Ambitious Millionaire Back of the Union Party Movement.

Efforts Being Made to Drag In Dis-County In the State to Further Selfish Interests.

(Special Correspondence.) Harrisburg, Sept. 10 .- While no one a serious opposition to the Republican organization, the attempt to form a new party under the auspices of Wanamakeriem and McClureism is attract-Ing some attention here.

The so-called Union party is nothing more nor less than a Wanamaker party, with Colonel Alexander K. Mc-Clure, the political acrobat, as the chief engineer, with the Wanamaker interest supplying the fuel in the form of large wads of greenbacks to put action into men who are actuated sole ly by selfish and sordid ends.

The Union party seeks to put into the field an independent state ticket on which shall appear the name of Harmon Yerkes, the Democratic candidate for justice of the supreme court, and E. A. Coray, the erratic political curlo of Luzerne county, who, although elected as a Republican to the legislature, was never in accord with his party, and sought comfort and support almost invariably from the Democrats. Coray has not the support nor the sympathy of the substantial interests of the state; in fact, he is dreaded on ac-

count of his many peculiarities. He is not looked upon as a desirable candidate for any state office, and the suggestion for his nomination by the Union party has done much to deter some who would otherwise be inclined to join the movement from having anything to do with it.

McCLURE'S DRAG NET. McClure figures in the efforts to dragnet the state to get enough disgruntled politicians together at the Philadelphia convention to make a showing for the Wanamaker interests. No one is to be benefited by this agitation but Wanamaker, who hopes, through cultivating an independent sentiment. to disrupt the Republican organization and to have himself elected to the United States senate.

The greatest disappointment that has been experienced by the Wanamakerites came from the Flinn leaders in Allegheny county. They had hoped to have Films and all of his friends take part in the agitation against the Republican state ticket, and they surely counted upon Flinn to be at the

front from the start. A MISSION THAT FAILED.

Representative John Rendall, of Chester county, slipped into Pittsburg last week as an agent of the new Union party, and, finding Allegheny county Republicans unwilling to join an attempt to overthrow the state organization, slipped out again without doing any good. He got practically no fire.

from the Flinn machine or from men

While there Rendall called on a close friend of Congressman John Dalzell, by whom he was piloted about the city. For this reason some folks believed McCLURE WORKING THE NET that Mr. Dalzell was the only Republican of prominence in Pittsburg who was lending aid to the new party, but even this is very much doubted. Othgruntled Politicians From Every ers say that he will not attempt to push it in Pittsburg, as the conditions there at present are not favorable to the movement.

who are opposed to any machine in

Rendall called on Senator Flinn and others of the old insurgent movement looks upon the movement as indicating and tried to enlist their aid, but his advances were not favorably received. Flinn and his friends want to be popular this year, and they will not listen to any proposition that involves disloyalty to the party. They have nothing left but "the organization," and to have anything to do with the Union party would mean a surrender of this cherished name. They will not give up as long as they can show a shadow of claim to it, and they are trying their utmost to avoid any entanglement that

would cloud their titles. FLINN MEN PRACTICAL.

They want to be "the organization" next spring, when there are councilmen to elect. They hope they can control the nomination of Republican candidates and defend their right in court to name them and put them on the official ballot as Republicans. This, they hope, will give strength to their cause, and they will allow no man to cajole them into a desertion of the Republican party, particularly at an election when their loyalty or disloyalty is a matter of such small importance to the party.

Since Rendall's visit to Pittsburg J. O. Brown, chairman of the Pittsburg Republican city committee, has called upon Chairman Reeder of the Republican state committee and assured him that the Republican organization in Pittsburg will make an aggressive campaign in the interest of the entire Republican ticket and give a rousing majority for each of the can-

QUAY AND STONE IN ACCORD. Senator Quay and Governor Stone have talked over the Pittsburg situation and are in absolute accord, and the friends of the new city administration represented by Recorder Brown and his supporters are also working for the success of the full Republican ticket, and they all predict that the majority this fall in Allegheny county will be something unprecedented.

Senator Quay before leaving for Florida announced that he believed that Allegheny county will give over 20,000 Republican majority, and that it might reach 30,000.

These conditions of harmony have seriously interfered with the plans of the Wanamaker movement.

The Union party will not cut much of a figure in this campaign. The mainstay of the insurgent organization in the past has been the Flinn following, and Flinn is not allowing himself to be used any lenger to pull the Wanamaker chestnuts out of the

Unknown to Women.

Every woman should read, without fail, the following paragraph. She will learn tomething about herself she never knew Thompson's Barosma is not only a won-

derful kidney, liver and bladder cure, but has a particular advantage as a remedy for Chronic Female Weakness, Palpitation of the Heart, bearing down sensations. Nervous Debility, Leucorrhoea or Whites, and Dropsical Swellings. Its peculiar ad-vantage lies in the fact that it is both a emale regulator and kidney, liver and bladder cure. The womb is situated back of and very close to the bladder. A woman having any pain or distress in the back or side, at once attributes it to female weak ness when many times her trouble is en-tirely from the kidneys or bladder. Hence a woman making this grave mistake will find a sure remedy in Barosma, for whether she is suffering from womb disorder or any disease of the kidneys, liver and bladder, Barosma will effect a permanent cure. For this two-fold reason Barosma is the best woman's remedy on the market. Thompson's Dandeloin and Mandrake Pills should be used with the Barosma, for the liver and constipation They are purely vegetable and do not

It was worth more than money to me. It gave me health and strength, as I was very weak and miserable before.
