Few people understand the philosophy of keeping cool while "Old Sol" is doing his best. About the only contentment they find is to greet everyone with the words "Isn't it hot?" If men only knew how much effect a disturbed mind has over the body they would try to suggest more pleasing propositions. The best to do is to clothe yourself in light weight garments, mostly light colored, and then engage your thoughts in some pleasing occupation or study. Idleness is conducive to disturbance of mind and a disturbed mind makes the possessor uncomfortable.
