Court convened at 2 p. m. Monday with President Judge Lindsey and As-sociates Crawford and Dotterer on the REMNANT SALE! Lench. After hearing and disposing of a number of motions, the names of the Grand Jurors were called and they were sworn and charged by His Honor Judge Lindsey, W. P. Crouch of Hickory, was appointed Foreman and the jury retired in charge of Constable Kemble of Harmony. In addressing the Jury the Court spoke in very complimentary terms of the appearant peace and good order prevailing in our county, calling attention to the fact that the services of the grand jury had not been needed since May term of last year.

The Constables of the county were sworn and handed in their returns. The civil list was then gone over and it was found that none of the causes were ready for trial.

The case of T. D. Collins vs. John Wilon was continued by consent.

J. W. Baxter vs. Patterson & Beck continued at cost of plaintiff for the term. R. S. Winiock vs. A. D. Neil, Settled. Mary Caldwell vs. Brahaney & Healy, ontinued by consent.

The first case to be tried was that of the Commonwealth vs. Patrick Richards, against whom the grand jury had found a true bill on a charge of assault and battery with intent to commit rape. The prosecutor sas Richard Fair of Lynch, Howe township, where the offense is alleged to have b on committed, the victim being a daughter of Mrs. Fair, aged obout 13 years. After deliberating during the night he jusy brought in a verdict of guilty on the second count of the indict-
