MYSTERIOUS CONFERENCE. United Mine Workers' Officers Met ar

Unknown in Philadelphia. Philadeiphia, Sept. 30.—A mysterious conference took place in this city yes terday between President Mitchell of the United Mine Workers of America Secretary-Treasurer W. B. Wilson District Presidents Nicholls, Duffy

and Fahy and an unknown person

whose identity the other parties to the conference refused to divulge. At the office of the Philadelphia and Reading Railway company it was stat ed positively that no official of that company had been present at the meet

A member of Mr. Mitchell's party who declined to allow the use of his name, made the following statement: "Any one can readily understand that only a matter of first importance in relation to the strike would bring President Mitchell, Secretary Wilson and District Presidents Nicholls, Duffy and Fahy, who form the executive board of the United Mine Workers, to this city together. There must necessarily be continued conferences and negotiations with the coal operating interests before the strike can be set-

At the conclusion of the conference Mr. Mitchell and the three distric presidents left over the Pennsylvania railroad for Wilkes-Barre and Secretary Wilson departed for Indianapolis. Senator Quay was not in the city and Senator Penrose denied having had any communication directly or indirectly with Mr. Mitchell.

Before leaving the city Mr. Wilso said: "You can state emphatically that Mr. Mitchell's visit has nothing to do with politics and is without political President Mitchell declined positive

the object of his visit here.

Conference With Striking Employes. Scranton, Pa., Sept. 30,-The Sheridan troop of Tyrone arrived at Oly phant and was placed under command of Colonel Waters of the Thirteenth regiment who will use the cavalry in flying trips to any points of danger.

Second Vice President Loomis of the Lackawanna company held a conference with a number of striking em ployes for "talking over the strike situation" with them. Mine workers' officers made efforts to prevent the men from meeting Mr. Loomis and succeeded in many instances.

APPEALS BY MINISTERS. President Asked to Appoint a Commis-

sion of Mediation. New York, Sept. 30.-After a stormy ension resolutions calling upon President Roosevelt to appoint a commission of mediation looking to ending the coal strike, were adopted at the weekly

Methodist preachers' meeting. The resolutions recite that the strike "bus reached a stage which calls for the most serious attention of all Christian men; that the interests of many of our people are specially involved, as well as those of the churches now under our care; that if continued much longer the strike will result in unparalleled suffering among the poor of our great cities, and the time has now come for honest, earnest efforts to bring about such a settlement as

will be acceptable to all parties." The Presbyterian Ministers' association of New York city at their meeting adopted a resolution on the coal strike to the effect that the ministers of the association be required to offer special prayer for divine guidance and the right solution of the question.

Creeks Overflowed Banks,

Kingston, N. Y., Sept. 30.—Heavy rains have caused Esopus and Walkill creeks to overflow their banks, doing damage to crops amounting to more than \$15,000. In the Catskill mountains, all brooks are now torrents, Bridges have been carried away on the line of the Ulster and Delaware railroad, causing a tie up and a loss of \$25,000. The New York, Ontario and Western road loses over \$30,000 by the washing down of embankments. The new Ellenville and Kingston railroad is covered with six feet of water. The total damage in this section is estimated at \$100,000.

To Develop Pest Manufacture.

Passale, N. J., Sept. 30,-The Amercan Peat company with a capital of \$50,000 is being organized in this city to develop and work large deposits of peat in Somerset county. The organizers are Ed Terhune and other heirs of the Terhone estate in that county. They reside in this city. They control 200 acres of peat in that section. A plant will be erected and business begun as soon as the company is incorporated.
