SMOKE OUT DEMOCRATIC ALLIES.

Those Who Claim to Be Republicans But Make Deals With Bryan Democrats, Will Be Made to Take the Consequences.

(Special Correspondence.) Philadelphia, Aug. 28.—Action by the Republican state committee last week in which a positive stand was taken against the so-called Republicans who have been conspiring with the Bryanite Democrats to defeat regular Republican nominees for congress and the legislature, has attracted much favorable comment. The rank and file of the Republican party of the Keystone state believe in a man being either a Republican, a Democrat, a Prohibitionst, or a member of any other party. but they protest most emphatically against a man claiming to be a Republican and then working hand in hand with the Democratic politicians to the advancement of the interests of the Democracy on every occasion that he suffers defeat at the Republican pri-

There has been so much of this sort of thing going on of late that the members of the Republican state committee decided that some protest must be made against this style of guerrilla polities and that a warning be given to men who have been guilty of this treasonable action, that they may know what to expect if they continue PARTY TREACHERY DENOUNCED.

After the routine of business of the state committee had been transacted, and Chairman Reeder had heard reports from different members, former Mayor Black, of Chester, submitted the following resolutions:

Wherous, it is openly charged that certain persons claiming to be Republicans are charged in an effort to form a fusion with the Democratic party, even to the extent of voting for Democrats when necessary, wherear the success of Republican condidities in congressional senatorial and representative districts may be imperfiled; and

representative districts may be imperfied; and
Whereas, Such persons claiming to
be Republicans are guilty of the
treachery of making coxiests at Republican primary elections and convections and with a dishanorable disregard of the result of each primaries
and conventions proceed at once to

have not been successful; and
Whereas, The candidates nominated
in regular party convention where
such fusion Republicans have been
successful in many cases openly boast
of their intention not to easier a Republican saucus at the next session of
the legislature, and in many cases
have sought the endorsement of the
Democratic party while at the same
time planning to defeat any colleagues
they may have upon the taket.

committee of Pennsylvania condemns
in the most emphatic terms these
practices, which if further tolerated,
will be destructive of party discipline
and efficiency, and must inevitably
lead to party disorganization and failure; and.

Resolved further. That a committee of seven be appointed to investigate such charges and to report to this committee at an early date the names of any person or passons chaiming to be Republicars and guilty of the dishonerable practices aforesaid and the countries or districts in which and the countries or districts in which and the state committee may take prompt and effective action and may be able to make such recommendations to the next state convention as will employ that holy to praying such rules and regulations as will prevent such practices in the future.

RESULT OF INSURGENT DEALS. This move of the state committee is the outcome of the conferences that have been held recently between the Martin-Flinn insurgents and the Guf-fey Democrats at the Hotel Stratford in this city, at which deals were entered into for the support of Democratic candidates against regular Republican nominees where the insurgents have failed to nominate their favorites

Notice was also taken of the exhibition given at the meeting of the Democratic county committee in Montgomery county, when Democratic committeemen reported by name the Flinn-Martin insurgents of that county, with whom they met at the insurgent headquarters in the Witherspoon building, of this city, to parcel out the places on the proposed fusion legislative ticket, even before the Montgomery county Republican primaries have been

STALWART COMMITTEE NAMED. This is the committee named by Chairman Reeder, in compliance with the provisions of the resolution:

Senator S. J. M. McCarrell of Harrisburg, Crosby N. Black of Chester, Representative William H. Keyser of Philadelphia, Banker I. W. Slokum of Lancaster, 'Squire Walter L. Jones of Allentown, S. S. Wright of Susquehanna and former District Attorney W. J. Whitehouse of Pottstown,

Before the state committee adjourned Major Isaac B. Brown, of Erie, made a sticring speech, in which he urged that an aggressive campaign be waged from new on until election day in favor of McKinley and Roosevelt and the whole Republican ticket. He advocated a campaign upon national issues. which would appeal to the public spirit and the patriotism of the people of tion. Pennsylvania and would arouse enthusiasm for the party nominees.

PENROSE SCORES THE BOXERS. When Major Brown had concluded Chairman Reeder inquired of Senator Penrose if he cared to say anything. The young Philadelphia leader then commanded the attention of the meeting. He left no room to doubt that he was in hearty sympathy with the action just taken in the adoption of the resolutions regarding the fusionists. Senator Penrose said It was incumbent upon the state committee to labor

gealously for the success of the entire Republican ticket. He expressed the belief that the majorities for McKinley and Roosevelt in Pennsylvania will be larger than those given them by any other state in the Union, and that they would even exceed the Penneylyn-

There was a vital matter which the party leaders should give due attention to, he then added, and that was the said it was almost as essential to the industries of Pennsylvania to elect a inc., at one cent a inic transity inc., or turning until Aug. 31st, inc., or Republican congress as it is to elect a Republican president. Every dis-trict that cans possibly be carried should be thoroughly cunvassed and a phould be thoroughly cunvassed and a No. 153, 1-5t determined campaign made for the Republican congressional nominee. It and that there are a number of dis-tricts in this state which could read-druggists.

