A subject of interest to all housewives is spices and flavoring extracts. Unless the best are used it is impossible to get satisfactory results in cooking and baking. A first class drug store is the place to buy these articles, as only spices and extracts of guaranteed strength are kept.

In the latter half of the eighth inning, with the game standing 13-13, the Marienville team quit the field on account of a decision of the jumpire and the game went to Tionesta by default. The finish promised to be an exciting one, with the chances about even, and that's why the spectators wanted to see it played out. Base ball will not receive much of a boom in Tionesta as a sport-producer if this sort of monkeywork is going to be the rule.
