

The best time in the year to paper is when everybody else has finished. Then there is no difficulty in securing the services of a competent paper hanger because of the light demand for such work and another and more potent reason is that after the regular season is over you can buy paper hangings at 1/2 to 2/3 off the regular prices. We are now selling wall paper at actual cost. Not remnants either, but full lines and a large variety of designs:

Papers that were 15c per roll, now 10
" " " 20 " " " 13
" " " 23 " " " 17
" " " 35 " " " 23

and all others at proportionate reductions. At these prices we do not expect the stock to last a great while.

Made at Lanson's Tionesta, Pa. -Bert Cook, formerly of Cooksburg is now occupying the house vacated by Mr. Baldwin, seventh avenue. Welcome Mr. Cook to our little city.—Clarion Jack-sonian.

-Free tuition and the adoption of a most liberal policy toward students by the management of the Clarion State Normal School, have resulted in the addition of a large number of students.

-We have placed two new machines in our mill and we believe we are able to make the farmers just as good flour from their wheat as can be had anywhere. Ask your neighbor about his, Lanson Bros., Merchant Millers. -Geo. F. Whitmer, Esq., last Saturday purchased the one-third interest of James Aharah in a big timber tract in Limestone township for \$4000. This gives Mr. Whitmer a two-thirds interest in the property.—Clarion Republican.

-Elmer Flemming on Jamieson run, not far from the railroad track, and Propser Bros. on the Emerson tract, German Hill, each struck good wells last week. Patterson, over on his holes run operations, started his 25th well the first of the week.

Now is the time to write for circulars and new illustrated catalogue of the Edinboro Normal School. The tuition is free. Why not make up your mind to attend? There is no time like the present. Fall term opens September 18. Address John F. Bigler, Principal. -A heavy second-hand wagon, in first class condition, is for sale at a bargain at Snowden & Clark's. The firm has also a stock of new buggies on hand which they would like prospective buyers to examine. Quality, style and price as nearly right as could be desired.

-Notwithstanding the Grand Jurors for next week's term of court have been notified that their services will not be required, the session promises to last the entire week, owing to the presence on the trial list of a number of cases which will take up much of the court's time. -The Northwestern Association of G. A. R. which holds its annual meeting at Warren, Oct. 2, is preparing for a large gathering of veterans. A 2-cent-a-mile rate has been arranged on the railroads. Cards entitling the holder to this rate can be had by addressing Dr. J. W. Morrow, Tionesta, Pa. -Upward of fifty tickets were sold at this station for the special Oil City Fair train last Thursday, and quite a number went down on the regular train an hour or so later. The threatening weather in the morning kept many at home who had intended going. The two Hickorys and Endeavor also furnished a number of visitors.

-In his sermon at the Presbyterian church last Sabbath evening Rev. J. V. McAninch dwelt feelingly upon the great cloud of sorrow which enveloped the American people in the loss of their beloved chief magistrate. Seathing reference was also made to yellow journalism as a prominent factor in the encouragement of anarchistic tendencies.

-Messrs. Hunter and Fleming who have charge of the Warren Lumber Co.'s yard at Grandville have launched two barges thus far which will be floated to market on the present flood. Joseph Morgan has turned five flat boats for the company and will probably dump two more this week. The wet weather has greatly hindered barge and boat building operations. -The Water Co. has just completed the work of replacing upward of 2000 feet of its tile supply line with 8 x 8 inch metal pipe. The tiling has proven a complete failure as a supply where it comes through the woods, roots and fibrous substances having found their way through the joints and in many places almost completely filled the line. Next season the entire line will likely be replaced with iron.

-The Derrick is a healthy, vigorous one at the age of 30 years, which it attained on the 11th inst. Always growing better, like good wine, its popularity under the management of veteran Pat Boyle scarcely knows any bounds. We couldn't get along without the Derrick and we don't need to for it bids fair at the present rate to prosper and flourish right through to the end of the century. And here's hopin'—

-Joseph Moran, proprietor of a bottling works at Titusville, who had made a delivery of some goods here Friday, died suddenly of apoplexy or heart disease while on his return in the evening. When entering Pileasantville he was seized and fell from the wagon. He was accompanied by a friend, Neil Fisher, who at once started for a physician, but before he arrived Moran was dead. He was a single man and is survived by his parents and five sisters. -The new two-cent piece soon to be issued has already been styled the doughnut coin, because it will have a hole in the center. This innovation was deemed necessary, as the new coin is to be the same size and the same alloy as the present five-cent piece. Hope that in contributions for holy purposes the holey coin will not take the place of the nickel. Don't ring in the fingers on the gentlemanly ushers. The parson's blessing won't take hold on the holes.

