Selling

Wall Paper

at Dry Goods Prices.

Do you realize what this means! Do you know that this department store system of ours brings the cost of all grades of wall paper down to half what the regular stores charge!

This may seem like an exaggeration, were we not able to back it up. We are the largest buyers of wall paper within a radius of 100 miles. We buy cheaper than most dealers and by selling at our department store basis of profit we can undersell our competitors fully 50 percent.

If you have any wallpaper to do this spring it will pay you to run down and get our prices. We pay railroad fare on all purchases of \$10 or over, so you can trade here without extra expense and save enough to pay for your time three over.

To Encourage Early Buying We Are Now Selling.

A Lot of 5, 7 and 8c papers at 2c roll
 A Lot of 10, 12 1-2 & 15c papers at 5c roll
 A Lot of 18, 20 and 25c papers at 10c roll

We have under contract a staff of competent paper hangers, and are prepared to give estimates on all kinds of work.

Carpets---The Opening Sale.

February brings the news Carpetings, and prices without a parallel in the history of this store. Clearance time is over and done for, and the choicest products of the best Carpet makers in America come forward for first showing.

Over 200 New Patterns of Carpets, a Quarter to a Third Under Price.

We never had so many patterns for choice at the season's beginning. We never had such rich and beautiful carpetings. Orders were given months ago when prices were lower, and special concessions even on those low prices were made on account of the magnitude of our orders. We have clipped a big slice from our usual profits, too, to make the offerings for this great opening sale.

Delayed Car Service.
 Troy, Feb. 15.—The storm raged fiercely here all day and night delaying all car service, steam and electric. At 9 p. m. over a foot of snow had fallen.

A Structural Worker's Yarn.
 But hear the iron men and their own stories. A group of them sat one night in my presence and spun yarns.
 "Out on the Louisville bridge," said John as he took a fresh puff of his pipe, "the false work suddenly gave way, the 'false work you know' (to me) 'is the temporary wood bracing we work upon while building. The men below could see it buckling; the fellows on top knew when they started to work on it in the morning that it wasn't safe. All at once, as I say, it went. One of the fellers made a jump for the river. It was 200 feet down, but he tried it. As he jumped he interlocked his legs the bad on big heavy boots. Those boots' weight carried him down straight. He struck the water on his feet and wasn't hurt at all. A few days later he was out walking, slipped, fell three feet and broke a leg. That's true. I knew the man"—Leslie's Meghaly.

To Sleep Like a Top.
 "To 'sleep like a top' has probably a very different origin to that which appears. 'Top' is thought to be a corruption of the French *taupe*, or mole. This interpretation is far more in accordance with the idea usually conveyed—that of a prolonged, undisturbed sleep like that of a mole in winter rather than the short, enduring so called 'sleep' of a top when it revolves on its axis with a gentle humming sound."

A Great Discovery. Not Made by Accident.

Great discoveries are not always made by accident but often by perseverance, constant study and experience. Such was the case that resulted in the discovery of Thompson's Barosma which is remarkable for its cures in Kidney, Liver and bladder troubles, also Sciatic Rheumatism. Barosma is remarkable also in the fact that the cures it makes are Permanent.

A Serious Case Easily Cured.
 The third dose of Thompson's Barosma made me feel like a new man. I suffered about a year with pain in the back, side and groin. My hands, arms, and side of face became numb; would wake up numb all over; had to get out of bed and go through gymnastic exercises to get asleep. I made up my mind to sell out the jewelry business, as I lost thirty pounds of flesh in one year. I am very thankful I took Thompson's Barosma and shall remain in Titusville. Any person afflicted as I was can call on J. J. Borne, jeweler, 29 West Spring street, and learn what Barosma, Backache, Liver, Kidney and Lumbago Cure did for me. It is a valuable remedy. The above cure was effected five years ago and I have been well ever since.

Cured in Four Days.
 About twenty years ago I contracted a sprain and lumbago, causing numbness in back and hips, which confined me to my bed. Capt. S. R. Smith called on me and said: "Get a bottle of Thompson's Barosma," which I did taking large doses and to my surprise in about four days I rolled out of bed a well man. Although this was twenty years ago, I have had no return of the symptoms since.
