

President by Overwhelming Majority.

### CONGRESS SAFELY REPUBLICAN.

The Republicans have again swept the country and elected their splendid national ticket by a greater majority in the electoral college than they had four years ago. It is evident from the returns that Congress will also be Republican by an increased majority. The National Republican Committee

gave out a statement claiming the following States as surely Republican :

nois, Indiana, Maryland, Iowa, Kansas, Maine, Massachusetts, Michtgan, Minresota, New Hampshire, New Jersey, New York, North Dacota, Ohio, Oregon, Penn- as \$5,000 being paid for the right kind of sylvania, Rhode Island, South Dakota, evidence, as was afterward testified to. Utah, Vermont, Washington, West Virginia, Wisconsin and Wyoming, To this list will probably yet be added Kentucky and Nebraska, Bryan's own State.

### FOREST COUNTY RESULTS.

Forest County elects the entire Republican ticket by good majority, giving sire to share the \$100,000 blood money President McKinlay almost as large a and a bitter partisan feeling were the inmajority as in 1896. The figures as far as spiring motives. Bribery was resorted obtainable this morning are given below: to in the most unblushing manner. Jur-

Henry Hall, the able correspondent of the Pittsburg Times, has been in Kencourt house of Kentucky." tucky recently, and has written an exhaustive article concerning the trial of the parties accused of complicity in the murder of Senator Goebel, who was a candidate for Governor against Taylor, who was ejected, but deprived of the office by as unscruppions and bitterly been convicted by the same methods if Governor Taylor himselt would have partisan legislature. For ex-ample, Jeffreys said to one of the witnesses for defense, 'Oh how hard the truth is to come out of a lying Presbyterian knave!' He said that to intimidate the witness and to influence the jury. Cantrill said to a witness for the defense, 'That is a stump speech.' What did he say that for? He was prompted by the same spirit that had prompted Jeffreys. Remember that Jeffreys had disgraced the ermine 215 years before. Jurisprudence ought to have made some advance in that while. Jeffreys was drunk on the bench, and that ought to have been some sort of an excuse for his violent some sort of an excuse for his violent-outbursts. Cantrill was equally outra-geous in demeanor-his manner, his smiles of approval, his frowns of dissent, his sneers, his gestures, his disregards of the plain rights of defense, his severity toward counsel-this and these disclose the other and counsel-this and these disclose the other and equally infamous conspir acy to 'Hang Taylor and damn the Ra-publican party.' And they had \$100,000 with which to pay expenses." The Louisville Post, also a Democratic paper, had this to say of the trial of Heury E. Youtsey, undoubtedly an innocentman : "Youtsey's trial has been from the first a tragedy. He has been the victim of the most treacherous plotting that ever was hatched in the brain of a desperate lawyer. Deceived and betrayed, badger-ed and waylald; attacked by friends aud form, tricked threatened and tried threa foes; tricked, threatened and tried three times under the pretense of trying other men ; tempted by the subtlest pleas that ever whispered crime or concealed treachery, it is not wonderful that the nervous strength of this young man failed him and that mind and body collapsed.