-Mrs. Carson, who lives next door to her daughter, Mrs. L. Agnew, gave many of our citizens an opportunity to see the beauties of a night-blooming cereus, a very fine specimen which she has nursed for the past four or five years having taken a notion to reward her for her trouble and care by coming out in full bloom last week. On three nights the plant's beautiful waxy flowers opened, and those who were fortunate enough to see the exhibition felt they had enjoyed a treat worth going far to see.

-Last Saturday morning while the fog was very dense and as Conductor Jack Walsh's train up the river was leaving Dawson station, four miles above here, the brakeman thrust his head into the rear door of the "smoker" and made the startling announcement that "the next station is Tionesta!" Judge Crawford, the veteran river pilot, who had floundered about on many a foggy night trying to find his bearings, was on the train, and casting his eye around to see if the train was running backwards, dryly remarked, "Guess that fellow's lost in the fog." To those who have ever attempted to navigate the river in a dense fog the humor of the Judge's observation comes with double force.

-Grand Jurors, Take Notice. All Grand Jurors summoned to appear at September Sessions of Forest County Court, September 23, 1901, are hereby notified not to appear as Grand Jurors, and are excused from duty at the above stated Sessions. As witness my hand and seal of the Court this 16th day of September, 1901. (SEAL) J. H. ROBERTSON, Clerk.

-Zinc and Grinding make Devos Lead and Zinc Paint wear twice as long as lead and oil mixed by hand.

-Saw Mill for Sale. We have at our mill below Warren one complete saw mill, equipped with Stern's spring sets, and another lighter mill which we will dispose of at a very reasonable rate. Anyone desiring to purchase a mill will do well to call and examine them or address us either at Warren or Tionesta. WARREN LUMBER COMPANY.

-Friends here received the news Monday of the death of Mrs. Mary O. Spence, at the home her daughter, Mrs. James C. Percival, Stanton, Mich., Sept. 5, 1901, with whom she had lived about a year. Mrs. Spence had made her home with the family of her son-in-law, Capt. Knox of this place for many years, and is well remembered by most of our citizens. She lived in Barnett township, this county, many years, and it was there she lost her husband, who was drowned in the Clarion river, leaving her with a large family of young children. She was aged about 88 years, and although quite feeble for a number of years she kept up well until a couple of weeks prior to her death. Mrs. Spence had been a member of the Presbyterian church from early in life, and was never absent from its services while health and strength permitted her attendance. -Robert, son of Will S. Clark, is nursing a badly sprained arm, the result of an accident which happened last Friday. On Mr. Clark's farm on Hunter run is located a well from which he is supplied with fuel gas. Occasionally the oil and water must be bailed out, for which purpose an improvised horse-power has been arranged. In letting the bailer into the hole the horse is unhitched and the power wheel is allowed to run backward at a high speed. The boy concluded this would be a good place to have a ride and so mounted the whirlingig. He don't remember whether he jumped or was thrown off, but in his flight his right hand struck first and the cords of his wrist and forearm were badly wrenched, making a painful hurt. Robert has heretofore sustained a number of injuries, such as having an arm or a leg broken and he don't much mind this last little episode.

-A recent decision of Judge Patton, of Armstrong county, is of interest to oil and gas men. J. R. Burford leased his farm to George W. Lynch for 15 years, for oil and gas, reserving five acres around his house for protection against fire. Lynch put down a well and found oil in paying quantities. The next year he located a well within one foot of the line of reservation, which was not completed. Six months afterwards Burford notified Lynch to remove his tools and rig and not to put anymore wells on the lease. In June of this year Burford began a well on the five-acre reservation within 21 feet of Lynch's second well, and just that much nearer his buildings. Lynch applied for an injunction to restrain Burford from further operation, which was granted. In continuing the injunction Judge Patton said: "Both from reason and authority, we are of the opinion that Burford, the defendant, has no legal right to drill within the reservation, and that a court of equity has authority to enjoin him from so doing."

