100  
Sample Silk Waists at  
\$2.98.

We say a hundred, but there may be a few more or a few less, but we don't think that one in the whole lot is worth less than \$8, and some of them are cheap at \$10.00. They're a sample line from a prominent manufacturer, makers of some of the finest silk waists turned out in New York city, and were bought by us at a small fraction of the original cost. Your choice of any one of them for \$2.98. Some of them are much better than others, but we want to give the first comers the benefit. All sizes, all kinds

25 Silk Petticoats at \$4.90 each.

Any instance of where the early comers get the best of it, for some of these very same skirts are marked \$10.00 in stock. They're all made of the very best grades of wearable taffeta silks in blacks and colors; good, liberal fullness, with deep flounces and ruffles. Not one in the lot worth less than \$7.50.

\$1.00, \$1.25 and \$1.50  
Shirt Waists at 49c.

We put this absurdly low price on these simply to close them out. True there are many very desirable waists in the lot, but the line of sizes is broken and we want them to move out of here. About 100 in this lot, and some choice picking, too.

12 Pairs of Shoes  
Given Away so Far.

Not so bad for the first week, but we expect to report many more a week from now. Last Monday morning we started in giving away every 20th pair of shoes sold. So far there has been a dozen lucky purchasers who happened to buy the 20th pair and who had their money returned. You're just as apt to be the fortunate one. Not only this, but you get the benefit of our extremely low prices. We don't believe such really good footwear was ever sold so cheap.

Finest Imported Wash  
Fabrics Now 49c.

Silk and Linen Grenadines, Imported Embroidered Swisses, Silk Plisse and all the very best of High-Grade Wash Fabrics, formerly \$1.00, \$1.25 and \$1.50, at 49c a yard.

## Unknown to Women.

Every woman should read, without fail,  
the following paragraph. She will learn  
something about herself she never knew  
before.

Thompson's Barosma is not only a won-  
derful kidney, liver and bladder cure, but  
has a particular advantage as a remedy  
for Chronic Female Weakness, Palpitation  
of the Heart, bearing-down sensations,  
Nervous Debility, Leucorrhoea or Whites,  
and Dropsical Swellings. Its peculiar ad-  
vantage lies in the fact that it is both a  
female regulator and kidney, liver and  
bladder cure. The womb is situated back  
of and very close to the bladder. A woman  
having any pain or distress in the back or  
side, at once attributes it to female weak-  
ness when many times her trouble is en-  
tirely from the kidneys or bladder. Hence  
a woman making this grave mistake will  
find a sure remedy in Barosma, for  
whether she is suffering from womb dis-  
order or any disease of the kidneys, liver  
and bladder, Barosma will effect a per-  
manent cure. For this two-fold reason  
Barosma is the best woman's remedy on  
the market. Thompson's Dandelion and  
Mandrake Pills should be used with the  
Barosma, for the liver and constipation.  
They are purely vegetable and do not  
gripe.

**Was Losing Control of Her Mind.**

I was losing control of my mind and could not  
remember names of people, caused by female  
weakness, chronic inflammation of the liver, kid-  
neys and bladder, scalding of urine and non-re-  
tention of the same, which had troubled me,  
making me very nervous, the past twenty years.  
All the medicines I used only relieved me for the  
time. You don't know how delighted I am to  
think I am so much better and stronger all  
through my system, and Thompson's Barosma  
Backache, Liver, Kidney and Bladder cure did  
it. I used six bottles. It was worth more than  
money to me. It gave me strength and health.  
I was very weak and miserable before.

## The Reason Why!

You see I am under a great expense, so I am more  
anxious to sell lots of goods during this Clearance Sale  
than ever before, as I have my new building under way,

deal of money for its erection, and I desire to raise the  
money out of my present stock of goods for this purpose.  
My stock is all new, nicely arranged and in the best pos-  
sible condition, so I make the above prices with the hope  
that you and I will both receive the benefit of same, in  
that you will get double value for your money and I will  
get the ready cash, which I so greatly need at this time.  
So do not forget me.

Remember this sacrifice sale is for CASH ONLY,  
except when country produce is offered, for I cannot af-  
ford to sell my goods in any other way at this time.

Don't forget the date. Sale commences on  
FRIDAY, AUGUST 1, 1902.

and continues for the whole month of August.

We will take during this sale, Hides, Pelts, Wool, Ginseng Roots and  
Country Produce, same as cash, and pay full market price for same.
