Thompson's Barosma, Kidney and Liver Cure

Is not only performing wonderful cures, as the following statements will prove, but all the cures have been permanent, there being no return of the disease or any of the symptoms after a lapse of many years. E. K. Thompson & Son, Titusville, Pa.; - Dear Sirs-Several years ago I was taken with kilney and bladder disease, and suffered with terrible pains, besides losing control of the action of my kidneys and bladder. A number of doctors had my case at different times, but I received no benefit, and was given up as incurable and fully expected death would relieve my sufferings. A friend recommended BAROSMA and I segan taking it. At first I could see little change, but after taking about six bottles, I began to get better. I continued to use it and today am entirely cured. I am an old resident of this county and are well known in this section, and consider myself a walking advertisement for your TRULY WONDERFUL medicine, BAROSMA.

Yours respectfully, NATHAN BURDICK, West Hickory, Pa. The first bottle did me so much good that I bought the second and it cured me of female weakness, with which I had been troubled more than two years. I gained in strength and flesh and have been well ever since. This was six years ago. Mrs. M. GROVE, Plum, Penn'a.
