Again has death invaded our ranks.

It has been said it loves a shining mark.

At our last meeting we were cheered and

encouraged by the presence of Dr. S. S. Towler, who was with us and of us, and

was numbered with us from the organ-ization of our association. His record is

triot or a citizen. In the year 1863, he left the medical college, going into service in the quartermaster's department of the
