Dr. Detar, of Kellettsville was passing shortly after the accident and was called in and rendered the necessary surgical assistance, leaving the patient feeling as comfortable as possible under the circumstances. Mrs. Reynolds was otherwise bruised by the fall, but will recover, though she will doubtless be maimed for life having little use of her right arm.

Death of Mrs. Allender.

Last Sabbath afternoon about 2 o'clock, she passed peacefully away one of the aged residents of Tionesta, Mrs. Elizabeth Allender, relict of the late Joseph Allender. She had been in feeble health for several years, owing to extreme age, having on the 18th of last March passed her 88th birthday. She was born near Stewart Run postoffice is now located, in the year 1834, and was a daughter of Thomas Dawson, long since dead. She spent her life within a few miles of where she was born excepting the latter 18 or 20 years spent in Tionesta where she made her home with her daughter, Mrs. Hannah Siggins, where she died. In early life Mrs. Allender was converted and became a member of M. E. church in which faith she died. Grandmother Allender was endeared to many who knew her and loved and respected her, and by whom she will be sadly missed. Besides the daughter above mentioned she leaves one son, John, of Cleveland, Ohio, and daughter, Mrs. J. S. Hunter, of Mill Village, Pa., who were present at the funeral, which was held at the M. E. church at 2 o'clock yesterday afternoon, Rev. O. H. Nickle officiating. The interment was in Riverside cemetery.

Two Shooting Accidents. One Fatal.

A very distressing accident, resulting from the careless handling of a gun, occurred in the household of Edward Byers, over in the township, about seven miles from here, on the road leading from the Blocher to the Shriver school house, last Sunday forenoon. Willis Byers, an adopted son of Solomon Byers, was handling a 35-calibre Winchester rifle, and almost immediately after being cautioned by the little victim's mother, the gun was discharged in some unaccountable manner, the ball striking the knee of the little 8-year-old daughter of Edward Byers, shattering the bones and inflicting a frightful wound. Physicians were hurriedly summoned and within a few hours Mrs. Byers, Phillips of Leeper, and Dunn of Tionesta were in attendance, and succeeded in relieving the child's suffering materially in the delicate operation of dressing the wound. Leaving their patient some time about midnight in comparative ease and as comfortable as could be under the circumstances, they were surprised to learn that on Monday morning about 11 o'clock the child suddenly expired, doubtless from loss of blood and secondary shock, as the patient had apparently passed the critical point the evening before. The case is one of peculiar sadness, the household being almost frantic over the distressing affair.

CHRIPLIFIED FOR LIFE.

Alvin, son of Isaac Kiffer, living on the ridge about three miles above Endeavor, Hickory township, was made a cripple for life by the accidental discharge of a gun on Sunday afternoon last. The young man, who is aged about 18 years, was hunting rabbits near his home, and had been standing on a stump with his arms folded and resting on the muzzle of his gun. He was in the act of stepping down when the gun slipped and the hammer striking some object discharged the load, which passed through Kiffer's right elbow. Dr. Detar of Kellettsville was summoned and found the elbow joint shattered and entirely destroyed. He rendered the necessary surgical aid and at last accounts the patient was doing quite well, and the doctor thinks the arm may be saved, but the young man will be crippled for life.

With almost daily warnings of this nature people will persist in their carelessness in handling firearms.

NERVOUS EXHAUSTION.

An every day history, high strung nervous, excitable, constant headache, no rest at night, heart weak, appetite poor, loss of weight, strength all gone. Read the following:

Mrs. Fred Wholesten, of Gladrun, Warren, Pa., says: "I was induced to use A. W. Chase's Nerve Pills for excessive nervousness. I was so nervous I could not bear a noise or much talking. I was very forgetful—my mind seemed dull. I was listless and tired all the time. The result of the use of the box that I used was remarkable. They toned up the nerves and system generally and I work well again, am strong, my mind is clear and noise and talk do not bother me. I am very much pleased with the pills and can recommend them highly to any one who feels as I did."

Dr. A. W. Chase's Nerve Pills are sold at 50c a box at dealers, or Dr. A. W. Chase Medicine Company, Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package. For sale by J. C. Dunn, drugist.

The Best Remedy for Croup.

[From the Atchison, Kan., Daily Globe.] This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hive syrup and told, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by Dr. Dunn, Tionesta; W. G. Wilkins, West Hickory, Pa.
