

He Can't Increase the Cost.

The jobber can't tin any profits to the wall papers we sell. We buy direct from the manufacturers. At the best terms that can be secured. Most manufacturers sell to jobbers and bookmen. They make a profit. It is this additional cost that we can save you.

The Pittsburgh Wall Paper Co. protects us by giving us the agency for their goods. We insure you exclusive designs.

And this year's Pittsburgh patterns are the most beautiful and artistic we have ever seen.

—J. D. Harris one of the well known residents of Sugar Run, Warren county, and aged sixty seven years, was robbed last Wednesday morning of about \$500 in money, two good watches and considerable jewelry. Five masked men forced their way into the house and bound the husband, wife and an Indian servant. They then forced open the safe, securing the valuables mentioned. From the manner in which the job was done it is believed some of the robbers were professional safe crackers. There should be a general vigilance kept throughout this section, as it's about time we were hearing of some depredation of this sort in the neighborhood.

—Six large timber fleets passed down the Allegheny last Saturday afternoon, being the last of the output of the Warren Lumber Co. for this season of their tract at Grandview, below Warren. The floating of so many timber rafts all in sight at one time was quite a curiosity for this day and age, one that has not been witnessed for a great many years, and is not likely to be again for generations, if ever. The pilots were Conrad Sibble, Wash. Arters, James King, Thos. Jacobs, Jerry Birtell and Mr. Wood. On Mr. Arters' raft was an immense shanty, sufficiently large to accommodate nearly all the other crews. The fleet also contained several ladies, among whom were Miss Bessie Morgan and Miss Tena Lanquist of this place.

Letter to G. G. Gaston.

Tionesta, Pa.

Dear Sir: What is lumber worth? "Depends on the lumber," you say—"what sort do you want?" That's how some people talk about paint. They ask: "What'll you paint my house for?" The Yankee answer is: "How do you want it painted? One coat? two coats? three coats? first-class or cheap?" The proper answer is: "I want the best paint put on as it ought to be." That's Devos; but the usual answer is: "I want a good job; but I want it cheap." Which means: I want you to paint it for nothing. I want to be fooled.

Lead and oil is the costliest paint there is; not the best; it used to be best. Devos is best, since zinc came in: Devos lead and zinc.

Zinc toughens the lead and doubles its wear.

Zinc costs no more than lead; and we grind by machinery.

We have no patent on zinc; but nobody else is treating it right. Devos is your paint.

Yours truly,
F. W. Devos & Co.
P. S.—James D. Davis sells our paint in your section.

RECENT DEATHS.

NICHOLAS WEANT.

Nicholas Weant, father of George Weant, formerly of this place, but now residing near Mannington, W. Va., died at his son's home on Saturday, April, 6th, 1901. Mr. Weant had been in poor health for a number of years past, but the immediate cause of his death we did not learn. During last summer his son came here and took his father with him to Mannington where he had made his home. Mr. Weant was a native of Germany, coming to this country upward of fifty years ago, and locating on a farm on German Hill, where he passed the greater portion of his life. He was a loyal Christian man, having united with the Reformed church when a mere boy and remaining ever after a conscientious believer in the faith of that church. His age was about 76 years. The funeral took place on the 8th inst., the interment being in the cemetery at Mannington.

WILLIAM C. HEPLER.

Tionesta township lost one of its well known and prominent citizens in the death of William C. Hepler, which occurred at his home on Sunday night, April 14, 1901, at 10 o'clock. For some months past, Mr. Hepler's health had not been of the most robust, but only during the past six weeks had he been confined to his bed, and the immediate cause of his demise was paralysis, he having had a stroke a short time before his death. Mr. Hepler was born in December, 1828, and was therefore in his 53d year at the time of his death. He was the son of Mr. and Mrs. John Hepler, who are still living and reside in the vicinity of Johnstown. In his younger days he learned the trade of carpenter, but gave most of his attention to agriculture at which he made a success, having a well cultivated farm with modern buildings and improvements. Nearly thirty years ago he was united in marriage with Miss Margaret Wolf, which union was blessed with seven children, six of whom—Andrew, of Kelleysville; Mrs. Richard Ledebur, of German Hill; Sarah, Reed, Milton and Howard, together with the wife, survive. Mr. Hepler was for many years a consistent member of the M. E. church in which faith he died. The funeral was held yesterday afternoon, services being conducted by Rev. F. M. Small at the Washington church, and the interment was in the cemetery connected with that church.

FRANK MONDAY.

Frank Monday, for the past quarter of a century one of our most highly respected citizens died at his home near this place at an early hour on Monday morning, after a short illness from an attack of la grippe, which finally developed into pneumonia, causing his death. Mr. Monday was born in Germany on February 22, 1833. He came to this part of the county in 1865, and soon after married Mary, daughter of the late William Hunter. They settled upon a farm just below town where they have since resided. Mr. Monday was a carpenter by trade, but abandoned that occupation and became one of our most prosperous farmers quite a number of years ago. Besides one brother, Chris' Monday, of Erie, Pa., he leaves a wife and two children, George at home, and Mrs. Sallie Jaun to mourn his death. Rev. W. P. Murray conducted funeral services at his late home on Tuesday afternoon, after which the body was laid to rest in Riverside cemetery.

Frank Major Dies by the Noose.

Daniel J. Kehoe, alias "Frank Major," expiated the crime of murdering Chief of Police Daniel McGrath, on the scaffold in the Meadville jail yesterday at 2:00 o'clock p. m. The facts connected with the foul murder of Chief McGrath at Titusville by Major and his pals, one of whom received his fatal wound in the melee, on the morning of Saturday, November 11, 1899, have been repeatedly given by the press of the surrounding country, and are familiar to nearly every body.

The condemned man walked to his doom without a tremor, never showing the least sign of flinching. He made no statement on the scaffold, and the swinging off was attended by no special or extraordinary feature or incident. What the experts call a successful hanging.