He declared that it was of paramount importance that the Re-publican candidates in the senatorial and state representative districts should receive the earnest support of the Republican voters of the state, so that there shall be a good Republican majority in the legislature. The United States senator to be elected in January next should not be a mongre fusionist or Bryanite Democrat, but he should be a stalwart Republican, repre sentative of the stalwart Republican ism of Pennsylvania.

Before the state committee adjourned William Henry Sayen, of Delaware ounty, was nominated to succeed W. C. Arnold as elector at large, who had declined the nomination from the state convention, and Dr. John Ely was chosen district elector, in place of the late Floyd Kinser, of Bradford county.

JACK'S GRIEVANCES.

How He Makes Them Known to the

Captain of the Ship. There is now but one way open for the enlisted man, bluejacket or marine, who has a kick to register. He must show his hand and tile his complaint in his own person or name, verbally or in writing. If 20, 50, 100, enlisted men have a common grievance, they must present that grievance in delegation to the commanding officer or in the form of a written bill of complaint, with their signatures attached to it in order of their relative rating. In most cases the method of pre-senting grievances in delegation at the must is resorted to by the collisted men of the American navy of today. The man with the individual grievance occasionally puts in his complaint in writing and addresses it to the secretary of the navy. Commanding officers are compelled by regulations to forward all such com-plaints to the civil chief of the navy with, however, whatever indorsement thereon they elect to make

It is generally a moderately bad job for an enlisted man to write a narrative of woe to the secretary of the navy. Such a chap doesn't frequently find his after career in the navy one long dream of peace and quiet. Enlisted men who have drawn up unreasonable complaints, even complaints not entirely unreasonable, and thus addressed them have generally shed some quiet saline tears in their hammocks afterward over the foolishness of the act. It seems reasonable to suppose, too-for human nature is the same on sea and land-that no bhiojacket or marine can possibly add to his sum total of comfort or happiness abourd ship by more or less bluntly informing the civil head of the navy department that the commanding officer of the vessel on which he serves is an unjust man, a bully or a man who doesn't know his business. Yet this fact, which looks so obvious, is very often ignored by rash callsted men.-Exchange.

He Expected It.

Abraham Liucoln was once retained to defend a man charged with stealing some hams. At the trial the accused himself gave some very damaging testimony, which so alarmed Mr. Lincoln that he went over to his client and told him that any further effort to clear him would be useless. The accused insisted, and Mr. Lincoln made a short plea to the jury. The charge of the court was very clear, and there was little doubt that the defendant would be convicted. The jury was out only five minutes and returned a verdict of "not guilty." Mr. Lincoln touched his client on the shoulder and asked him if he expected that.
"Why, yes," he replied. "Eleven of them fellers helped out them hams!"—

Farmer Cope's Work in the Pure Food Department Calls For Hearty Commendation, and Misrepresentations For Political Purposes Fall

(Special Correspondence.) Harrisburg, Aug. 28.—Reports re ceived from different counties of the state as to the condition of the Republican organization seem to be most satisfactory to the Republican lenders. A visit from I. Hampton Moore, president of the State League of Republican Clubs, has inspired the local club men with an enthusiastic interest in the coming state convention of the State League of Republican Clubs, which will be held in Philadelphia on Sept. 17 and 18. This gathering of stalwart Republicans will mark the formal opening of the campaign for McKinley and Roosevelt in Pennsylvania, and President Moore predicts that there will be an unusually large attendance. Mr. Moore has done great work developing the State League and he has enlisted the co-operation of many active young Republicans throughout the state in the cause of the party. He believes the League can be of material the commonwealth to take an active part in the canvass for McKinley and Roosevelt, and he wants to have every active Republican club in the state represented at the Republican meeting. Mr. Moore has invited Governor Stone to address the opening session, and for the immense mass meeting, which he is planning to be held in the Academy of Music in the Quaker City, he has already secured an acceptance from Senator Joseph B. Foraker, of Ohio, who will be the star orator of the occasion. On account of his record as a stalwart and aggressive Republican Senator Foraker is always assured of a cordial reception at a Republican gathering

FARMER COPE AT WORK.

Secretary of Agriculture Hamilton has issued a statement giving a re-view of the work done by Farmer Cope, recently appointed pure food commissioner. Secretary Hamilton was prompted to make this statement owing to the malicious and partisan attacks made at Mount Gretna by a lawyer named Kauffman, who is engaged in helping the Flinn-Martin combination to discredit the present Republi-can administration. Kauffman is a paid agitator, who has been used for political campaigning and with whose tactics the farmers of the state are rapidly becoming familiar. Secretary Hamilton in his statement says:

"Mr. Cope was accused by Mr. Kauffman of failing to enforce the law relating to the manufacture and sale of oleomorgarine in the state. The best answer to this accusation is the fact that during the month of July the dairy and food division of the department of agriculture brought 58 suits against elecmargarine dealers in Pennsylvania, one in Blair county, 18 in Philadelphia county, one in Northumberland, 30 in Allegheny, one in Westmoreland, two in Cambria, and they brought 12 suits under the pure food | -Hopkins sells the clothing and shoes,

law in Potter county, Philadelphia county and elsewhere throughout the state. In all of these cases the defendants were held for court and were WILL LEAD OFF placed under bond ranging from \$300 to \$800 each.