-The Erie conference of the M. E. church closed Monday at Union City, the place selected for holding the conference next year is Oil City. Following are some of the appointments: Franklin district—J. N. Fradenburgh, presiding elder; Emlenton and Foxburg, C. C. Rumelberger; Franklin, A. C. Boyce; Karns City, W. J. Small; Oil City, Grace church, J. B. Nell; Oil City, Trinity, T. R. Thornburn; Pleasantville and Enterprise, L. M. Foster; President, to be supplied by J. C. Thompson; Bonseville and Plummer, L. H. Eddelette; Tidoute, E. M. Kernick; Tionesta and Nebraska, O. H. Nickle; Titusville, S. H. Prather; West Hickory, H. K. Steele.

-The Erie district—R. C. Smith, presiding elder; Arroyo, J. E. Hillard; Brookville, W. P. Graham; Byrontown, C. A. Willpou; supply; Clarion, C. O. Mead; East Brady, H. S. Bates; Falls Creek, C. H. Frampton; Marienville, W. E. Frampton; Putneyville, J. P. Hicks; Ridgeway, J. H. Clemens; Tylersburg, F. M. Small.

Rev. W. P. Murray, who so ably filled the pulpit of the church here at the past year, and whom the people would gladly have welcomed for another year, was transferred to the Erie district and stationed at Dunkirk.

Rev. R. A. Buzza was returned to Jamestown, Pa. Rev. W. W. Dale goes to Sandy Lake, and Rev. J. R. Rankin to Sharon.

Charles Murphy Acquitted. Monday at 5 p. m., in the Clarion courts, the jury in the case of the Commonwealth vs. Charles S. Murphy decided to determine whether or not the defendant was concerned in the murder of William Kissel. The counsel in the case argued the evidence before the jury for over nine hours and Judge Clark's charge to the jury lasted nearly two hours.

The jury at 8:45 the same evening returned a verdict of "Not guilty." The verdict of acquittal was expected by some because of the evidence. Many expected a verdict of murder in the second degree. Murphy was heartily congratulated by his counsel and friends when he was taken back to the county jail.

When the prisoners learned of the verdict they cheered lustily and their cheering could be heard blocks away.

If They Didn't Weigh Three to eight ounces more to the pint, Devos's Gloss Carriage Paint would wear no longer than others. Extra weight means heavier body—covers thicker. Wears longer. Sold by J. D. Davis.

-Mrs. F. F. Whitekin and niece, Miss Carrie Pennell, left last Friday for the latter's home in Ann Arbor, Mich. Miss Pennell has been in Tionesta for over a year and has made a host of friends who will greatly miss her.

-Mr. and Mrs. W. A. Shaw, and Miss Lydia Kelly of Pittsburg have been guests of Mr. and Mrs. Kelly during the past week. They were enroute home from Chautauqua and are overland, having their outfit in an evered tour of the country.

-Miss Marie Smearbaugh very pleasantly entertained a number of her young

friends at a marshmallow roast on Tuesday evening of last week. Miss Smearbaugh, and Miss Ellen Bowman, of East Hickory, returned to their studies at Oberlin, Ohio, Monday.

-John L. Critchlow, one of the veterans of the old 83d Regt., and who came from his home in Minnesota to attend the national encampment, is in this section for a short visit with old comrades and friends, and to visit his sister, Mrs. James Thompson, at Nebraska.

-Mrs. H. A. Lynch of Endeavor, Pa., spent last week in Cleveland on business. She brought home with her a stock of millinery goods, trimmings, etc., that the ladies of her section will surely enjoy. Mrs. Lynch's ad. appears in this issue of the REPUBLICAN to which attention is called.

-Patrick Joyce and son Joe, returned last week from a two month's stay in Millin county, where they were employed on the construction of a railroad bridge the masonry of which was in charge of Mr. Joyce. Townsman F. F. Whitekin is one of the principal stockholders of the road.

-Nicholas Rosenburg, who met with a painful injury to his left hand last week, having a part of his thumb taken off by a plank falling on it, is threatened with serious trouble from blood poisoning. The injury has given him very great pain and his arm as far up as the elbow is badly swollen. He went to the hospital at Oil City Monday morning to be treated.

