REPUBLICAN TICKET.

COUNTY. County T

CALVIN M. ARNER, Tionesta,

GES, FUNSTON receives great credit for eating an octopus from every one except Col. Bryan. Col. Bryan dines on octo pus every day.

THE prosperity boom in Texas is spreading in all directions. It will take very deceptive as to distances. This it some time to overturn a 150,000 Democratic majority.

THE Democratic prayer is: O Lord voted to the cultivation of these. The send us disaster, black and dismal, just olive trees were in full foliage, but it was as soon as you can. It is our only salvation. Ah-men,

EDWARD ATKINSON has come out in the bare stump of the vine with no supfavor of free-trade, thus deceiving those port whatever. who believed that Mr. Atkinson was only one kind of a fool,

ALL the soldiers in the Philippins entitled to discharge by July will be sent round stone structure about 15 or 20 feet home on time. American military man- high. At first I wondered how these agement across the Pacific has moved trees and vines got earth enough to draw like clockwork.

Ton JOHNSON has discovered that runing against McLean's bar'l is no joke in the Ohio Democracy. Tom has picked clusters of grapes by which they showed up one county and has only eighty-seven more to wrestle with.

Kadish

MR. BRYAN says Tillman will win 'because he represents the man while McLaurin represents the dollar." Till man represents no dollar. The nearest he comes to it is 45 cents.

It is early yet for the Democrey to begin "paramounting" an issue. Just now that party has about all it can do to keep the more enlightened and progressive element thereof from breaking into the Republican party.

THE condition of Mrs. McKinley, who suffered a relapse shortly after her return to Washington, has been indeed critical during the past forty-eight hours, but the latest reports from her bedside are more favorable to her ability to again rally from the weakened condition into which her ailment has brought her. May the hopes of the nation for her recovery be realized.

THE newspapers which insulted Justice Harlan a little while ago by insinuating that the app-intment of his son to a legal position in Porto Rico for which he was fully fitted would be paid for when the decision on the insular cases came in will be surprised to note that Justice of the Nativity. Here we were shown anti-administration view of the cases, Such newspapers cannot understand

Camping Through Palestine ATHENS, Greece, May 14, 1991. Dear Edito

We had looked forward with consider been pictured too often not to recognize able pleasure to the camping tour through Palestine. In the first place it was an and in the second place we were to see emory because our Lord Himselfonce

pressed the soil with His feet. As we filed out from the hotel at Jerusalem we made rather an imposing show. There were twenty-one of the party, the they needed most after the hot, dusty remaining ones not thinking it suited to ride. They might as well have taken a their age and strength, and they were saim in the dregs of an oil tank. After right. Our hotel was near the Jaffa gate several days they succeeded in getting the ust outside the city wall. This was slime off their skin and hair. I didn't practically destroyed a few years ago, indulge, having been forewarned, but when Emperor William was there, in order to make a way for the grand pro- Galilee. For three days the road over ession. From a sentimental point of view this is to be deplored as it destroyed an ancient land mark to all those entering Jerusalem from Jaffa, either by rail or highway, Practically, however, it Jerusalem, and on the whole trip but was not much loss for the day of walled

cities is past. Our first objective point was the Pools of Solomon. This led us south about 8 miles on a splendid macadamized highway along an elevation from which we had a good view of the country on all sides, the clear atmosphere proving

Small herds here and there are seen besection of the country is fertile, The ing led along on the hillsides hunting principal products seen were grapes and posture but it seemed a forborn quest in olives. The whole country seemed demany places. The country around Bethtoo early for the blossoms. The grape vines are trimmed down to within about four f et of the root leaving nothing but way through. It was while passing through the temper and endurance of the

These vineyards were very small indithe party had never ridden a horse before vidually being separated from each other by stone walls roughly laid, and al nost about riding, so that through nervouseach o e contained a watch tower, a little ness and weariness it was a day long to

one place we were descending the hill . where we had to walk and no loss than subsistence from, the ground was so two riding horses and one pack horse stony. It was not far from this place came tumbling down over the rocks like that the spies sent out by Moses from a foot ball kicked from the top of the hill. Barnea gathered the large One pack mule had his leg broke this day. This was the hard part of it and it the wealth of the land. was hard. Rehoboam made a bad mess

