While it has not won every amount of work in his line for people in iably gives satisfaction, and these who have employed him are ready to recommend his skill. He has had many years' experience and is ready to furnish home references of unquestioned standing, so that those in need of his services may have no hesitancy in consulting him. The Doctor will remain in Marienville for the next two weeks, or until after the close of the teachers' institute, giving all who wish, an opportunity to consult him.

-The President Oil company which recently purchased the larger portion of the estate of the late Edwin E. Clapp, in President and Pinegrove townships, have sold 12,000 acres of the timber land in President township to the Grandin Lumber company, of Tidioute. It is estimated that there are fro n 25,000,000 to 30,000,-000 feet of pine lumber in the new purchase. The Grandin company is getting ors to Oil City yesterday. ready to get it out. A complete and modern plant will be erected, including band sawmill, trimmers, edgers, matchers, planers, re-saw, shingle and lath mill. Much of the timber is of virgin pine and the last tract of any magnitude left in Venango coun'y.

-The Boston team of the American base ball league is making it exceedingly was undoubtedly the handsomest one in entertaining for the Pittsburg champions of the National league, the record up to this penning showing the superiority of the former in the series of games now being pulled off for the world's championship between these two penant winners. Seven of the nine games have now been grounds, and the bean-eaters have four of six weeks. and Pittsburg must win them both if she Mr. Hepler is employed in erecting a would take the series. The proposition new church. is a tough one for our favorites, but they may be equal to the task. P. S .- The Bostonians were successful in winning the game yesterday, giving them five out of the nine games, and so the championship goes to the "hub."

-The County Commissioners of Jefferson county were convicted last week of furnishing oleomargerine to the inmates of the county home, the prosecution being brought in the name of the Commonwealth. There as pears to have been no contention as to the facts, the commissioners admitting the charge to be true, and resting their case on the question of the constitutionality of the act of assembly of May 23d, 1893. Judge Reed was of the opinion that the act was constitutional, and in passing sentence used these yesterday. words: "The defendants are not to be 2-cent postage stamps which the people of am convinced that the ends of justice will Plank, of Duhring, Pa. be fully met upon the payment by them of the costs and in the aggregate the payment of a fine of one hundred dollars,"

-The season hastens hitherward when its nip and tuck between the seductive host of friends here all wish him success. chestnut tree and the trusty fowling-piece as to which shall bag the most human game. As long as our sportive fellow and through the brush, we'll bet our home. hard-earned money on the shotgun's score. The great company of it's perforated ghosts that yearly set foot on the shining strand of the Beyond will testify to the promptness and reliability of the fowling-piece in improving an advantage its aptitude in getting busy on the shortest notice-while you wait, as it were. 'Tis true, the chestnut tree has its humair-line route in descending from it. But, and enjoying a picnic on the way. compared with the shotgun, it is deficient in variety of resource and sluggish getting there.-Franklin Spectator.

Letter to J. P. Huling. Tionesta, Pa.

Dear Sir: Let's have a little private talk by ourselves on business; nobody else, please, read.

You want to know how to do a cheap job of painting, and have it look good. Here it is: The cheapest thing there is in the way of a good looking job-say nothabout its being good-is Devoe: the regular thing in Devoe.

The reason is: Devoe goes further than anything else. Lead-and-oil is good-

Devoe costs least of all; you don't mind it's lasting longer, do you? We his arrival. can't help it; a paint that goes further lasts longer; we can't help it.

Yours truly, F. W. DEVOE & Co., New York. P. S .- Jas. D. Davis sells our paint.

FATAL GLYCERINE EXPLOSION. Adam Cupler, Well Known Here, Is Blown to Atoms.

Adam Cupler, one of the best known oil well shooters an I manufacturers of high explosives in the Pennsylvania oil field, and who has done practically all of the well shooting in this vicinity within the past few years, was instantly killed near East Titusville about 7 o'clock on Monday morning of this week.

