Little Babe Killed. A terrible accident happened in the vicinity of Coder station, a short distance below Brookville, 14th inst. Mrs. C. A. Dickey and her little daughter, aged about six months, of Loretta, Forest county, have been visiting with relatives in this section for several weeks, and yesterday afternoon Mrs. Dickey's father, Robert Campbell, of Baxter, was bringing them to Brookville to visit. When near Coder their horse took fright at a passing train and ran away, throwing Mr. Campbell and Mrs. Dickey and her daughter out of the buggy. Mr. Campbell was not injured and Mrs. Dickey escaped with but a few slight bruises, but the little babe was instantly killed. It was an awful blow to the parents and friends. Brookville Republican.

A Maccabee Social. The Sir Knights and Ladies of Forest Tent and Hickory Hive of East Hickory entertained, in their bounteous manner, forty-two Sir Knights and Ladies of Nebraska, who drove over on Saturday evening. The Forest Tent first gave an exemplification of their initiatory work for the edification of the visiting members. The doors were then opened and the Ladies and Sir Knights filled up the Hall, forming one of the largest gatherings ever held in the Hall. The meeting was called to order by Sir Knight Commander Crier. The visitors were invited to say something for the good of the order. Sir Knight Commander Goodwin, who by the way is quite an orator, responded to the invitation. He gave an interesting history of the Nebraska Tent, interspersed with short stories that kept his audience in excellent good humor. Sir Knight Haugh followed with a short speech. Lady Commander Haugh then extended an invitation to the Ladies of the Hickory Hive to visit them in the near future. The Ladies then went through the evolutions of the flag drill, which is a very impressive drill as rendered by the Ladies of Hickory Hive. Refreshments were then served in the lower hall where a sumptuous repast was served to about 150 Sir Knights and Ladies and their friends, after which the Nebraska people departed for their homes, feeling that the bond of friendship had been strengthened by this meeting. J.

THE NEBRASKA SIDE. The Maccabees and Ladies of the Hive in this place drove over to Hickory last Saturday evening to visit Forest Tent and Hive, and the Sir Knights and their Lady Bive turned out in full force, and it required Campfield's tallyho, two hacks, one surrey and three buggies to carry them over the mountain to that place, and I never saw a party enjoy themselves better than they did on the way over. But it was nothing compared with what was in store for us when we arrived at the hall for we could see a welcome on every face. The Ladies were received in the lower room while the Knights were sent up stairs to the lodge room. After greetings we held a review. There was one candidate initiated. The team work was good. Remarks were made by several Sir Knights, and then about 50 Ladies marched into the Hall and then there was some singing and speeches, Ed Goodwin of Nebraska Tent being the principal speaker. Then we were taken to the large room below where there were three long tables well laden with the good things that the ladies of Hickory know so well how to prepare. After good bys were said we started for home and all along the route it was nothing but praise for Forest Tent and Hive. May we meet again. ONE OF THEM.

Letter to E. E. Vockroth. Tionesta, Pa. Dear Sir: Rockland, Maine, is a sea-coast town; hard place for paint. About seventeen years ago, Farrand, Spear & Co., Rockland, began with Devos. Their first sale was to paint the Farrington residence, well known there. Mr. Farrand says the house appears from the street, to be well painted now, and has never been repainted. We should like to know more definitely about a job of paint that has lasted seventeen years on a seaside house. It is the longest time we have had a report on. Lead and oil lasts three years—a first-rate job—and nobody says it lasts longer. We are content to say that Devos' lead and zinc lasts twice as long; but we know of houses innumerable, on which our paint has exceeded six years. Yours truly, F. W. Devos & Co. P. S.—Jas. D. Davis sells our paint. Staps the Cough and works off the Cold. Laxative Bromo-Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents. 11-27-ly. Allen's Special Parties.