By the roadside is Rachel's tomb where of it when he seerned the advice of the a large well of water is. On the west old men and thereby lost all the country side, a mile or so from the road was north of Bethel. Above this there were pointed out a Moslem village said to some fine valleys, all the more beautiful have been the home of Saul's father. To because of their rough setting. When we the east, on an eminence, is situated came to these we lost sight of our hard-Bethlehem which we visited on our reships in admiration of the beautiful little turn from the Pools, two miles further valleys. The first one we saw was at our

first Sunday camp, Sinjil. We were There seems to be no reason to doubt about 400 or 500 feet above the valley on a that these are the very Pools Solomon hill from which we could see the Medibuilt to fornish Jerusalem with water terranean and long distances in every and his own gardens which are spoken other direction. At our feet lay this valof in the scriptures. There are three of ley and over on the other side was Shiloh. them lying quite near together but at What a restful Sabbath day this was to varying elevations. The second one is us all, in the midst of such hallowed as-19 feet below the upper and the same sociations. The day was perfect and afdistance above the lower. The lower one, ter breakfast I walked away from camp a which is the largest, is 194 yards long and short distance to read the Bible references 48 feet deep. They are partly cut out of ennected with this landscape. No one the rock and partly built masonry and ould forget the heautiful story of Hanvery strong. There are several sources nah and little Samuel. But we had also of supply for these but in some manner to read the darker story of Shiloh's which they were arranged by means of siphons followed. It was a morning of delight, that they could all be kept full and when At 10:30 Dr. Leeper preached a most exneeded drained out. The remains of the

cellent sermon and at 4:30 we had C. E. old aquaducts are still to be seen almeeting which I led. Passages of scripthough repairs on them have been reture were read and commented upon recently made to supply Bethlehem. At ferring to places we had already seen. Bethlehem, situated on a high rock point, We spent an hour profitably I am sure the chief point of interest was the church Then we walked to the hill top to see the in will be surprised to note that Justice Harlan, though a Republican, took the sufficient structure of the verything any could ask for, even to the sufficient structure of the star that led the wise men, which is brass crossed the plains of Jezreel and Aesdracbut placed over the exact spot of our lon in passing from camps Jenin to Naz-

fore the rising sun had begun to gild the hilitops we were winding our way along toward the Dead Sea which we reached after six hours hard riding. This sea has

it at the first glance. All that has been said about its saline qualities is true. It's entirely new experience to many of us, bitter. A good many of the party foilowed the usual custom of taking a swim he hills and valleys the prophets trod, in its waters. They floated like corks. and forever sacred in the associations of Fai fellows could not get low enough in the water to swim, while a lean novice looked upon this same landscape and broke all his former records by swim ming without a bladder or board. They got a swim but they didn't get a bath, or a good old fashioned wash which perhaps waited for the more refreshing waters of which we traveled was had beyond do scription. Part of the time we were or the old road which for 3 00 years has been used as a highway through Samaria from The

> uce-from Nazareth to Tiberias did we On June 1 the Passenger Department find what made any pretence to a road. of the Pennsylvania Railroad Company. One of my surprises has been the will publish the 1901 edition of the sumoughness and barrenness of the country mer Excursion Route Book. This work but especially its rockiness. To us it is designed to provide the public with scemed a hard stretch of the imagination descriptive notes of the principal Sumto picture it teeming with floc-s and mer resorts of Eastern America, with the herds, and supporting a large population. best routes for reaching them, and the

rates of fare. It contains all the principal seashore and mountain resorts of the East, and over seventeen hundred difforent routes or combination of routes el and Al is specially noteworthy in this The book has been compiled with the respect. The hills are high and steep greatest care, and altogether is the most and somewhere level ground is found. It complete and comprehensive hand book was with difficulty we could wind our of summer travel ever offered to the pub-The cover is handsome and striking,

company was tried. Quite a number of printed in colors, and the book contains several maps, presenting the exact routes and but very few of us knew anything over which tickets are sold. The book is profusely illustrated with fine halftone cuts of scenery at the various rebe remembered by many of them. In sorts and along the lines of the Pennsylvania Railroad.

On and after June 1 this very interest-ing book may be recursed at any Pen-n-ylvania Ruilroad ticket office at the nominal price of ten cente, or, upon ap-plication to the general office, Broad Street Station, by mail for twenty cents.

