Two Off Marienville.

We're taking 'em in bunches now, and that, too, off the "champions," Yesterday our friends from the summit came down with blood in their eyes, and the home team didn't do a thing to 'em on the ball field. Marienville 2 0 2 0 0 3 0 1 0-

The afternoon game was the crackajack of the pair, and every inch of ground was fought to a finish. Clayson, one of Kane's erack pitchers, was in the box for Marienville, with Graybill behind the bat, but the latter was obliged to change places with Keating on account of the effects of a hard fall received in the forenoon game. McMillen and Lawrence did the battery work for Tionesta, which was gilt edged. It lohked a little like victory for the visitors when they piled up three runs in the first half of the first inning, while the locals were retired in their first two innings with goose eggs, but in the third they made a great spurt, piling up six runs. At no time after that were the visitors in any danger of winning the game, although they put up a stiff fight for it to the end, with the result that the game closed 9-7 for our side. The score :

It Never Fails. Thompson's Barosma has never been known to fail to cure any disease of the Kidneys, Liver and Bladder; also Rheumatism, Sciatica, Palpitation of the Heart, Nervous Debility, and Female Weakness. Thompson's Barosma reduces all the inflammation, neutralizes the acid and dissolves gravel, carrying off all matter that is poisonous to the blood, stomach, heart, kidneys and liver. It is purely vegetable and pleasant to take. No opiate in any form is used in its manufacture. It can be taken by all ages and has cured many children of non-reten-

tion or bedwetting. "I had been troubled with rheumatism ever since I was eighteen years old, and when I went into the drug store I had little faith in Thompson's Barosma. I have taken six bottles of Barosma and am better than I have been in twelve years. I can work every day, something I had not done in ten years. Thompson's Barosma regulates my whole system and I am stronger and better in every way, and am glad to bear this testimony. Thanks to Thompson's Barosma."-Johnson N. Dunn, Troy

If costive, Thompson's Dandelion and Mandrake Pills should be taken with Barosma. They are purely vegetable and do not gripe.
