ONE of the orders issued to American soldiers in Samar was that they should carry their guns to meals. Over forty were massacred at break fast at the instance of a treacherous native mayor before this precaution was taken. Service in Samar, with a court-martial thrown in, is no picnic.

A PRISONER in Knoxville confesses to having been implicated in the assassination of Goebel. The Goebel politicians in Kentucky are terrified lest this should prove to be the man who fired the shot. The assassin is the last person on earth they want to find, as it would interfere with their endless-chain system of snatching political adversaries.

ALREADY Democratic papers of the country, which only one short year ago were devoting a considerable portion of their space to the abuse and denunciation of President McKinley, are beginning to laud him and to whine that if he had only lived things would have been thus and so; that the Republican party has come into degenerate days and has departed from his sublime teaching. Such hypocritical cant is disgusting. It is on a par with the constant parading of Lincoln's words by Bryan and his followers. If Mr. McKinley and Lincoln were five to-day they would both be standing firmly with the Republican party in its efforts to promote peace, prosperity and national honor.

IS THERE a beef trust? That is a question of some interest to the American people at this time. The men in control of the beef trade of the country deny that there is a trust. The wholesale dealers say there is one. The question will soon be settled definitely. The proceedings which are being brought by the Roosevelt administration will show whether or not there is a combination which can be hit by the law. Attorney General Knox will push the case with the utmost vigor, and the country will soon know just how the situation stands. If there is a trust it will be assailed by the power with which the law invests the government. No guilty person will be allowed to escape. The people are strong in the belief that there is a trust and stronger still in the hope that it will receive a blow that will crush it for all time to come.

THE readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills are the best.

Entertainment at East Hickory.

The G. A. R. Post at East Hickory has secured the services of Major Hendershot for a night of concert at that place in the K. O. T. M. hall, and has set Thursday evening, May 28th as the time. This is a family of musicians that has no superiors and few equals, and their performance is worth twice the admission fee. The Major was a drummer boy in the army and there is nothing, seemingly, that he cannot make a drum do. Some local talent will be sandwiched in the program, such as recitations, quartette singing etc. Following is the program:

Introduction of Major Hendershot and son. Albertson Quickstep. Mocking Bird and Cuban Quickstep, Major Hendershot and son. The private's favorite march and W. R. Corps march. Recitation—The Young Man Waited, Mr. J. C. Hendershot. Fife and cornet solo. Song—Sleigh Bell Ride, B. H. Hinder-shot. Gen. Robert E. Lee's favorite March. Original Song, and fun for everybody. Gen. Phil Sheridan's favorite march, Old Army Stick Call; Dixie. Imitation of a battle on Horace Greeley drum—picket firing, rattle of musketry, roar of cannon, bursting of shells and the charge. Major R. H. Hendershot. Proceeds go toward improving the cemeteries.

Stand for Rheumatism. Last fall I was taken with a very severe attack of rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatism cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this Remedy I was much better, and after using one bottle, was completely cured and well again. Sold by Killmer Bros., Tionesta, W. G. Wilkins, West Hickory, Pa.

Pennsylvania Railroad Summer Excursion Tickets. On May 1, 1902, the regular Summer excursion tickets via all-rail routes to all the principal Summer resorts east of Pittsburgh and Buffalo will be placed on sale at ticket offices of the Pennsylvania Railroad Company.

Those tickets will bear the usual Summer excursion limit of October 31, 1902. The Pennsylvania Railroad Summer Excursion Book for 1902 will be issued, as heretofore, on June 1.

A VALUABLE REMEDY FOR COLIC AND CHOLERA. "I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known and successful druggist. Chamberlain's Cough Remedy has been used two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been found to be a most reliable and quick relief in all cases. It is especially effective for children and seldom fails more than one bottle to cure them of whooping cough. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." Sold by Killmer Bros., Tionesta, W. G. Wilkins, West Hickory, Pa.

Letter to Hon. J. A. Proper. Tionesta, Pa.

Dear Sir: There are two sorts of farmers; one wants his home and farm buildings to say "I'm comfortable and owe nobody, thank you!" the other don't care. The point for the thirty-one's Devoe land and mine.

Mr. Thriftless, no matter: one point is as good as another for him. Any white-wash stuff will do. His clapboards are loose and windows out. A man can't look thrifty, unless he is thrifty. Takes more than paint to save his property. Look at his horses—can't paint them!

Yours truly, F. W. DEVOE & CO. P. S.—Jas. D. Davis sells our paint.
