An Indiana dispatch to the New York Sabbath Scho-I Association of Forest Sun says that the farmers of the Hoosier County, will be held in the Presbyterian State are going to drill for oil for the purchurch of Tionesta, Wednesday and pose of feeding it to hogs. This seems to Thursday, Jun 3, and 4, 1903. The fol- be a new way to fatten porkers and if oil lowing is a synopsis of the program as has the same effect on hogs as it has on fish which inhabit streams into which it has been run, the pork will make rather poor eating and will give those who eat it the impression that they are chewing a kerosene saturated lampwick instead of toothsome cuts from corn-fcd animals, The yarn sounds like one of "Gib" Morgan's, who has the credit of being one of the most notorious story tellers ever known in the oil regions of this and other States, and is about on a par with his story of frozen gas. He told of how he struck a big gas well and that the fluid was so cold that it came up from the casing head in chunks of ice and piled up about the derrick. Being unable to pipe it he built a large ice house, stored it away and used in the summer as one

American which paper placed over the correspondent's account great scare heads and let it go as follows:

TIONESTA, PA., May 5. In the wake of the resinous smoke, that has blown in from the great belt of fire sweeping the timber tracts of Forest County, are coming stories of the awful delphia: crueity of the flames-stories of heroic

tion that now cloaks in sombre black the mountain sides,

But there is a spectacular touch to the story of the death of Walter Boyd that Boyd was burned to death and drow ned at the same time.

The young man was employed in Hart's shingle mill, near Pigeon. The fire was sweeping in from all points, and the other the mill, and he decided to remain until the last moment.

He remained too long. Flight was impossible when thought of it came to him, toil and sacrifice pond. Farther and farther the flames

fully in the gardens of the sea.

report of Fourth Assiziant General Bris-tow will be published in full when the Postoffice investigations are concluded, a date now estimated as June 1st. The body, recovered to-day, shows that Boyd met his fate bravely. Perhaps he stood watching the fire sweep upon him, in the hope that in the last moment relief would come. At all events he waited. For him face from a line on the neck, as well as his head, was burned black. Traces of the oil were still evident on the purpose for which it was designed. body when taken out of the mill pond. At last accounts Mr. Boyd was doing
