Republican Ticket.

STATE. State Treasurer—WM. L. MATHUES, Delaware County. Auditor General—WM. F. SNYDER, Chester County.

COUNTY. District Attorney—S. D. IRWIN. Coroner—Dr. J. W. MORROW.

THE Democrats might hope for success in 1904 if they only had a candidate and an issue, and a splittish party.

Most of the office seekers who have interviewed President Roosevelt have a yellow, bilious, anti-administration taste in their mouths.

BECAUSE of an error of the enrolling clerk Arkansas is to lose the benefit of about 100 new laws. Arkansas ought to pension that enrolling clerk.

TWO HUNDRED and seventy votes in excess of the number required to nominate are already pledged to President Roosevelt in the next national convention.

SENATOR GORMAN'S friends say that he will not enter the Presidential race. Mr. Gorman is too shrewd to give up a certain seat in the Senate for certain defeat at the head of the Democratic ticket.

JOHN BULL has just added to his possessions three islands in the Pacific ocean. They have neither products nor inhabitants and would in case of war, become an added source of anxiety.

It has jarred some of the low tariffers who were hoping to see a chasm grow in the Republican ranks, to find that the President stands by the traditional policy of the Republican party in advocating and strenuously, too, ample protection for home industry.

THE Roosevelt administration is winning the confidence of the people by the manner in which it is going to the bottom of things in the Postoffice Department and routing out the criminals.

THE fiscal year will break all the records in immigration. On June 30th it will be found that the total influx of people to the United States will have beaten that of 1892, which amounted to about 780,000, has never been closely approached in any completed fiscal year since.

SAYS the Philadelphia Press: Chairman Hall of the Democratic State Committee, is quoted as favoring Senator Dewalt, of Lehigh for Auditor General because he is not only voted against the press muzzler, but made a strong speech in opposition to it.

THERE are people whose brain fibre is coarse enough to permit them to assume that culture is only a matter of dropping the letter "r" from the alphabet. It is not necessary to enlarge your mental horizon by education or travel, or by associating with intellectual people.

THE enrollment cards showed the following persons in attendance from out of town: West Hickory—Miss Carson, Miss Norton, Miss Elder, Miss F. B. Siggins, Mrs. W. G. Morrow, Mrs. W. Carson, Mrs. W. G. Wilkins, Mrs. C. A. Bryan, Endeavor—Miss McKean, Emery Wetherill, Mrs. Warden, Mrs. Siles, Mr. Whaley, Miss Whaley.

AGONY—Mrs. B. A. Carnahan, Mrs. Frank Beck, Mr. and Mrs. H. C. Parker, Mrs. A. V. Clinger, Miss Clinger.

WHIG BILL—Mr. and Mrs. Catlin, Miss Mildred Catlin, Mrs. Eli Berlin.

GOLLETVILLE—Mrs. Harry Dotterer, Gerolinda—Mr. and Mrs. Jas. Stitzinger.

NEBRASKA—E. E. Stitzinger, Stewart Run—J. W. Strong, Redelyffe—Mrs. John Hall.

THESE were six pastors present at the convention: Rev. Emanuel, the missionary appointed by the American S. S. Union for Warren and Forest counties; Rev. McCormick, pastor of the Presbyterian church, North Warren; Rev. Henderson, State S. S. missionary, Erie, Pa.; Rev. Potter, West Hickory; Revs. J. H. Hingworth, Nichol and Feit, of Tionesta.

REV. Emanuel expects to come into this county next month to organize Sunday schools in every community which has none now.

\$100 REWARD, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity.

Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Hall's Family Pills are the best.

"Hands Off"—"Stand Guard"

Senator Hanna, of Ohio, has a happy faculty of combining in a few words the whole import of a political campaign. By the use of this talent he has been able to furnish the Ohio Republicans with campaign slogans which have done much to crystallize public opinion and inspire the party ranks, and so pave the way to victory.

In the Ohio State Convention of 1902 his advice to the party to "stand pat" on the tariff was at once recognized as summing up in the fewest words the attitude the Republicans should occupy on that question, and it was adopted with enthusiasm and repeated hundreds of times on the stump and in the newspapers.

These slogans are already accepted in Ohio as the battle cries for the immediate campaign of 1903, and "hands off" and "stand guard" will echo from every stump and newspaper in the State during the next five months.

Successful S. S. Convention. The eighth annual convention of the Forest County Sabbath School Association was held in the Presbyterian Church at Tionesta, June 3d and 4th, inclusive.

People Who Can't Sleep. Many people go to bed—not to sleep, but to think—to tumble and toss—to get up, walk about until tired Nature and a few fitful hours of sleep are obtained just before dawn—a sleep that does not rest—a sleep from which one wakes weary and tired, wholly unfitted to take up the daily routine of household, shop or office duties.

A PERFECT PLOW. It was a "Le Roy Plow" that plowed that rough new land without breaking. It was a "Le Roy Plow" that plowed the hard dry ground where others failed.

A New Principal For the Model School at Clarion.

At a recent meeting of the educational committee of the Clarion Normal School plans were adopted for the reorganization of the model school and Miss Martha A. Seiders, of Reading, Pa., was appointed to the principalship.

Principal Andrew Thomas Smith of the Mansfield Normal School says of Miss Seiders: "She is in our Model School when I was at West Chester, Pa., and her work was of a high order. I can recommend her unconditionally."

Principal J. P. Welsh, of the Bloomsburg Normal says, "I wish to assure you personally that Miss Seiders has had a very successful experience in this kind of work and I believe you would secure a prize if you secured her services."

This appointment may be interpreted as an expression of the purpose of the Board of Trustees to appoint only persons of the highest character and efficiency to positions on the Faculty.

People Who Can't Sleep.

Many people go to bed—not to sleep, but to think—to tumble and toss—to get up, walk about until tired Nature and a few fitful hours of sleep are obtained just before dawn—a sleep that does not rest—a sleep from which one wakes weary and tired, wholly unfitted to take up the daily routine of household, shop or office duties.

Mrs. W. H. Stevens, of 310 East Water St., Warren, Pa., says: "As a medicine for weakness—a languid tired feeling, nervousness and inability to sleep at night I can recommend Dr. A. W. Chase's Nerve Pills to anyone. I got a box and they successfully cured me. I am strong and active again—eat and sleep well and no longer have those nervous spells. I am glad to give this evidence of their great worth."
