

1902 SEPTEMBER 1902

Calendar for September 1902 showing days of the week and dates from 1 to 30.

Republican Ticket.

STATE. Governor - SAMUEL W. PENNYPACKER, of Philadelphia.

COUNTY. Congress - JOSEPH C. SIBLEY. Assembly - C. W. ANSLER.

Dates to Remember.

The last day for payment of taxes will be Saturday, Oct. 4th.

THE Democracy has an issue, but dislikes to mention it. It is "agin prosperity."

NO INDIVIDUAL or combine is big enough to rule the Republican party. It governs itself in its affairs.

We stop the press to holler "Glory!" Editor Smith of Punxy was yesterday nominated for Congress in the 27th District. Hurrah!

AND NOW Judge Pennypacker's boots are worrying the opposition. The Judge has a right to style of foot-gear, and the opposition will find that the Judge's boots will kick the rounds of the executive chair.

A DEMOCRATIC caller on Tom Johnson came away convicted that Johnson can supply the party with both man and issue.

SO-CALLED State issues are pressed by the Democrats simply to gain Congressional advantage. At the polls in November the people of the State will show that they do not believe in tariff tinkering or in any manner of meddling with present prosperity.

GOOD speaking can assist the Republican newspaper during the last weeks of a campaign, but the regular reader of a Republican newspaper is always posted and ready to vote.

PENNYPACKER has a sense of honor which will serve him well upon the stump. He is a brainy, kindly man, and when one sees and hears and knows him, he does not wonder that he stood at the head of the Common Pleas Judges of Philadelphia.

THE Bedford Inquirer says there is a big difference between a true reformer and a mere fall finder. The true reformers in the Republic rank having secured the nomination of a clean, upright and able candidate for Governor, are not languishing around Democratic headquarters trying to cook up fusion tickets.

JOSEPH W. BABCOCK, chairman of the Republican Congressional Committee, predicts the election of a Republican Congress this fall. We trust that he is correct, but we hope that Republicans will not be lulled by a false sense of security and imagine that victory is going to fall into their laps for the mere asking.

EVERY man, whether employer or employe working by the day or hour, working for others or for himself, every man who believes that the conditions now prevailing are better conditions than those that prevailed in 1896, should see to it that his vote and his influence are cast against the election of a Democratic Congress next November.

THE Democrats are as silent about the trusts these days as they are about imperialism and militarism. The campaign which the Republicans are waging against them has taken the combine question out of politics.

EX-SENATOR N. B. CRITCHFIELD of Somerset county, a prominent farmer and member of the Grange, with whom many of our Forest county farmers are personally acquainted, he having lectured at their institutes, said the other day: "In South-western Pennsylvania, the name of Judge Pennypacker stands for everything that should be embodied in the character of a chief executive of the Commonwealth. We have full faith in his ability and integrity, and we feel sure that not only the agricultural interest of the State, but every other interest of our people will be safe in his hands."

WE say defeat under a tariff reform banner is certain for the Democracy and we say it because the American workman is not a fool. No manner of campaign elation, oratorical fireworks about trusts, etc., is going to make the American workman forget the bad business conditions under the Democratic tariff policy of a few years ago.

THERE is considerable talk of an extra session of the legislature for the purpose of passing a compulsory arbitration law to settle the coal strike in the anthracite regions. If such a session is called it will prove a farce.

THE trolley accident which jeopardized the life of the President and caused the death of his faithful attendant will direct the attention of the public to the reckless manner in which electric cars are too generally run upon cross-country lines.

WHAT was left of the Union party, organized, incubated and used heretofore in the city of Philadelphia, held a State convention in that city last week.

THE Kans Leader has this personal history of the Democrat candidate of the 28th Congressional district: Hon. J. B. Watson, of Marienville, has been nominated for Congress in the 28th district.

Still Without an Issue. Though the congressional elections are but little less than two months distant, the Democratic party is without a single definite proposition on which to make the fight.

The Democratic party has failed to find an issue in the year 1902 simply because there is none on which opposition politics can be intelligently based.

Mr. D. P. Dugerty well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. Sold by Dr. Dunn druggist, Tionesta, W. G. Wilkins, West Hickory, Pa.
