Selling

Wall Paper

at Dry Goods Prices.

Do you realize what this means? Do you know that this department store system of ours brings the cost of all grades of wall paper down to half what the regular stores charge?

This may seem like an exaggeration, were we not able to back it up. We are the largest buyers of wall paper within a radius of 100 miles. We buy cheaper than most dealers and by selling at our department store basis of profit we can undersell our competitors fully 50 percent.

If you have any papering to do this spring it will pay you to run down and get our prices. We pay railroad fare on all purchases of \$10 or over, so you can trade here without extra expense and save enough to pay for your time thrice over.

To Encourage Early Buying We Are Now Selling.

A Lot of 5, 7 and 8c papers at 2c roll
A Lot of 10, 12 1-2 & 15c papers at 5c roll
A Lot of 18, 20 and 25c papers at 10c roll

We have under contract a staff of competent paper hangers, and are prepared to give estimates on all kinds of work.

Carpets---The Opening Sale.

February brings the news Carpetings, and prices without a parallel in the history of this store. Clearance time is over and done for, and the choicest products of the best Carpet makers in America come forward for first showing.

Over 200 New Patterns of Carpets, a Quarter to a Third Under Price.

We never had so many patterns for choice at the season's beginning. We never had such rich and beautiful carpetings. Orders were given months ago when prices were lower, and special concessions even on those low prices were made on account of the magnitude of our orders. We have clipped a big slice from our usual profits, too, to make the offerings for this great opening sale.
