McCLURE'S GAME

An Old Politician's Desire For Revenge Upon Republican Leaders.

TO HOLD BOLTING CONVENTION

Wanamakerism Called Upon To Help Out a Desperate Attempt To Injure the Candidates on the Republican State Ticket.

(Special Correspondence.)

Philadelphia, Sept. 3.—Colonel Alexander K. McClure, who has been a member of every political party that has had an existence during the last half century, excepting, of course, the Prohibition party, has determined to hold an independent state convention in this city on the 12th of September. Colonel McClure is just now on the rampage and is out for revenge. He is disgruntled because the Republican organization of this city refused to renominate his brother-in-law, Simon Gratz, for the lucrative position of member of the board of revision of taxes. Mr. Gratz has been a member of this board for a number of years and under his administration there have been many complaints regarding the discriminations in favor of the wealthy classes in the assessments of real estate for the purpose of taxation.

WHY McCLURE KICKS.

The Republican leaders of this city determined to reform present conditions and they had a bill passed at the last session of the legislature repealing those under which the members of this board were appointed by the board of judges, and requiring that these positions shall, hereafter, be filled by elections by the people.

McClure was intensely disappointed over this move and he swore vengeance against the Republican party leaders in this city and in the state.

He had been petted and favored by the Republican organization for a number of years and he seemed to have gotten the idea that he must have everything he wanted without a question being raised.

A CASE OF BROTHER-IN-LAW. Another brother-in-law of McClure, Alfred Gratz, almost cost the Republican party the loss of the office of register of wills some years ago when he was forced upon the Republican party as its candidate by the late James McManes, to oblige McClure, who was, at that time, at the head of the Philadelphia Times, and who worked all parties to accomplish his personal ends.

There was a popular revolt against the Gratz nomination and he only won out at the polls by the aid of Democrats who believed in McManes and who sold out their party nominee and gave Gratz his election by a miserable plurality of less than 2,000, when any strong candidate should have had 40,000 majority at least.

McClure organization have determined to shut off the McClure income from the Republican party he proposes to join hands with the remnants of the old insurgent organization, and have a state convention all to himself, with Wanamakerism supplying the funds to finance the game, and seek to cut down the Republican majority in the coming state campaign.

McClure is the chairman of the so-called "Union party's" subcommittee which is running the independent movement in the state, and George E. Mapes, an old time Cleveland supporter is secretary of the committee which has the matter in charge and which is looking after the transportation of small fry and disappointed politicians, who are willing to come here and figure in an independent convention provided their railroad fare is paid, and they are given money to pay their board and meet other "necessary expenses."

TO BE A PACKED CONVENTION.

The original proposition was to hold this independent convention in Harrisburg, but when a canvas of the state disclosed the fact that it would be impossible to get any number of representative men to attend such a gathering from the interior counties the plans were quickly changed and it was determined to seek the aid of the Wanamaker contingent in this city and to have them hire enough men to make a fairly good showing at the so-called convention.

It is known that arrangements have already been made to get a large number of politicians who have been dismissed from various departments in this city to go as "delegates" to this fake convention and to endeavor to make it appear that there is a great popular sentiment against the Republican ticket.

There will not be one per cent. of the men in this convention who will not be there for a selfish and personal interest and who will not hope to gain something through the defeat of the Republican party.

TO NAME A DEMOCRAT.

There is no indication that there is to be any change from the original program for the nomination of the Democratic candidate for justice of the supreme court, Judge Yerkes, for that office, and the selection of E. A. Coray, a Wanamaker insurgent of Luzerne for state treasurer. The McClure crowd still want to have the Democratic candidate for state treasurer, Representative Palm, withdraw from the fight in order that they may have Coray's name placed upon the Democratic ticket, but it is not believed that this can be accomplished.

STALWARTS ALERT

Developments in Allegheny County Won't Help Insurgents.

REGULARITY WILL PREVAIL

Republicans Will Enter Upon the State Canvass With a Determination To Crush Out Possible Opposition in Next Year's Gubernatorial Campaign (Special Correspondence.)

Harrisburg, Sept. 3.—No doubt the sensation in state politics of the last week was the action of the recorder of Pittsburgh in removing from office a number of well-known supporters of Senator William Flinn, and supplanting them with men identified with the stalwart Republican forces of the Allegheny county politics.

These changes were not unexpected and there was reason to believe that they were to have been made some time ago. No matter what construction may be placed upon the action of the recorder, it is a fact that there will be no serious severing of the personal and political relations which have existed between the stalwart Republican leaders of western Pennsylvania.

THE SAME OLD GAME.

The insurgent newspapers have been endeavoring to make capital out of this move on the part of the new recorder, but they have thus far failed to make any impression upon the party men who believe in the principle of majority rule, and who hold that any man identified with a party organization should promptly and gracefully submit to the will of the majority.

