The Christmas trade this year was phenomenal, every merchant doing a larger business than he did the year previous, which up to that time was a record breaker. But Christmas buying is only an incident of business. It is your every-day trade of the rest of the year that counts. That is what we want to get and shall continue to offer you the very best service and prices possible in our line which is DRUGS, MEDICINES and Sundries, exclusively.

Sundries in this case means combs and brushes, toilet accessories, pocket books, fine stationery, perfumery, books, toys, etc., and the famous LOWNEY candies.