-W. W. Diamond of Kansas, was a visitor during the past week to Tionesta friends, being a guest at the home of his nephew, Jas. H. Pines. William came east to visit again his old company in arms at the national encampment at Cleveland, and while there concluded to run over and shake hands with old friends here. He is serving his second term as treasurer of Osborn county, Kansas, and if the constitution didn't stand in the way his friends would insist on putting him in for another. He is always welcome in Tionesta.

-L. R. Reed of Oil City, whose illness from typhoid fever was mentioned in these columns last week, died at his country home near Titusville last Wednesday. His death was quite unexpected as he had been improving for several days previous. "Dick" Reed was one of the best known men in this section, and perhaps no individual could count a larger circle of personal friends than he. His funeral, held on Saturday from his late residence in Oil City, was one of the most largely attended of any ever held in that city.

Letter to Rev. J. V. McAninch. Tionesta, Pa. Dear Sir: In making pastoral visits, of course you do not consider your pleasure or comfort or ease; you go where your people live. But you go with two sets of feelings in going about—can't help it—we all have. But you especially have; for a part of your business is sympathy. Well-kept lawns and well-tilled fields, nice homes and nice people, are cheerful to us, as they are to every one. Tumble-down buildings, poor fences, men harassed by burdens too heavy for them, overworked women, and dirty-faced children, you may be strong to get on with; but you would be more than human to find inspiration in misery.

Point divides the two sorts of people, one paints, and the other don't. Or, perhaps, the thrifty paint well; the unthrifty paint ill.

To paint well is to keep paint sound. There are two ways to do it: one is bound to paint often; the other to use good paint.

It costs about half as much to paint Devos as to paint lead and oil; for Devos lasts twice as long and costs no more—indeed it costs less, but not much less.

The thrifty and comfortable have the art of using money more wisely. How lucky they are! Yours truly, F. W. Devos & Co.

P. S.—James D. Davis sells our paint in your section. Good Advice.

The most miserable beings in the world are those suffering from Dyspepsia and Liver Complaint. More than seventy-five per cent. of the people in the United States are afflicted with these two diseases and their effects; Sour Stomach, Sick Headache, Habitual Constipation, Palpitation of the Heart, Heart-burn, Waterbrash, Gnawing and Burning Pains at the Pit of the Stomach, Yellow Skin, Coated Tongue, and Disagreeable Taste in the Mouth, coming up of Food after Eating, Low Spirits, etc. Go to your Druggist and get a bottle of August Flower for 75 cents. Two doses will relieve you. Try it. Get Green's Prize Almanac.

Josh Westhafer, of Logansport, Ind., is a poor man, but he says he would be without Chamberlain's Pain Balm if it cost five dollars a bottle, for it saved him from being a cripple. No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and muscular pains. It also cured numerous cases of partial paralysis. It is for sale by Killmer Bros., Tionesta, and W. G. Wilkins, West Hickory.

SOMETHING TO REMEMBER. When a cough or cold is long neglected consumption almost invariably follows. Remember Mexican Syrup only costs 25 cents a bottle, and yet has proven in many thousands cases an absolute safe cure for coughs, colds and consumptions. Take it, it cures quickly. Children like it because it tastes so good. Insist on your druggist keeping it for sale. Read the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

A Pitiable Sight. What is more pitiable than to see a puny, delicate little child absolutely dying from neglect. There are many little ones, whose cheeks would grow rosy, whose flesh would be plump, and pretty if only the worms that are gnawing at their vital organs were removed. So easily effected with Mothers' Worm Syrup, so nice to taste that children ask for it. Also a cure for tape worm in grown people. Try a 25 cent bottle.

The Secret of Good Health. The secret of youth and good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a box.

Gooch's Quick Relief. When your joints and bones ache and your flesh feels tender and sore, a 25 cent bottle of Gooch's Quick Relief will give you quick relief. Best cure for colic. Healthy Blood Makes Healthy Flesh. To have good flesh and good feeling, to look well and feel well take some Gooch's Sarsaparilla. Nothing else so good for sale and so likely to women.

Pile-ice Cures Piles. Money refunded if it ever fails. Anti-Aguc cures Chills and Fever.
