the Prominent Leaders Already There—Hanna and Dick Were Expected Today.

PHILADELPHIA, June 11.—The vanguard of the national Republican convention crowd is already here. Senator Scott, of West Virginia; National Committeeman Henry C. Payne, of Wisconsin; Committeeman Joseph H. Manley of Maine; Ambassador to Mexico Powell Clayton, who represents Arkansas on the national committee; Judge W. B. Heyburn, of Idaho, and J. M. Ashton, one of the delegates-at-large from Washington, arrived the past few days. National Committeeman Richard C. Kerens, of Missouri, who had been here for several days, left for St. Louis to attend the wedding of his son, and will return with the Missouri delegation, probably on Saturday. Ambassador Clayton, it was expected, will go to Washington today and will return in time to attend the national committee meeting on Wednesday.

National Chairman Hanna and Secretary Dick are expected today. The convention hall is all ready. The seating capacity was estimated to be close to 16,000.

The national committee will hold its first session in this city Wednesday, when every member is expected to be present with the exception of General James H. Wilson, of Delaware, who is in Cuba. At this meeting the committee will go over the work already done in preparation for the convention, and will smooth out the little details. The organization of the convention will, in all likelihood, be taken up and finally passed upon. The greatest task assigned to the national committee will be the matter of contests.

The committee is expected to take such action as will make the work of the credentials committee easier. With the exception of the Eleventh Pennsylvania congressional district every delegate to the convention in the United States has been elected. The Eleventh Pennsylvania will elect its two delegates at Scranton today. As far as known here notice of contests have been given as follows:

Alabama, two entire delegations. Delaware, two entire delegations. Georgia, First and Eighth districts. Louisiana, Second and Fifth districts. Pennsylvania, Nineteenth district. Texas, delegates-at-large and First, Fourth, Fifth, Sixth, Seventh and Ninth districts. Tennessee, delegates-at-large.

TO FORN NEGRO BUSINESS LEAGUE.

TUESDAY, ALA., June 11.—After consulting with substantial colored men in all parts of the country, Booker T. Washington decided to assist in the organization of a national negro business league. The object of this organization is to encourage colored people through the central organization and local organizations to enter the avenues of business. The first meeting will be held in Boston Aug. 23 and 24.

BRINGS NEARER ACTIVITY.

Some Recent Events Considered of Future Benefit to Business by Dun's Review.

NEW YORK, June 9.—R. G. Dun & Co.'s weekly review of trade, issued today, said in part:

The adjournment of congress, after a useful session, the progress toward peace in South Africa and the rapid adjustment of prices here to a more normal level, all tend to bring nearer the day of greater activity. But that progress has not been rapid and the yielding of prices affects many only as a reaction, cutting off part of the profits supposed to have been secured. The impression grows, also, that no extensive changes in business are now probable until after the presidential election, and the possibility of trouble in China has at least as definite an influence on American affairs as any change in South Africa. The unsettled condition of labor controversies, moreover, operates strongly for the time to limit expansion of domestic business. Yet the volume of business is so large that a few months of waiting could not excite any apprehension.

It is but a few days since an eminent ironmaster overhauled doubts and questions by the positive declaration that his decline whatever in the price of iron this year was simply impossible. Yet anthracite No. 1 has declined \$1.25 per ton, and this week the Bessemer association has reduced its price at Pittsburgh \$4.00 per ton, and the southern makers \$2 per ton. The decline in ratio of prices of pig iron from 1127 in January to 985 this week does not show the entire change, as the steel and wire company's guarantee of prices in case of further reduction respecting products not then shipped is in effect a concession. A few large contracts are reported, but the new business is so small that many works are stopping or reducing force.

The minor metals and coke are weaker. Petroleum has again been reduced to 7.85 cents against 9.00 April 4, and rubber to 90 cents against 1.04 in March. Silk and hemp are both lower. Wool has not declined further, but is weak and in small demand, many of the mills having inadequate orders for goods.

The rise of 24 cents in wheat, attributed to injures threatening a short movement next fall, affected stocks also somewhat. Failures for the week have been 206 in the United States, against 150 last year, and 19 in Canada, against 10 last year.
