one a liberal supply.

TEDDY draws the crowds this year and also knows how to lasso the votes.

THE United Kidgdom sells to her colonies \$423,312,102 worth of goods a year.

WHEAT is gotting near the dollar mark again. Silver stands still, and even corn is worth nearly as much as an ounce of

silver. EYERY corn-fed steer in Nebraska is

now worth \$12 to \$16 more than in 1896, Farmers in that state will hardly vote for Democratic times again.

NEW JERSEY Democrats are laying they were instruments of oppression and plans for 1901, having concluded that the that he was the particular oppressed. prospects this year do not invite any Hence came much of that prejudice special effort on their part.

No NATIONAL ticket ever nominated gave more general satisfaction to its party and more trouble to its opponents than the one named by the Philadelphia alone should issue so much money that convention.

DAVID B. ILILL said he would see Bryan in sheel before he would support him for the presidency. On the contrary he saw him in Lincoln, the home of the heavenborn ratio.

ONE county in Kansas reports a wheat | cy law has not been long enough in opcrop of 4,000,000 bushels and expects to sell it for \$2,500,000. Kansas is entirely but already its influence to some extent resigned to carrying on such transactions must have made itself beneficially felt. in 100c dollars.

Tau most venomous platform of the ber of national banks which have been year is that adopted by the Illinois Dem- organized since the existing law went Stewarts Run. at 1:30 July 5, and the ocrats. Its slanders and copperhead false- into force. It is given at 159, having a interment was in . Riverside cemetery, hoods will result in a big addition to the Republican majority.

PRESIDENT MCKINLEY urged that the duties to be levied under the Dingley ber 114. As all these new banks, which tariff should "revive and increase manufactores." This has been done, as our small places, both issue notes and lend wage-earners well know.

THE colonies of France alone imported \$47,000,000 worth of goods a year. This helps materially to keep the factories busy, and to afford a market for the farm products of that European country.

It is reported that Secator Clark will contribute \$1,000,000 to the Democratic campaign fund, with the understanding that no part of it shall be used for any other purpose than the legitimate purchase of votes.

market for the products of our farms and an earlier convention held in Cincinnati man sleeping cars on trains 30 and 33 factories, thus assuring a better demand on Sept. 5, 1898. American labor,

In President McKinley, the people have a man of high character, unsullied reputation, unswerving patriotism, and a stronger candidate than he was in 1896, because his rmarkable experience has strengthened and broadened him and equipped him for executive duties. In Governor Roosevel', the people have a President. These are the only names representative of the stalwart Americanism of the day, and a man as closely identified with the polley of expansion as is the President himself. They make a strong team,

THE estimation in which the gold Hoadly formerly of Ohio, now a prominent lawyer in New York city, He said : "I intend to vote for McKinley and Roosevelt because they are so much of the country than all other diseases put better men than Mr. Bryan can over be that there is no comparing him with their. Then, again, I shall vote the Rethem. Then, sgain, I shall vote the Re-publican ticket because the enrency question is one that involves the happiouestion is one that involves the happi-ness of overy man in the country. Bryan and his lefted are the greatest menage to prosperity in the country. The most amusing thing about the convention in Kanaasenty is the speciale afforded by Croker and Yan Wyek shouting against question is one that involves the happithe trusts, when they are knew deep in and mucous surfaces of the system. They the trasts, when they are knew doep in offer one hundred deltars for any case it that business the meelves. A convention fails to cure. Send for circulars and teslike that at Kansas City, furnshed with timonials. Its brains as it is by the createst living F. J. CHENEY & Co., Toledo, O. its brains, as it is, by the greatest living anarohist, Altgeld, is not worth discussing anyway,"

party having finished its work at Kansas City last week the complete list of national nominations can now be given. More candidates will be presented to voters at this year's election than ever before :
