REPUBLICAN TICKET.

STATE. Justice of the Supreme Chart, WM. P. POTTER, of Allegheny,

FRANK G. HARRIS, of Clearfield, COUNTY.

County Treasurer, CALVIN M. ARNER, Tionesta,

The County Ticket.

Less than two weeks remain of the present campaign, which has been an unusually quiet as well as orderly one so far as we are able to learn. Calvin M. Arner the only candidate on the Republican county ticket has been among the voters for the past two weeks, and finds the party well united and ready for the balloting to begin. Mr. Arner who is the party nominee for County Treasurer, is well and tryorably known to our citizens. Pleasant mannered and affable with all, he has made and retained a host of friends throughout the county, and no one can say but that "Cal." isn't lust the same after as before the election. As a public officer in the past he has shown his ability and efficiency, and people find him always in a good humor and ready to wait on them in a courteous and gentlemanly manner. As the custodian of the funds of the county and tax records his work will always be found in good condition and perfectly safe, with every penny accounted for. When you east your vote for Mr. Arner you can do so with the thought that you are supporting a worthy man, who will show his appreciation in the future, not only in faithful official service but in respectful, kindly treatment as well. Give him your hearty loyal support and feel thatyon have don

ARCHBISHOP IBELAND gave utterance to a clear thought when he said: "Not against Liberty must we unsheath our swords, but against license, that daughter of hell which drapes itself in the robes of the daughter of heaven and dares call itself liberty." Eveny Republican in Forest county should get himself out to the e ection this fall, and see that his Republican neighbor also gets out. The straight ticket is what every Republican should support.
