OPPOSES THE COMBINE

Gov. Van Sant Will Try to Prevent Northern Pacific Deal.

If He Cannot Proceed Under Existing Laws He Believes He Would fle Justified In Calling An Extra Session of Legislature to Give Him the Power

WINONA, Minn., Nov. 18 .- Governor Van Sant arrived from St. Paul Satur-lay evening. When asked regarding the incorporation of the American Securi-ties company in New Jersey, he made the following statement:

"The great railway deal in New York, the Northern Pacific and Great Northero-is a matter of great public inter est. There is justly a widespread oppowhether it can be prevented, but it is my intention to ask Attorney General Douglas, upon his return, to bring suit in the name of the state to prevent if possible, the consolidation of the Great possible, the consumation Northern and Northern Pacific railroad

It is clearly in violation of the plain intent and purpose of the law. If no ot be prevented, I feel that I would be justified in calling an extra session of the legislature to take the necessary steps to successfully resist, if it can be complished by this means.

"Believing it to be my plain duty, I shall leave no stone unturned to prevent this contemplated consolidation.

ROOSEVELTLAYS DOWN LAW Political Influence Will Not Count In

Any Officeholder's Behalf. WASHINGTON, Nov. 16,-It was no

the vacancies in the grade of brigadier neval will not be aunounced until con ress meets as it is not deemed desirable make ad interim appointments. In addition to this statement and in

of the great pressure that has been ought to bear it has been deemed oper to make the official declaration, hich says in part: The secretary of war and the presi-

dent have had informal discussions on truly matters on several occusions and it understood that the president has expressed himself most positively on the use of political and social influence by officers, for the purpose of obtaining changes of stations, leaves of absence, modifications of orders, etc.

"The president has not hesitated to in rm senators and others who have up

his chances by cending his friends to amony the president in his behalf. . "It is fully recognized by public offi-cials that the proper men in the first in-stance to establish the character of au applicant for office are the senators and presentatives from their own home and is eminently just and proper that their influence should be respected and they should be responsible for the character of the persons recommended for office. But once in the public service it is only calls promptly responded to at all hours. fair to the administration, not only army holders, should rely on their own merits

DEMAND NEW LAWS'

Knights of Labor Ask Congress to Curtail the Growth and Power of Trasts, INDIANAPOLIS, Nov. 16.-At the general sembly of the Knights of La-or yesterday the report of the commitsays the evalution now taking place in the industrial field through the rapid succentration of capital has filled the working classes with alarm for the fuare welfare of the country and declares state and national legislation in granting further privileges which go to fatten

already large private fortunes.

Resolutions submitted with the report demand from congress such legislation as "will provide for the utmost publicity of the affairs of all corporations doing an interstate business," Such laws are longarated as "will prevent the capital ention of any corporation above the amount of mency actually invested, whether said investment be in cush or

The resolution also declares that "con for the benefit of a few," and that "whenever government aid is extended to private corporations it means rob-bery of the whole people."

American Canned Food Found Bad. PARIS, Nov. 16.-La Liberte yesterasserted that 2,000,000 france deteriorated American tinned foods stores at Verdan, General Andre, the minister of war, has consequently ordered all timed food among army stores, on the ground that it would be better to on canned provisions which would be ound to be bad at the outbreak of a war.

Too Dry For Trees on Sable Island, LALIFAX, N. S., Nov. 19, A report brought in by the steamer Newfoundland from Sable island states that about onetenth of the trees and skrubs planted or the island lost summer by the Canadian government have died. The season everptionally dry on the island and not favorable to growth. Many thousa,els of trees and shrubs, all of a hardy nature, were planted with the object of arresting the gradual disappearance of the island by action of the sea,

VERY CLOSE TO DEATH

Another Miner Taken Alive From Wrecked Baby Mine.

When Explosion Occurred Be Turned Into Side Room and Falling State Walled Him In-Held Prisoner Four Days and Had Been Unconscious For Two Days When Found.

POCAHONTAS, Va., Nov. 19.-The cork of removing fallen state and debris from the Buby mine still continues. Yesterday morning the body of Fritz Moulter was found entombed in a room on the west side. He was living, but a few hours more, no doubt, would have brought death. For six hours physicians blow in the pit of the tomach rendered kim unfit for fighting. His secondi to conslousness. He in still feeble but complained bitterly but Ruhlin insisted with him before he was restored to conslousness. He in still feeble but with him before he was restored to conslousness. Es likely to recover.

There was great rejoicing when the

Jeff walked to Rublin's corner, asked news spread that he had been recovered what was the matter, then turned is alive. Moulter says that all within the disgust and proceeded to his dressing mine on Thursday commented on the room while the spectators rose as one heaviness of the atmosphere and that man and cheered the champion while a number of the men left work before they denounced Ruhlin as a quitter and he did. He soon found that danger was to run from the drift.

A heavy report which shook the moun tale was heard and an instant later a hure cloud of smoke and flame was seen coming. He lost sight of his compan-ions but he turned into a side room as quickly as possible and was shut off by falling slate. Possibly two days elapsed before he specumbed to the foul air.

GIGANTIC CONSPIRACY.

Alleged Plot to Overthrow Government

of Northwest Territory. SAN FRANCISCO, Nov. 18.-The Call restorday printed an unconfirmed story from Shagway, Alaska, under date of Nov. 0, telling of the discovery of what "I notice," continued the senator, "that isting in Dawson and ramifying to cause the Washington National Memorial Archives, but decided to go shead with for the overthrow of the local government.
