BRIEF DEMOCRATS NOMINATE.

State Convention Held Last Week at

Harrisburg. Harrisburg, Pa., Sept. 3 .- The Democratic state convention was called to order by State Chairman Hall. William J. Brennan of Pittsburg, who had been selected temporary chairman by the executive committee, accepted the

position in a brief speech. After the contests in Luzerne and Westmoreland countles had been referred to the credentials committee, the standing committees were announced.

The convention then took a recess to allow the committees on permanent organization, crolentials and platarrival in this beautiful city at 9:30 form to dispose of the business referred to them.

> When the convention re-assembled, Thomas B. Alcorn of Pittsburg, from the committee on permanent organization, reported that Senator Webster L. Grim of Bucks county had been selected for permanent chairman.

The following platform was then adopted.

The organized Democracy of Pennsylvania, addressing Pennsylvanians of all poltitical parties, again calls upon them to unlte with it in a supreme effort to rid our commonwealth of that celfish, corrupt, extravagant and bebasing rule which still controls its affairs.

We repeat the charges elaborated in the platform of our last state convention and reaffirm that to the pledges and to the candidates of the Democratic party alone can the people of our state turn for deliverance from the evils under which they suffer. Not one pleige made by the Republican machine as a condition of its continuance in power has been kept. Today we witness the astonishing spectacle of almost the entire Republican press of the state and country denouncing the governor for his approval of the Grady-Salus libel law. the product, as they declare, of the worst motives and purposes of the Republican machine. This law they charge was deliberately intended by its authors and promoters as an assault upon the freedom of the press. To the repeal of this measure the state can safely count upon the vote and effort of every Democratic member of the next legislature. To the defeat of the candidate who stands for the purposes behind it and the meth-

THREE PRISONERS ESCAPE.

Dug Through a Brick Wall at Schoharie County Jail.

Albany, Sept. 8 .- "Sheeny" Harris, ine of the gang of five that murdered Night Watchman Matthews Wilson at Cobleskill two years ago, and two other prisoners, Edward Cain, colored, aged 37, and James Kelly, aged 21, both charged with burglary and grand larceny, dug their way out of the Schoharle county jail at Schoharle at some time between 10 o'clock Sunday night and 5 a, m. Monday and escaped

Three other prisoners were in the jail but were locked in cells and could not escape. The three that escaped are still at large. A reward of \$50 each has been offered by the sheriff for the capture of the men.

The jall is a comparatively new brick building, and was supposed to be proof against such occurrences, but when the jail was opened in the morning the three most-wanted prisoners were missing and the hole through the wall told the story.

News of the escape has been telephoned and wired in all directions, but 19, in which nine school children thus far no trace of the fugitives has been found

"Sheeny" Harris is well known as a desperate criminal and the police believe he will make every effort to leave this vicinity, where he is well known to the police of many places.

It was largely through his testimony as state's evidence that conviction was secured against "Whitey" Sullivan, William O'Connor, allas "Goat Hinch." "Canada Blackie" and "Dublin Ned" Jackson, the first two of whom have been put to death, and the other two are serving sentences, one of life and the other of 10 years.

The fifth member of the gang, one Ballard, was killed a year or more ago in the South, in the premature explosion of a nitro-glycerine charge with which he was blowing open a safe in an attempted burglary.

"Sheeny" Harris was to have been put upon his own trial this fall, at the October term of court.