Mr. Cupler, who had been carrying on

the business of manufacturing nitro-

glycerine at Titusville in partnership with Nelson Francis, had practically retired from the business of shooting wells, -Mrs. J. H. Robertson was the guest the firm having in its emply two expert of Warren friends a part of the past shooters, but where there were three wells to be shot at the same time it was -Mrs. A. C. Brown and little daughter his practice to take one of the wagons are visiting relatives in Brookville this himself. This was the case Monday morning. The other two men were en--Mrs Patrick Joyce was a visitor to the gaged, one to shoot a well at Goodwill Hill, and other at the English Settlement, and Mr. Cupler had started to Fagundus to shoot a well in that field for Amos Clinger. The magazine is situated about a quarter of a mile from East Titusville. and the scene of the falality was on the public highway three-quarters of a mile Cupler placed two cans of the explosive -Miss Christine Agnew, of the High in the wagon. One contained eight and School faculty, was a visitor to Oil City the other two quarts. About 7 o'clock D. P, Clark, a neighbor, heard the sound of wagon galloping down the road. A short distance further on he found the lower portion of the legs of Mr. Cupler. The force of the explosion seemed to be forward and upwards, as the dust in the

wagon road was scarcely disturbed. The body had seen blown through the limbs of a large cak tree at the side of the road, -S. H. Lusher returned Monday and fragments of the clothing and flesh was not a piece left of wagon box larger than the paim of a man's hand. The spokes had been ripped out of the rim and the axle was bent in a crescent shape. The body was found eighty feet away, having been blown forward and a little and neck were broken and the back had been cut open from between the shoulder blades to the small of the back, and the internal organs were exposed. One arm was twisted until it was a shapeless mass, hauging by shreds of the skin and sin-

Mr. Clark covered the body with a blanket and telephoned the news of the tragedy to Titusville. The body was taken in charge and removed to the undertaking rooms of A. K. Brown, Titusville, where it was prepared for burial.

The cause of the explosion is thought to have been due to friction, the fault of leaky nitro-glycerine cans permitting some of the explosive to escape, which in turn may have got under the vessels, and when the wheels of the wagon struck a plank which lay in the road where the -Mrs. W. N. Ball and little daughter, accident occurred, precipitated the trag-

Mr. Cupler was born at Big Run, Jefferson county, Pa., April 2, 1847, and was married 29 years ago. He is survived by extended visit to her sister at Bowling his widow and four children, Mrs. Clarence Mosher and Harry, Grace and Lulu, all of Titusville, Mrs. Cupler and her are to be played on the Boston grounds, visiting friends at West Hickory where iting friends, and were at the station about to leave for Titusville when the were informed of the accident,

Deceased was a member of the A. O. U W. and Masonic fraternities, and was beyond question one of the most popular residents of Titusville, if not in the en tire local oil field.

Mysterious Death of a Marienville Young Lady.

A dispatch from Findley Lake, N. Y. under date of 12th inst., gives an accoun of the mysterious death of Miss Iva Estella Confer, of Marienville, Pa., at the Lake House on last Sunday night, Miss Confer came to the hotel last Wednesday pearance to indicate that she was ill, and customers, was a business visitor in town | it was supposed that she was enjoying an outing.

in her room and went in to see what all that an economical man looks after. very ill and Dr. Chapin was called in haste, but before he arrived Miss Confer was dead.

Coroner Blood was called and took charge of the case, which is being thoroughly investigated. A search of her baggage, consisting of an imitation russet leather dress suit case, was made in hopes of finding some clue to the dead girl's relotives. In a book the name and address, Iva Estella Confer, Marienville, Pa., was found. The clothing was marked with the initials I. E. C., and locket she wore was marked with same initials. young man about 20 years of age, with smooth face and curly hair, parted in the

The young lady had a face and form of more than ordinary beauty. She was about five feet two inches in height, weighed about 130 pounds, and had brown hair and eyes.

A later dispatch says: Investigation by Coroner Blood late Monday afternoon disclosed the fact that Miss Confer had died from the effects of a criminal operation. Dr. Henry F. Chapin has been arrested by Sheriff Cooper, charged with having performed it.

Chamberlain's Cough Remedy.

No one who is acquainted with itr good qualities can be surprised at the great popularity of Chamberlain's Cough Rem-It not only cures colds and grip efnia. It is also a certain cure for croup, Whooping cough is not dangerous when may be given as confidently to a baby as o an adult. It is also pleasant to take.