The most labored efforts have been made during the last few days to have it appear that there is a serious breach between Governor Stone and Senator Quay over the action of the Pittsburgh recorder, but there has not been the slightest foundation for any such statements.

STALWARTS WILL BE STRONGER.

The stalwart Republican organization in Allegheny county will be strengthened, and the predictions that Allegheny county will give the largest Republican majority to the state ticket that has been gotten from that county in recent years in an off year campaign will unquestionably be fulfilled.

The opening of the Republican state campaign, which will occur within a few days, will be marked by a degree of enthusiasm among the rank and file of the party organization such as has not been witnessed in recent years.

There is a disposition to prepare for the campaign which is to take place next year over the election of a governor, and to silence, for all time, the guns of the insurgent batteries which are being directed against the regular Republican organization.

The insurgents are not even a little bit hopeful in the present canvass, and if the stalwarts only put their shoulders to the wheel and roll up an immense majority this fall, they will practically dispose of the opposition for next year's campaign. The insurgents, now that Flinn has been deprived of the source of all his political power, the control of the patronage in Pittsburgh, cannot bank upon any western reserve, such as they have had in the past.

Allegheny county, with the following which David Martin had in Philadelphia, contributed over 80 per cent. of the insurgent following in the last two sessions of the legislature. With Flinn practically out of business in Allegheny, and Martin no longer a power in Philadelphia, the insurgent movement has little else to fall back upon besides the Wanamaker campaign funds and the McClure personal interest outfit in the Quaker City.

This will mean an infinitesimal element when confronted by the trained forces of the regular Republican organization in every county in the commonwealth.

Unknown to Women.

Every woman should read, without fail, the following paragraph. She will learn something about herself she never knew before.

Thompson's Barosma is not only a wonderful kidney, liver and bladder cure, but has a particular advantage as a remedy for Chronic Heart Weakness, Palpitation of the Heart, bearing-down sensations, Nervous Debility, Leucorrhoea or Whites, and Dropsical Swellings. Its peculiar advantage lies in the fact that it is both a female regulator and kidney, liver and bladder cure. The womb is situated back of and very close to the bladder. A woman having any pain or distress in the back or side, at once attributes it to female weakness when many times her trouble is entirely from the kidneys or bladder. Hence a woman making this grave mistake will find a sure remedy in Barosma, for whether she is suffering from womb disorder or any disease of the kidneys, liver and bladder, Barosma will effect a permanent cure. For this two-fold reason Barosma is the best woman's remedy on the market. Thompson's Dandelion and Mandrake Pills should be used with the Barosma, for the liver and constipation. They are purely vegetable and do not gripe.

Was Losing Control of Her Mind.

I was losing control of my mind and could not remember names of people, caused by liver, kidneys and bladder, scalding of urine and non-retention of the same, which had troubled me, making me very nervous, the past twenty years. All the medicines I used only relieved me for the time. You don't know how delighted I am to think I am so much better and stronger all through my system, and Thompson's Barosma Backache Liver, Kidney and Lungs cure did it. I used six bottles. It was worth more to me than I was. It gave me health and strength, as I was very weak and miserable before.

MRS. M. A. COX, Titusville, Pa.

All druggists, \$1.00 a bottle, or six for \$5.00. Barosma cures are Permanent.

THE ORGANIZATION HEALTHY.

The Republican organization in the state was never in a better nor more encouraging condition than it is today, and there is every reason to believe that it will continue to lead its candidates to victory for some time to come.

At the recent Republican state convention a plank was inserted in the platform of one party which dwelt upon the condition of the state finances, and which gave due credit to Governor Stone for the industry and the intelligence with which he has mastered the financial problems of the commonwealth.

Former Governor Hastings took exception to the statement made in the Republican state platform, and in reply to his comments on this subject Secretary of Agriculture Wilson, who is an authority on this subject, has made a presentation of the facts and figures which bear out every proposition made in the Republican state platform.

LOT No. 2—Men's Fine All-Wool Suits, were \$10 and \$15, only one to each customer; sale price, \$5.

LOT No. 4—Boys' and Children's all-wool suits, price were \$3 to \$5; sale prices \$1 to \$2.

To us this is a simple business proposition. We have been spending \$5,000 a year to tell you the merits of The McCuen Company's Famous Ready-to-Wear Clothing. About \$500 of this year's advertising appropriation goes to pay for the difference between the cost and the sale price of this lot of SOUVENIR SUITS.

We will consider the money well spent if we can put the clothing on the backs of men and boys who have not been wearing our clothing, knowing that the merits of the suits will make customers out of every man and boy who is lucky enough to get one of our SOUVENIR SUITS.