Good Advice.

Good Advice. The most miserable beings in the world are those suffering from Dyspepsia and Liver Complaint. More than seventy-five per cent of the people in the United States are allieted with these two dis-cases and their effects; Sour Stomach, Sick Headache, Habitual Costiveness, Palpitation of the Heart, Hart-burn, Waterbrash, Gnawing and Burning Pains at the Pit of the Stomach, Yellow Skin, Coated Tongue and Disagreeable Taste in the Mouth, Coming up of. Food atter Eating, Low Spirits, etc. Go to your Druggist and get a bottle of August Flower for 75 cents. Two doses will re-lieve you, Try II. Get Green's Prize Alimanae.

REDUCED RATES TO KANSAS CITY, Via the Pennsylvania Railroad, account

Imperial Council, Nobles of the Mystic Shrine,

Mysile Shrine. On account of the meeting of the Im-porial Council, Nobles of the Mystic Shrine, to be held at Kansas City, June 11 and 12, the Pennsylvania Rairoad Company will sell June 7, 8, and 9, from all stations on its line, excursion thekets to Kansas City and return at rate of one tare for the round trip plus \$2. These tickets will be good for return passage, leaving Kansas City not earlier than June 11, nor later than June 17. For specific rates and full information, apply to teket agents. 21

such men, in the opinion of the Roston Journal

PRESIDENT MCKINLEY on his trip to California made a number of speeches hard road and thought an attempt had which were without exception, in good been made to deceive us in regard to the temper, in good taste and full of sense, road. But this illusion soon disappeared. But among them all there was not one more spt or more admirable than the than we were brought up face to face brief address to the students of the Texas Normal and Industrial School. These road I had ever tried to put a horse over. words are worthy to be over the portals of every school and college in the land: "W hat we want more than anything else, whether we be white or whether we be black, is to know how to do something well. If you will just learn to do one thing that is useful better than anybody else can do that one thing, you will never know their business and when let alone be out of a job."

THERE is one sure barometer of financial condition in Kansas. Whenever and tried to satisfy the appetite a 12 mile the people feel rich they get up schemes to hore in the ground after oil or gas, or other valuable productions. This propensity has given Kansas some very valuable coal, gas, oil and salt fields, and up on locusts and wild honey, and to our it is to be encouraged, not deplored. To- eyes he was fortunate to get that much. day something like fifty towns are bor. The character of a country has a great ing holes in the ground. At one place deal to do with the character of its inhabout in Western Kansas they are down | itants and the strong, noble, unbending close to 2,000 feet, and stil are cheerfully John was the natural product of the hills chugging away. At Abilene \$1,000 has of his home land. Passing on down just been raised by popular subscription through deep passes and wild gorges we for the purpose of boring, and the work came to Mar Saba, a monastery built of is to be started at once. In Hutchinson a stone in the wildest part of the gorges, so new salt well is going down at the rate wild that one wonders why on earth sixof 200 feet a day, and it is to have around ity men want to make their dwelling it the biggest salt plant in the State, In there, Our camp for the night was Southern Kansas derricks are as thick as pitched in just such a place, quite near a haystacks and they are finding things, too,-Kansas City Journal.

THE decision reached last week by the Supreme Court in the Porto Rican and trol there are large sections where this other cases is of iar-reaching consequence to the United States. It sets forth that Porto Rico, after the annexation, was not foreign territory to the extent assumed by the government at Washington, and declares that until Congress itsolf acted no duty could be levied on ed as our guide and was responsible for man's breath longer than a dozen ice goods from that island coming into the our safe conduct. For this reason we had United States, But Congress, so the court says, has power under the constitution to impose duties on goods coming from Porto Rico or any other of our is- befallen us. Besides this, however, our land possessions into the United States, and to perscribe duties on United States pearance when we all got together. There goods imported into them. The division were eleven tents, very handsome and in the court was close, but happily it was not on partisian lines, Republican and dining tent and kitchen, two dragomen, Democratic members being found on 57 men and women all told and 68 anieach side. The constitutionality of the mais. Foraker tariff act for Porto Rico has been

sustained, and as this was by far the start. In fact we usually got an early James D. Davis, most important point involved, the gov- start, the rising bell sending out its -Shirt waists stantial victory.