MANY CASES PENDING.

"The department will have coming up before the September terms of court cases in the following counties: Allegheny, Westmoreland, Blair, Clearfield, Dauphin, Montgomery, Northumber-land, Fayette, Lawrence, Lackawanna and Philadelphia. Eighteen cases will be heard by the courts in Fayette and Westmoreland counties alone, 15 cases in Cambria and Blair and a large number in Philadelphia and Allegheny.

"For a man, in the face of these facts, to publicly charge that the department is doing nothing for the suppression of oleomargarine is to utter a deliberate and intentional falsehood, and the man who makes such a statement discredits himself before a truth loving and fair minded public.

BOLD MISREPRESENTATION.

"The whole affair is a sample of the misrepresentation that has been resorted to in order to injure the reputation and influence of the pure food department of the state, and can only be intended to be used for political purposes in the hope that they may prejudice people against the state administration.

"If additional testimony of the un truthfulness of these people is needed it can be found in the additional fact that during the month of June of this year the pure food department brought 30 suits in Allegheny county under the oleomargarine law. Seven were tried six were convicted. Seventeen were brought in Philadelphia, two in Schuylkill county, one in Lawrence 15 in Blair, 13 of whom pleaded guilty and were sentenced; seven in Cambria, 12 in Westmoreland, one in Indiana, assistance in getting the young men of | three in Fayette, two in Clearfield, one in Somerset, six in Dauphin, two in Crawford, six in Delaware, one in Montgomery county and seven pure food cases in Allegheny county, making a total of 110 for the month of June brought by the dairy and food division of the department of agriculture in a single month.

ATTACK PURELY PARTISAN.

"These facts ought to be sufficient to convince the people of Pennsylvania that the whole attack is purely partisan and selfish and without a single ground of justification.

"Before the farming people of Penn-sylvania accept the declarations of these demagogues they will do well to write to the department of agriculture for the facts, which will be cheerfully given to all who desire to know the truth, so that there is no necessity for any one being misled, but by going to the department itself, either in person or by letter, the facts will be very cheerfully given.

Mr. Cope says he went to Mount Gretne with no idea of making a speech or any remarks at all on any subject, but that when Kauffman made such gross misstatements in regard to his work, he was compelled to protect himself. In regard to the statement of Mr. Kauffman that James Terry, of the Pittsburg district, had been sent home by Commissioner Cope to aid the stalwart Republicans in the county primaries, Mr. Cope said that this is

"In July Mr. Terry asked for a va-cation," said Mr. Cope, "He told me that he had not been home since February. I did not know what county he was from or that he was not a residen of Pittsburg, and I told him he could have the time he asked for. I think it was three weeks. I told him he must return to his work before the first of August. When Mr. Kauffman d-clared that a cent a pound had been paid the department for protection to denters, I asked him the money, but he would not tell me. Commissioner Cope says that the trouble with Mr. Kauffman is that he is disgruntied because he has failed of an appointment as an attorney for the pare food 'epartment.

"Well, yes," answered the waiter, "I believe it is one of the largest in Liverpool." and not be at all inconvenienced?" A short time after the walter again came across the Yankee and, wishing to get straight with him, said, "Have you been in Birmingham yet, sir?" "No," says the Yankee, "I have not, but I guess I will go before I leave the old country." "Well," said the waiter, "if you go, be sure you put up at the Great Western hotel. It will suit you down to the ground. The coffee room is a snoozer. It is three miles long, and the waiters go about on horseback."—Scottish Ameri-

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form-We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we over had in the house. It saved my lit-tle daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have sayed me a great deal of auxiety and my little daughter much suffering. Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For sale by all druggists.

THE FALLS OF NIAGARA, PAN-AMERICAN EXPOSITION.

Lopevight, 1900, by the Pan-American Exposition Co

The importance of the great Falls, Rapids and Gorge of the Niagara River as auxiliaries to the many and varied attractions of the Pan-American Exposition to be held in Buffalo May 1 to November 1, 1901, cannot well be overestimated. In its immense flow of waters, its grand scenery and its historic lore, the Ningara is one of the most renowned rivers of the world. Its great cataract has defied the descriptive powers of poets and philosophers and builted the delineative skill of painters and photographers. The grandeur of their cuvironment renders the Falls perennially interesting at all sensons of the year and very few of those who visit the Pan-American Exposition but will desire also to visit them. The trip from Buffalq can be made in half an hour. There are many points of view and places of interest and the visitor can plan his itinerary according to the leisure time at his disposal. If time will permit, the cataract should be viewed from both sides of the river and trius should be made the length of the Gorge, either along the cliffs above or over the trelley road which runs close to the water's edge
